

HUTCHINS BENCH

FH111

Deep Russet Leather

H: 18.5 IN

W: 60 IN

D: 18 IN

Strands of leather in a deep russet hue are intricately woven around a waterfall bench of natural oak wood. Inspired by a braided horse's mane, the rhythmic pattern is repeated along each side and secured with antique brass nail heads. The underside of this stylish bench is clad in matching leather. Leather will vary.
