ASSEMBLY INSTRUCTION

STEP-2 Feed the fiberglass poles fully through the fabric sleeves located on the sides of the hitting net. Once threaded, align and insert the end of each fiberglass pole into the corresponding socket on the assembled base iron pipes.

STEP-3 Connect the two remaining ends of the top iron pipes to complete the top frame assembly.

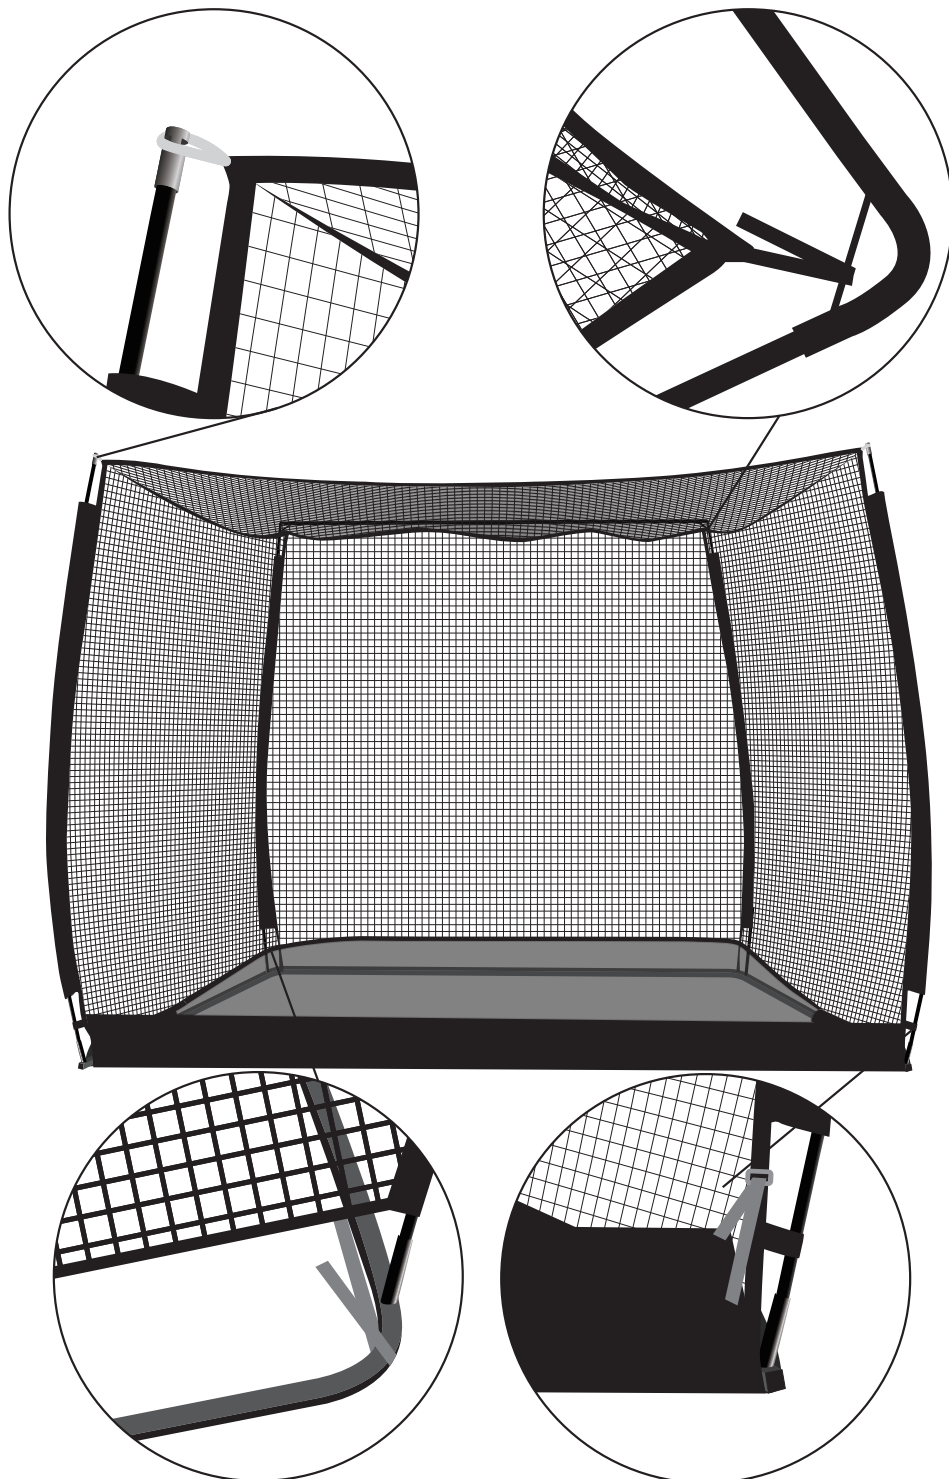

STEP-4 Lift the hitting net upward and position it so that it hangs securely from the assembled top iron pipes.

