

10 FEET CANTILEVER UMBRELLA ASSEMBLY MANUAL

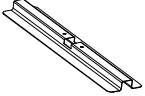

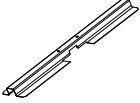

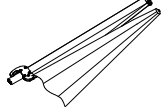

Assembly Instructions

- Prior to assembly, ensure that you lay out and identify all the parts listed in the parts list.
- Tighten all nuts and bolts securely. Hand-tighten all bolts before use. Avoid using power tools or applying excessive force during assembly and bolt tightening.
- If you encounter any difficulties during assembly or if any part is missing or damaged, please don't hesitate to contact our customer service team via email us.

Warning

- Ensure that the umbrella base is placed on a stable, level surface.
- The base should be secured with heavy objects to prevent tipping or movement.
- Remember to close the umbrella on windy or rainy days to avoid damage and ensure safety.
