

1

Here's the leg... notice the two holes!!

2

Here's the ottoman... notice the two holes in red circle...

3

match the two holes together and put the leg on top of the ottoman.

4

You'll need a screw driver for this part.

5

Drive the screw driver directly to the holes and start twisting clockwise.

6

Repeat for the other leg. and repeat the same for the other three legs.
