Overall: 40"h x 40"w x 1.25"d

Finish: Natural/Mirror

Materials: Abaca Rope/Engineered Hardwood/Glass

Availability: In Stock

Item Weight: 34 lb

The porthole-shaped mirrored glass in the Tisbury Large mirror will bring a hint of the nautical to any décor, calling to mind lazy days spent meandering over open waters. The mirror is surrounded by dexterously placed rows of rope made of Abacá fibers. It is also sturdy, made as it is of engineered hardwood. This decorative mirror will bring a beach-loving feel indoors. We also offer it in a smaller mirror.
