

# Assembly Instructions

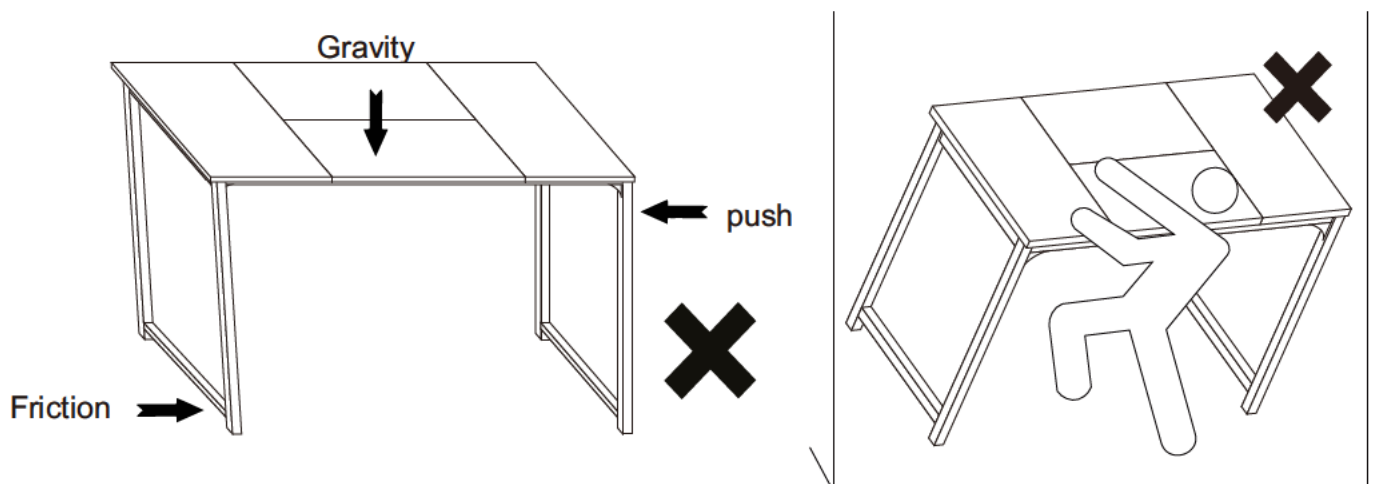

We recommend using hand tools for assembly.

