

Installation manual

Installation instructions:

1. Check the materials first.
2. Take out the metal tube(P10) from the lampholder(P12).
3. Thread the metal plate(P11) onto the lampholder(P12), then fix with metal tube(P10) until tight.
4. Screw the lifting rings and center rod(P9) into the nipple of the lampbody(P13) and tighten it.
5. Black wire from ceiling(junction box)attaches to "L" wire from the fixture.
6. White wire from ceiling(junction box)attaches to "N" wire from the fixture.
7. Install the "E" wire of the lampbody on the mounting bracket(P1) and connect it to the junction box.
8. Fix the mounting bracket(P1) on the junction box with screws(P2).
9. Fix the canopy loop(P3)to screw tube, then cover the canopy plate(P4) and fix it by canopy ring(P5).
10. Adjust the position of each lamp arm.
11. Install the bulbs(not included)into the lampholder(P12).
12. Turn on the power and light up.

PARTS LIST

part	picture	Description	Qty	Check list
