CAT CABINET

Assembly instructions -Please keep for future reference

Important-Please read these instructions fully before starting assembly

Safety and Care Advice

Important - Piease read these instructions fully before starting assembly

• Check you have all the components and tools listed on the following pages.

•Remove all fittings from theplastic bags and separate them

• Keep children and pets away from the installatlon area, which may cause choking if small parts are swallowed.

• Make sure you have enough space to layout the parts before

• Do not stand or apply weight to the product during assembly.This may cause damage.

• Assemble the item as ciose to its final position (in the same room) as possible.

• Assemble on a soft level surface to avoid damage to the unit or floor.

• it's easier for two people to assemble the parts together.

• To reduce the likelihood of damage to your product,make sure your power drill is set to a low torque setting.

Care and maintenance

• Only clean using a damp doth and mild detergent, do no use bleach or abrasive cleaners.

• Check for loose screws on this unit from time to time.

• Thls product should not be discarded with household waste.Take to your local authority waste dlsposal centre.

Handy Hints

• Assemble all parts and bolts loosely during assembly, only once the product is complete should you fully tighten the bolts

• Regularly check and ensure that all bolts and fittings are correctly tightened.

WARNING
In order to help prevent overturning - please follow these instructions

To help prevent product toppling over please follow the below steps:-

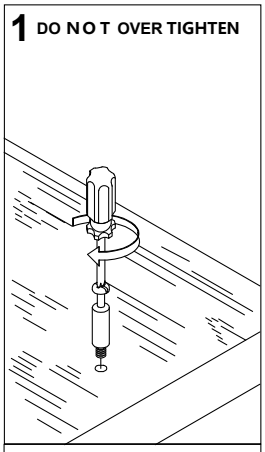

Use the anti tip stap or wall fixing method provided (if appllcable)
Do not allow children to cimb or hang on the furniture
Do not open more than one drawer at a time
Do not place heavy items in the top drawers
Do not place heavy items on top of the furniture, unless the furniture has been designed for this purpose

please note that only the antl tip strap is provided.
You wil need to provide wall plugs and screws applicable for your wall type

Using Camlocks

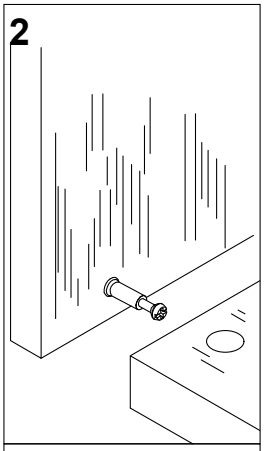

Step 1

Connect the male camlock as diected In the assembly instructions using a scewdriver.

Step 2

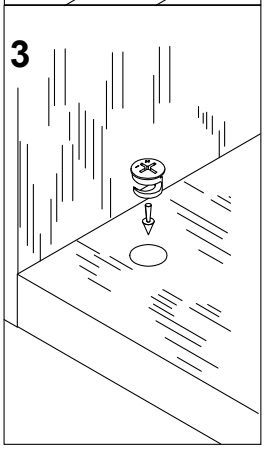

Push the male camlock into the entry hole.

Step 3

Insert the femle camlock as shown in the Instruction.

Note: ensure that the arrow on the top of the camlock points towards the entry hole for the male camlock.