NOTE ON ASSEMBLY SEQUENCE:

First, secure the two drawstrings at the front top of the net over the fiberglass poles. Then, fasten the hook-and-loop fasteners at the rear top of the practice net to the iron frame.

Next, secure the hook-and-loop fasteners at the rear bottom of the practice net to the iron frame. Finally, thread the two hook-and-loop fasteners at the front bottom of the practice net through the buckles, then stick them together.

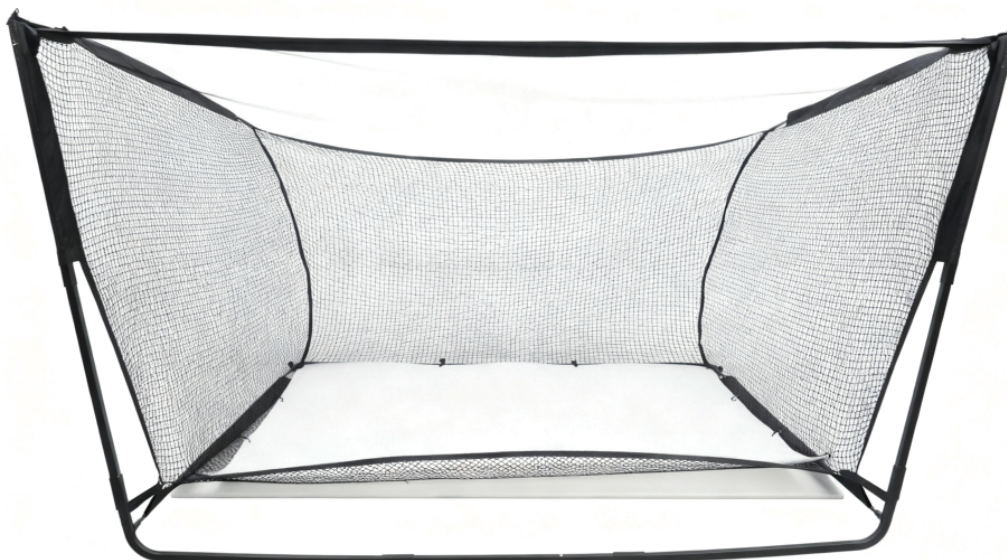

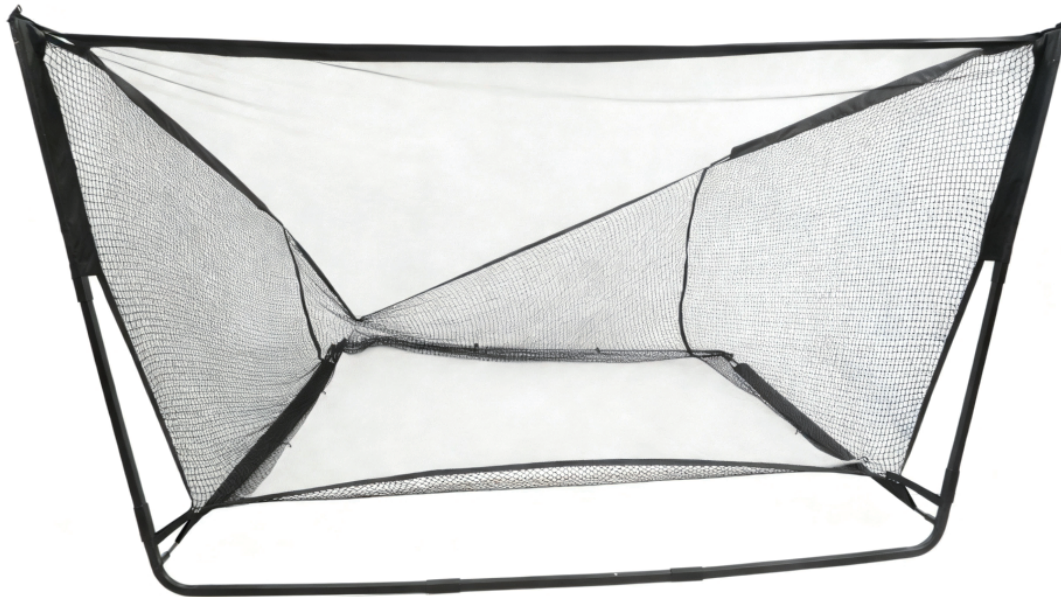

STEP-5 INSTALL THE SIMULATOR SCREEN

Connect the top of the screen to the top of the practice net using ball bungees.

