Easy, Tool-Free Assembly

PATENTED CAPSULE BRACKET

Our innovative capsule brackets are made to slide together effortlessly with no tools

HANDLE

Each piece has a handle for easy lifting

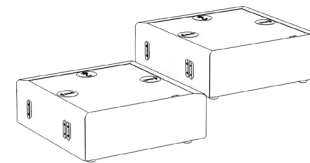

NUMBER SYSTEM

All components are numbered so everything matches up seamlessly

Quick Start Guide

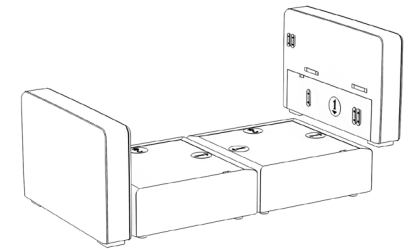

STEP 1

Connect the seat module

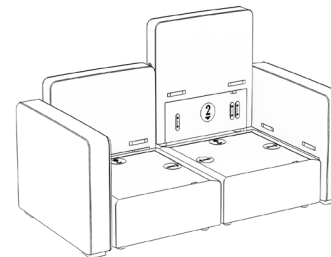

STEP 2

Attach the arm module

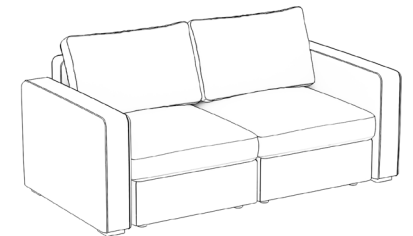

STEP 3

Attach the back module

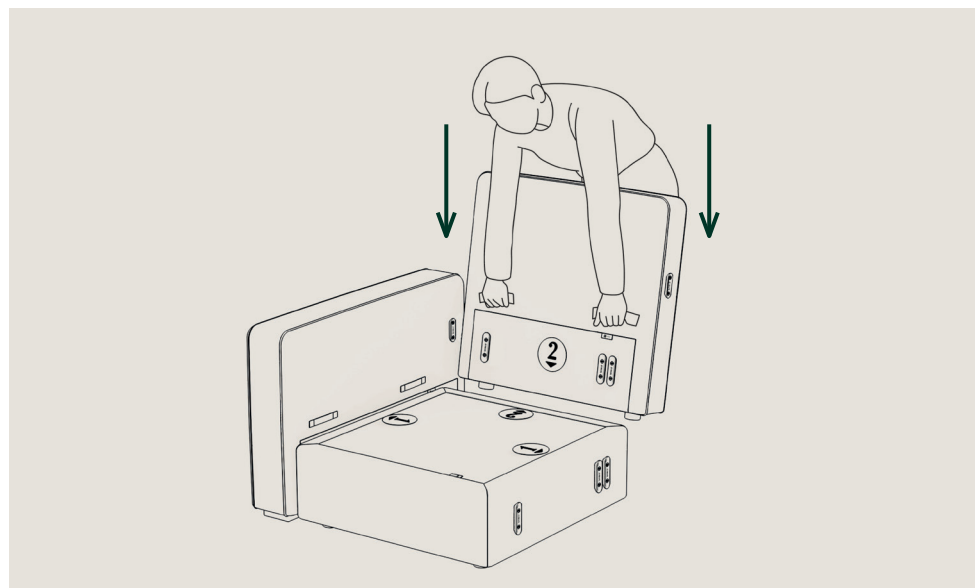

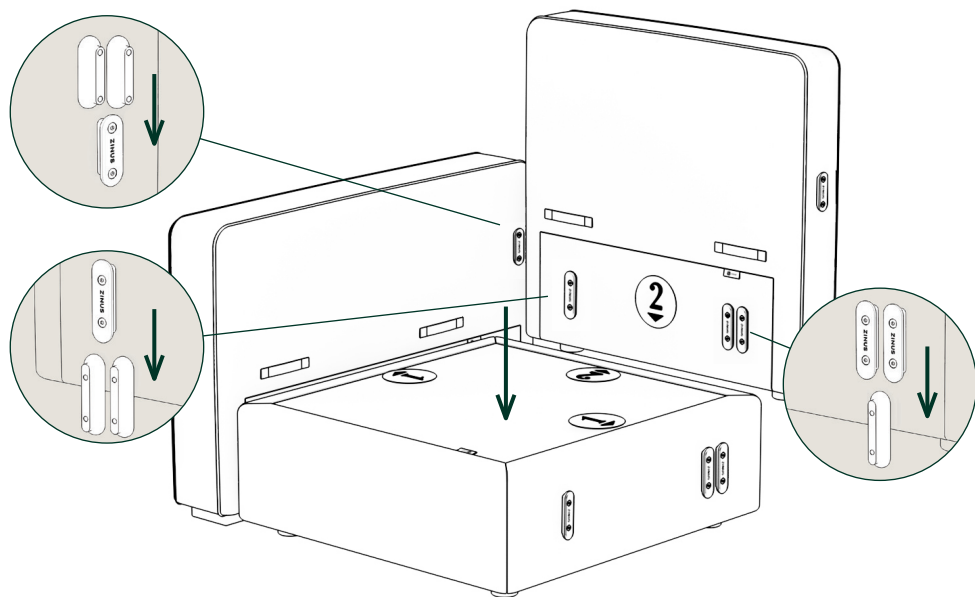

STEP 4

Add the cushions

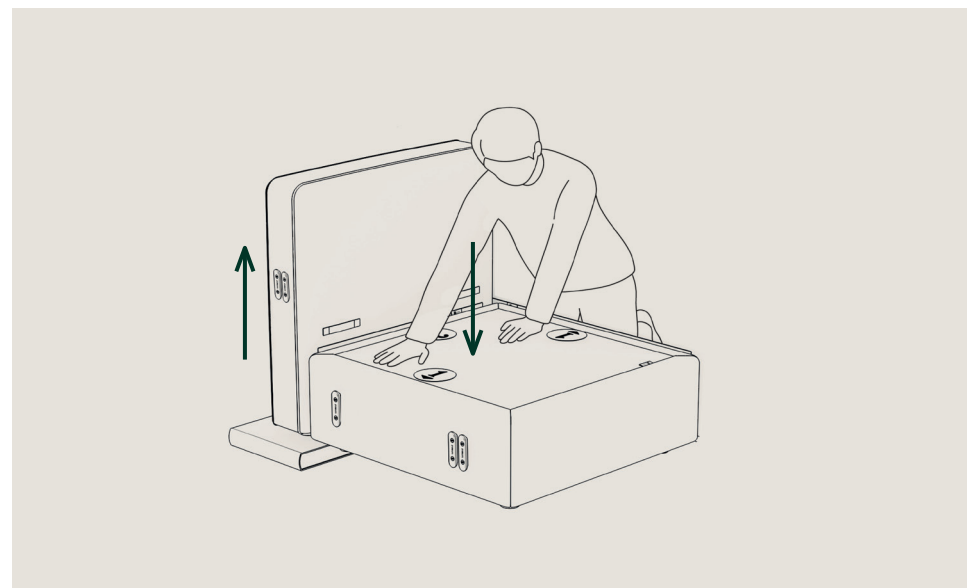

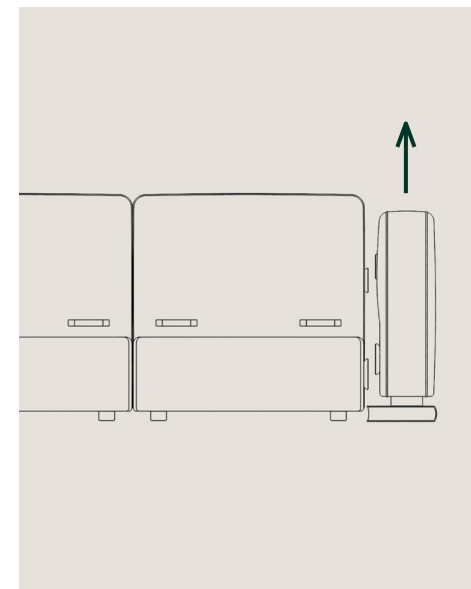

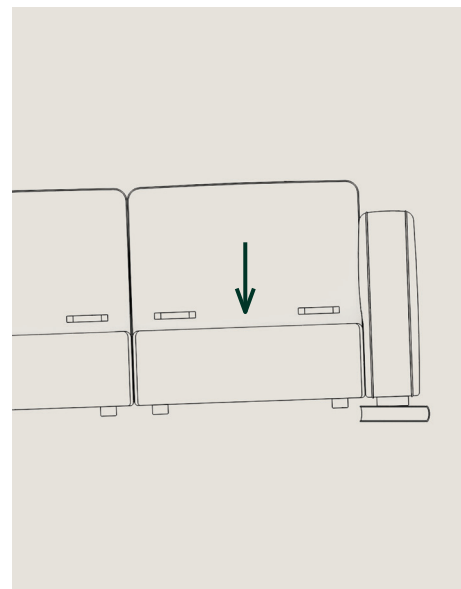

Connecting Modules

Easily connect the modules by sliding the arm and back pieces down into the sofa base.

