

instruction for installation

1. Take out all lamp fittings and wear gloves.
2. Install the lamp holder and lamp holder on the pillar sphere as shown, and pay attention to the staggered installation of lamp holders A and B during installation.
3. After installing the lamp body, connect the lamp cap line with the main line.
4. Install the hanging plate on the ceiling, then connect the main line of the lamp body with the reserved wire of the ceiling, and install the ceiling suction plate. Fix it with flowers.