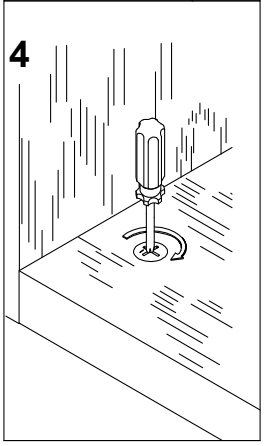

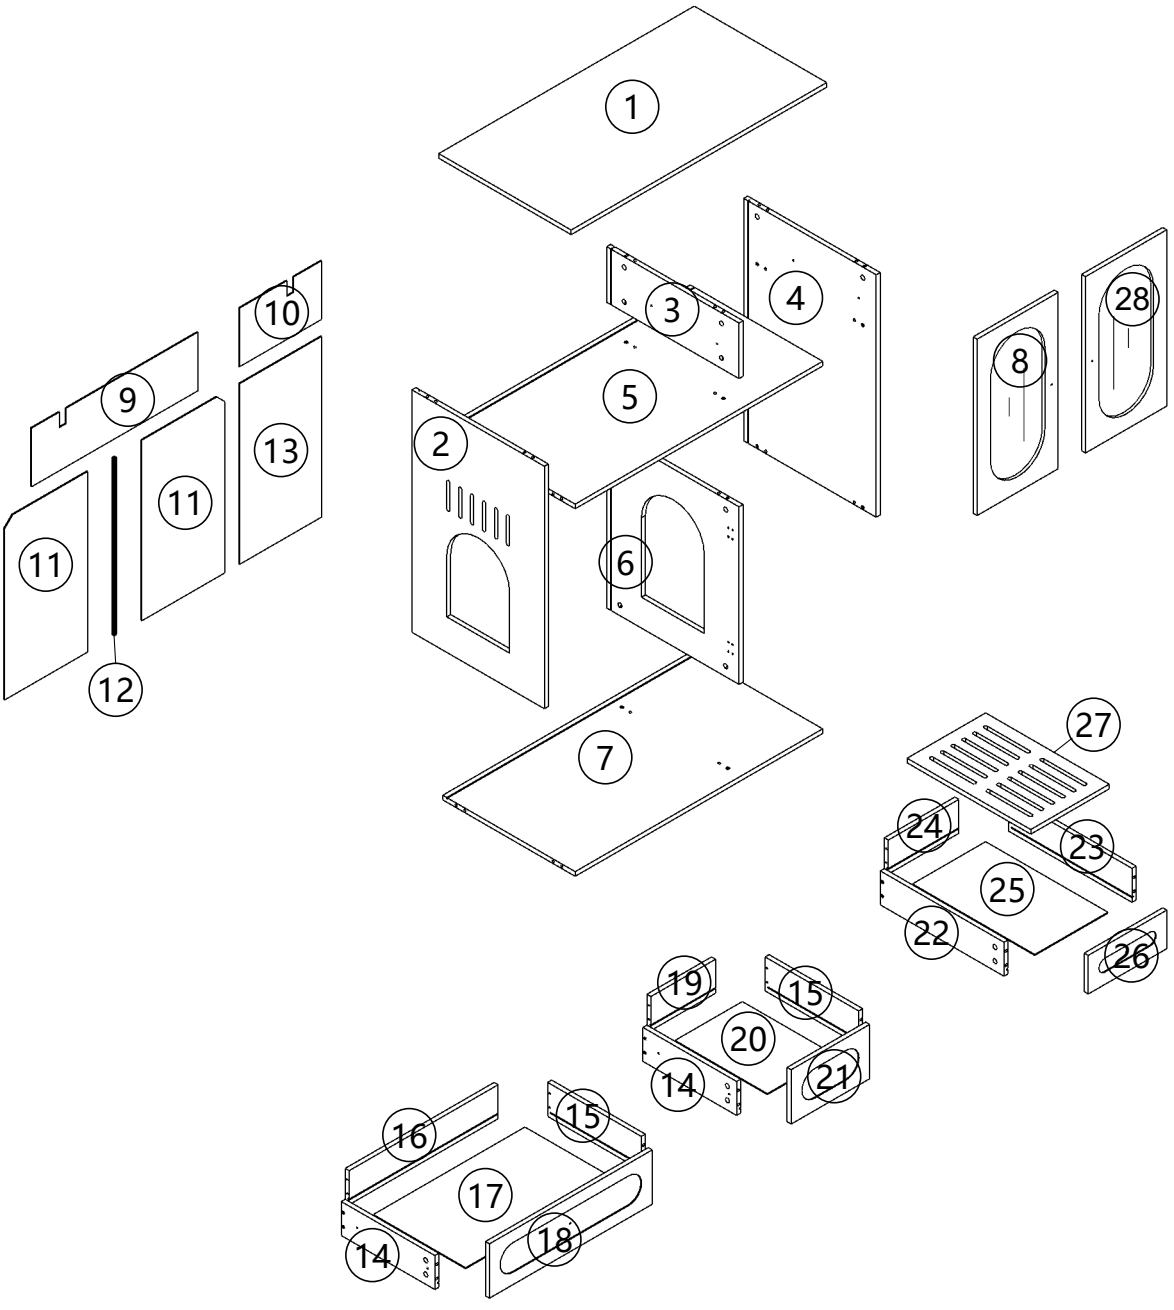

Step 4

Tum the female camlock clockwise with a screwdriver.

