

INSTALLATION INSTRUCTIONS

STEP 1 Place the Shelf

Rest the undershelf on top of the four support posts.

STEP 2 Pop in & Lock Posts

Insert each post into a table leg sleeve. Give the lock a turn to secure it until fully seated.

STEP 3 Set Your Shelf Height

Loosen set screws on posts, slide shelf to desired height, then retighten all screws.

STEP 4 Do a Final Lock Check

Make sure every lock is fully turned and the shelf feels solid.