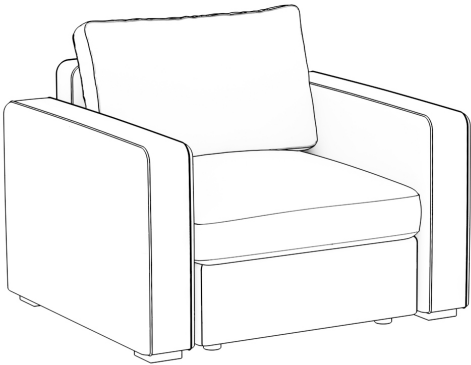

Disconnecting Modules

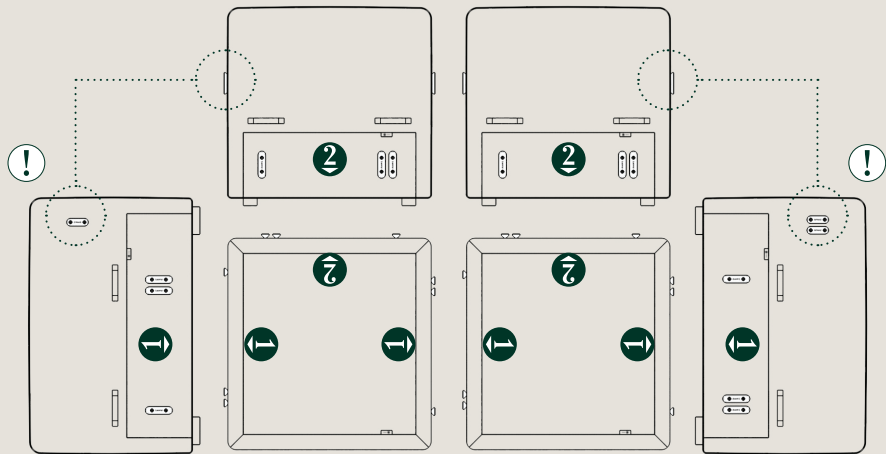

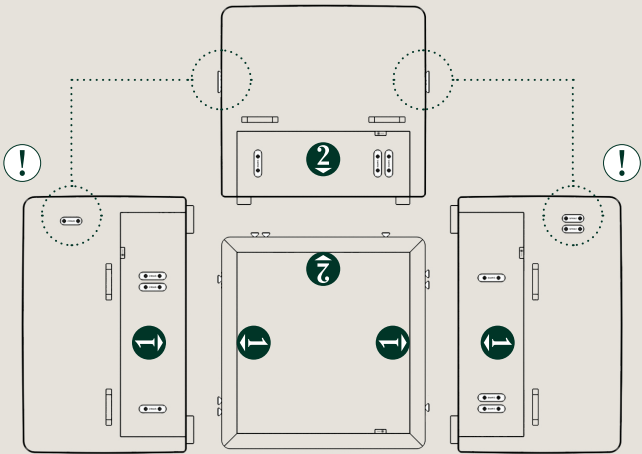

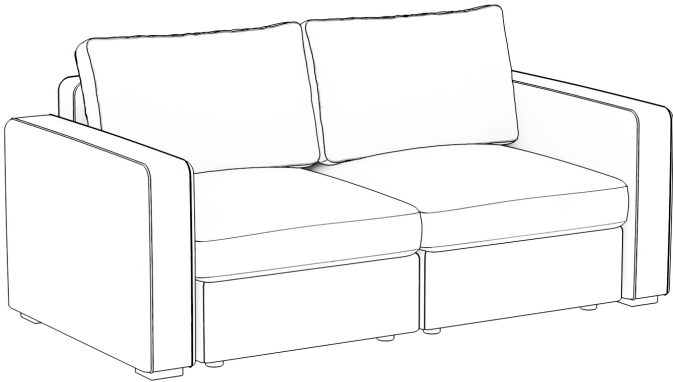

Pull up on the arm pieces to disconnect them. Placing a thick book beneath the legs first will make this process even easier.
