

ELEVATE 50" RECTANGULAR PENDANT

DESCRIPTION

"Frozen Pages" conceptually marks the moments in life we wish we could freeze in time. Each "Frozen Page" is composed of two pieces of fused glass covered with a layer of crystal frit creating a frozen look. By fusing and slumping multiple forms of movement, "Frozen Pages" appears to drift through a room creating flow and interest. Illuminated from a silver leaf canopy and suspended by adjustable cables. This American handmade rectangular fixture features 12 glass "Pages" and is ideal for low ceilings. Shown in a "horizontal" design.