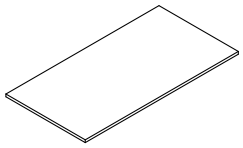

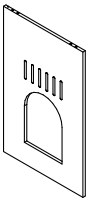

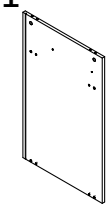

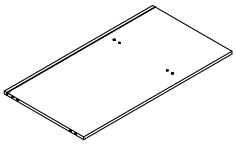

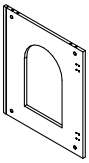

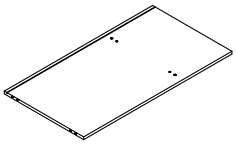

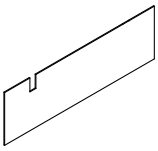

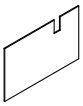

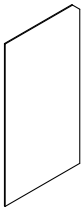

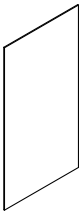

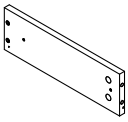

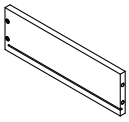

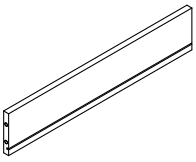

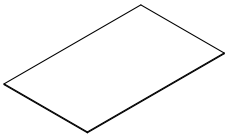

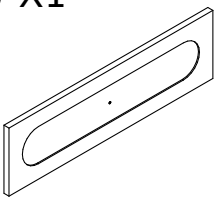

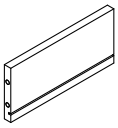

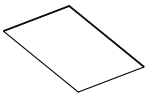

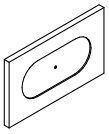

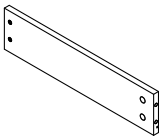

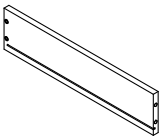

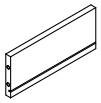

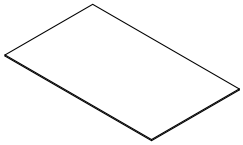

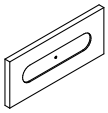

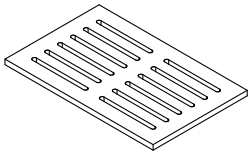

You should feel a click when the camlock ls locked in place.

The joint is now secure.

APP PROGRAM USAGE

Click to show the lamp list

Switch the color wheel

Click to display settings view

Adjust the color

Click spuare icon to adjust the color

Click to shift the interface

Scan two-dimensional code download APP

①Connect LED color strip and controller, power on controller

②Download APP

③Start APP, search and connect controller

④Enjoy the Bluetooth wireless control experience

Notes:

detailed operating instructions, enter the menu "Guide":

Product Paramters:

-Bluetooth:BLEV4.2

-Input Voltage:4.5~26V

-Working Temp:-25~75℃

-Size:43*22*11mm

-Weight:30g

-Max Power:144W(24V)

LED mobile phone Bluetooth controllerProduct Features

-LED Bluetooth controller is directly via mobilephone control remote distance can reach 20m without the need to setupeasy to connect open the software within 5 seconds you can automatically connect the controller

-Flow the rhythm of the music changes

-Group control

-Brightness, speed addition and subtraction

-Maximum can be 10 meters RGB(W)strip

-The software shows that the text is based onthe language of the mobile phone set up automatic transformation of Chinese and English

ANIMATION EFFECTS:

-Colorful gradient

-All kinds of monchrome, double color gradient

-All kinds of monochrome, double color, colorfull flashing

-Colorful jump

-Follow the thythm of the music chagnes
