

Installation process

WARNING!

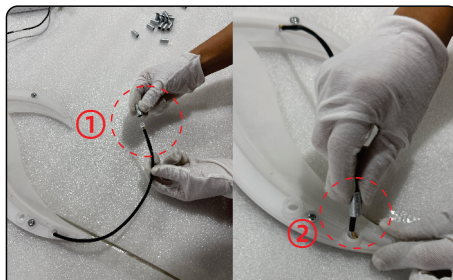

Installation must be carried out by certified professionals. Users are not allowed to install it themselves!

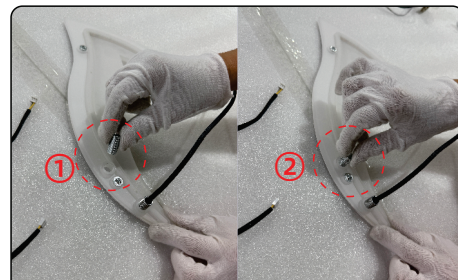

1. Power off before installation.
2. Installation must be done by qualified personnel.
3. Ensure the mounting surface is structurally solid.
4. Use only original mounting parts.
5. Tighten all fan blades before powering on.

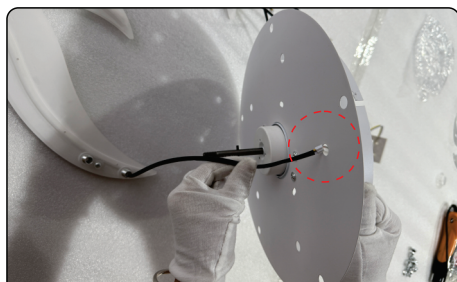

- 01** Check whether all accessories are complete.

- 02** Pass the threaded tube screw through the lamp holder wire and tighten it.

- 03** Align the threaded tube screw with the screw hole and tighten; install the remaining lamp holders in the same way.

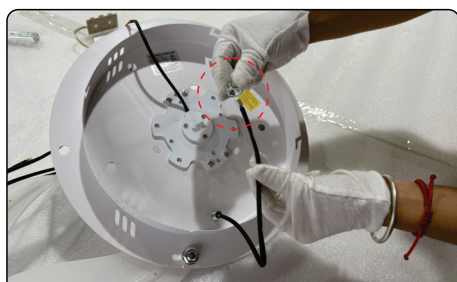

- 04** Pass the lamp holder wire through the screw hole on the base plate.

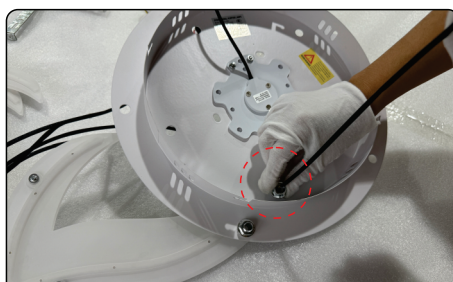

- 05** Align the nut with the threaded tube screw.

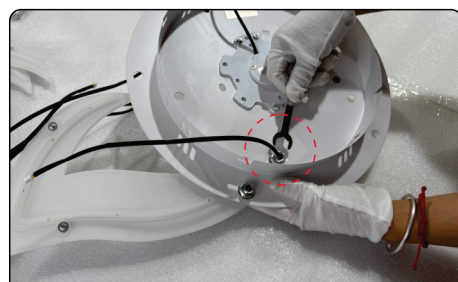

- 06** Tighten the screw.

- 07** Pass the nut through the lamp holder wire.

- 08** Tighten the nut.

- 09** Use a wrench to tighten.

- 10** At the grounding mark, pass the grounding ring through the lamp holder wire.

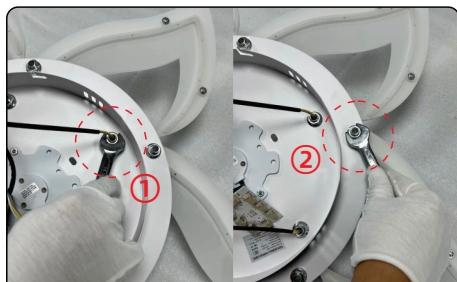

- 11** Pass the nut through the lamp holder wire.

- 12** Tighten the nut.