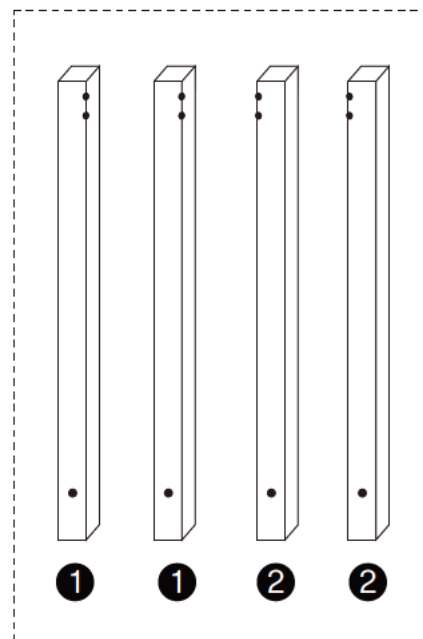

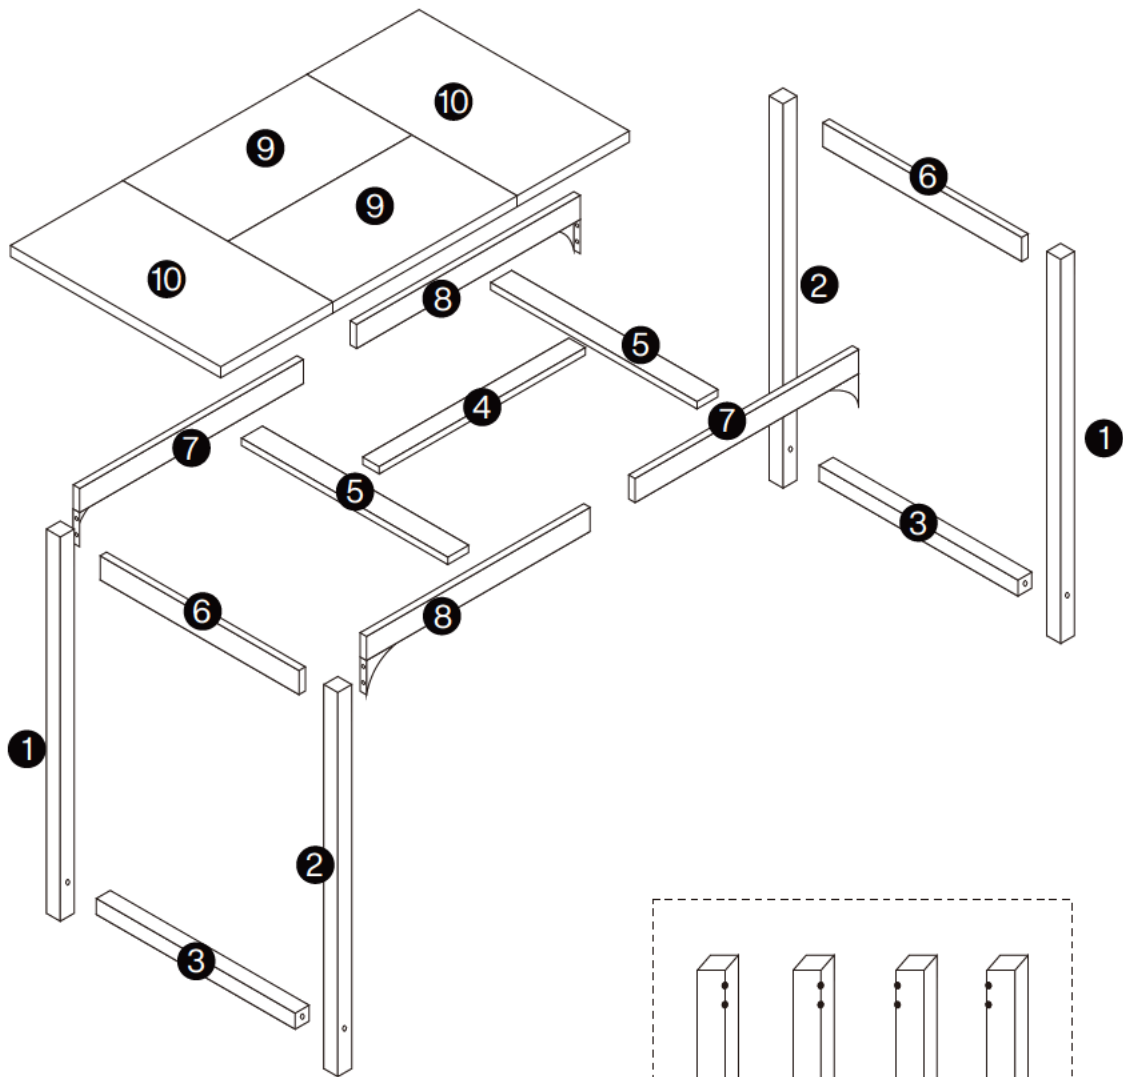

If an electric screwdriver is used, reduce power and torque to avoid damage to the product.

## Install the Anti-Tip Straps

Using the anti-tip straps can reduce the risk of tipping over, but can not eliminate it.

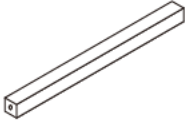

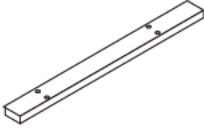

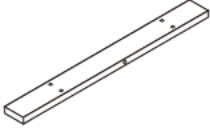

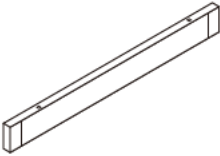

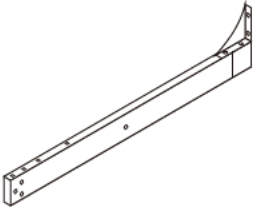

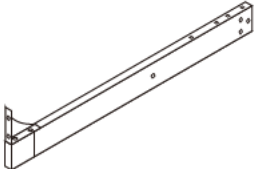

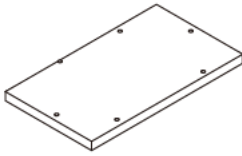

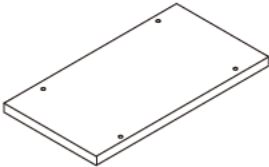

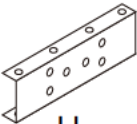

# **⚠ Caution**

Make sure all parts are included. Most board parts are labeled or stamped on the raw edge. Contact us for a free replacement if you encounter any damaged or missing parts.

