Installation diagram

Step 15  A line drawing of a shelving unit frame. It consists of a vertical back panel, a horizontal top panel, and two horizontal shelves. The label 'K' points to the corner joint where the top panel meets the back panel.	Step 16  A line drawing showing two vertical panels. The label 'L' points to the top edge of the left panel. Arrows indicate the panels are to be moved towards each other.
Step 17  A line drawing showing two horizontal panels being moved towards two vertical panels. Arrows indicate the direction of movement.	Step 18  A line drawing of a shelving unit frame. It consists of a vertical back panel, a horizontal top panel, and two horizontal shelves. The label 'K' points to the corner joint where the top panel meets the back panel.
Step 19  A line drawing of a shelving unit frame. It consists of a vertical back panel, a horizontal top panel, and two horizontal shelves. The label 'P' points to the top edge of the back panel.	Step 20  A line drawing of a rectangular panel. The label 'L' points to the top edge. Arrows indicate the panel is to be moved towards the other panels.
Step 21  A line drawing of a shelving unit frame. It consists of a vertical back panel, a horizontal top panel, and two horizontal shelves. The label 'P' points to the top edge of the back panel.	Step 22  A line drawing of a shelving unit frame. It consists of a vertical back panel, a horizontal top panel, and two horizontal shelves. The label 'P' points to the top edge of the back panel.
