Care Instructions

We do not recommend using harsh or abrasive cleaners at any time as they can damage product. Wipe surfaces gently with soft, dry cloth. If needed, you may use a lightly damp cloth with water only on base.

IMPORTANT SAFETY INSTRUCTIONS:

Always disconnect the power before installing or replacing bulb and before cleaning or other maintenance.

CAUTION:

This portable lamp has a polarized plug (One blade is wider than the other), as a safety feature to reduce the risk of electric shock. This plug will fit in a polarized outlet only one way. If the plug does not fit fully in the outlet, reverse the plug. If it still does not fit, contact a qualified electrician. Never use with an extension cord unless plug can be fully inserted. DO NOT alter the plug.