2

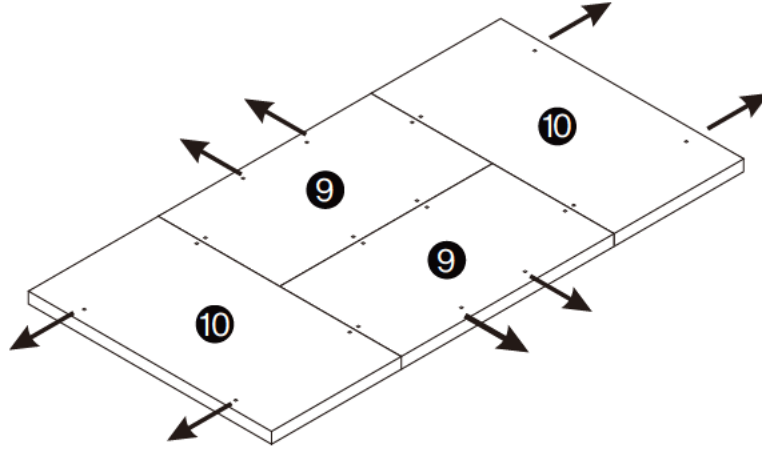

Friendly Tips :To facilitate the installation of the tabletop,do not fully tighten all screws until assembly is completed.

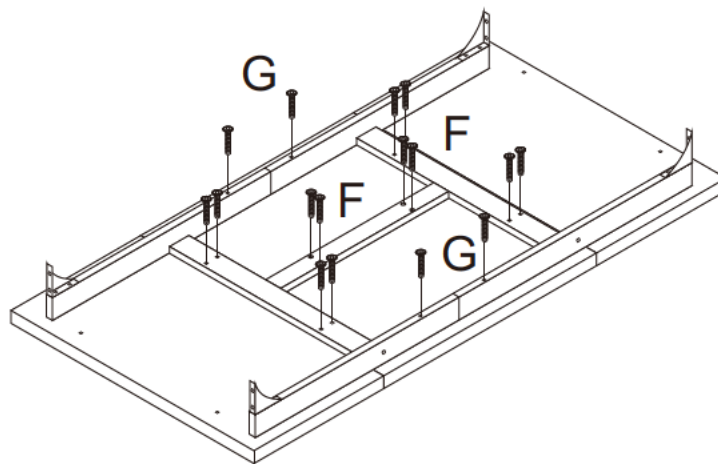

3

Friendly tip: the corresponding hole distance at the 9 #, 10 # connection is relatively small. The outer margin is relatively larger.

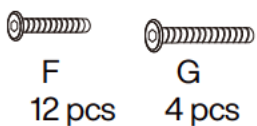

The larger side of the desktop hole away from the edge is mounted on the outside

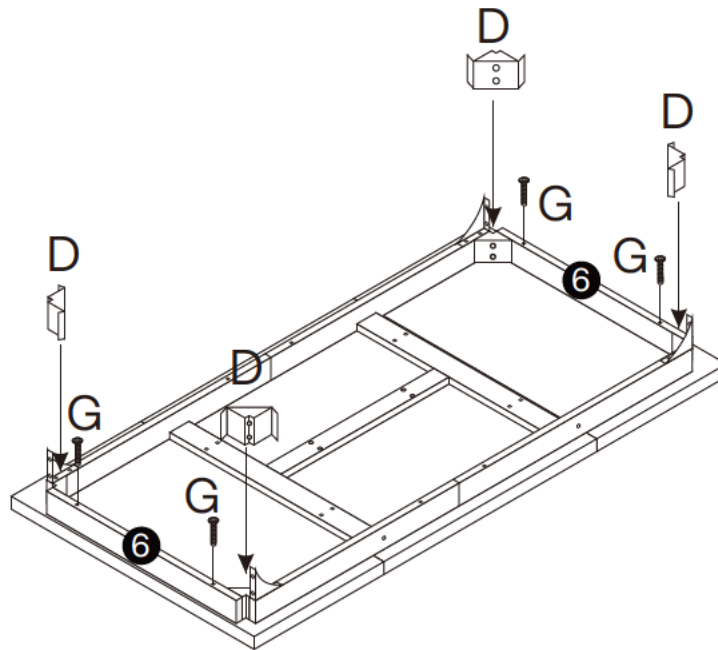

4

Friendly Tips: Do not fully tighten all screws until assembly is completed.