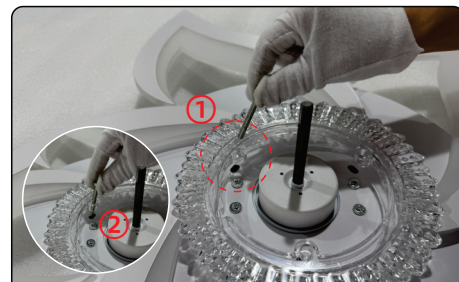

Installation process

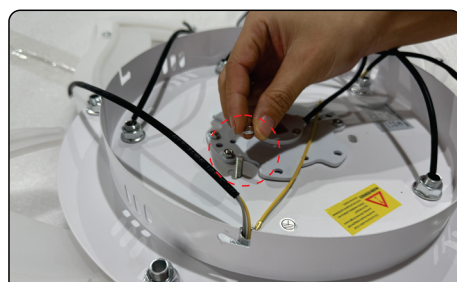

13 Use a wrench to securely tighten the nut.

14 Align the screw holes of the decorative cover with those on the base.

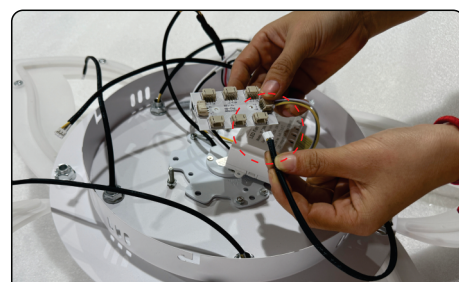

15 Insert the screw.

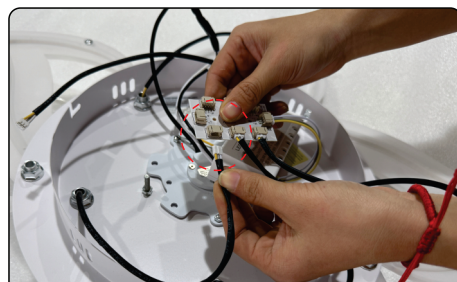

16 Screw on the nut.

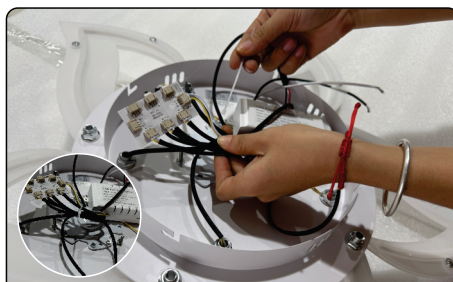

17 Tighten the remaining screws one by one.

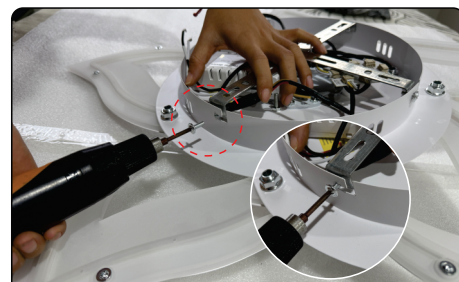

18 Insert the lamp holder wires into the terminal block.

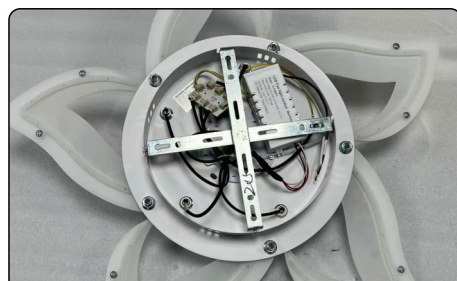

19 Insert all lamp holder wires one by one.

20 Use a cable tie to bundle the wires together.

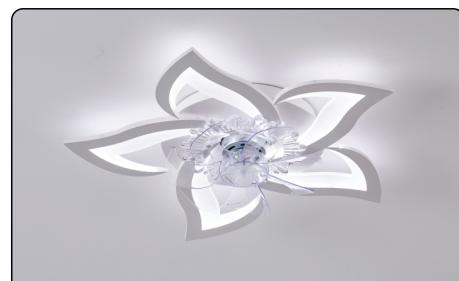

21 Install the mounting plate and secure it with screws.

22 Tighten the four side screws one by one.

23 Install the fan blades and tighten the blade caps.

24 Installation completed. Test with temporary power first, then connect to mains power and mount to the ceiling.

Notice:

1. Turn off the power before installation. Do not cover the lamp body or obstruct heat dissipation. Do not use in humid areas (such as bathrooms). Keep this product away from children. Do not disassemble or repair it without authorization.

2. This product is classified as electrical and electronic equipment and must not be disposed of as household waste. Please take it to an authorized recycling facility in accordance with local regulations. Proper disposal helps protect the environment and prevents potential health risks.