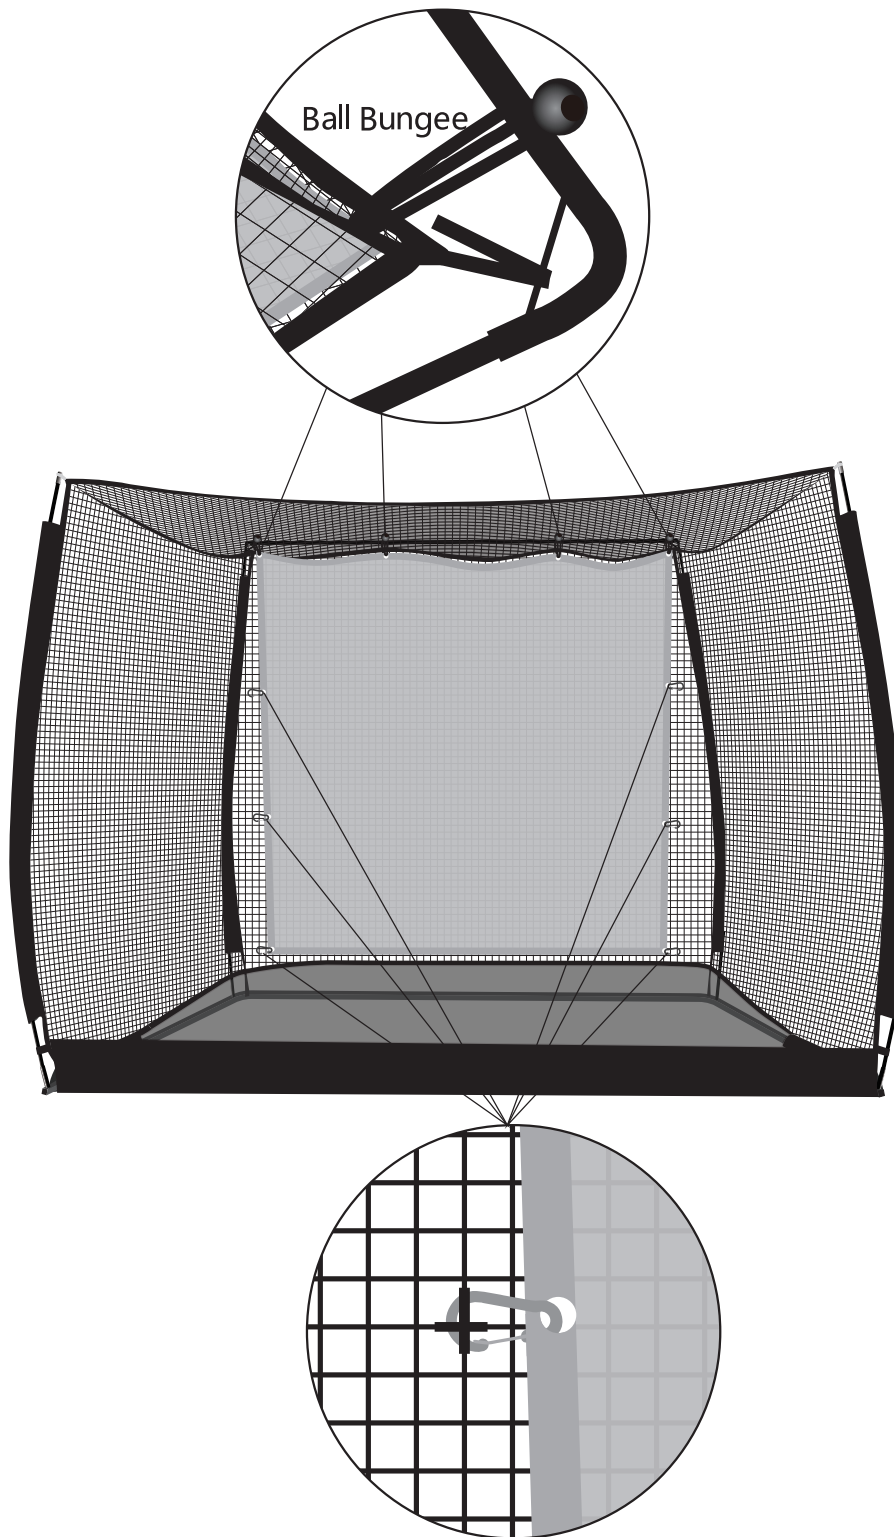

Connect the sides of the screen to the sides of the practice net with carabiners.

RECOMMENDATION: Lay the practice net down in the direction as shown below.

CARE AND MAINTENANCE

CAUTION-ASSEMBLY:

- The KULAMOON Golf practice net should only be assembled and disassembled by adults. Tent poles hold tension to support the net when fully assembled. Caution should be exercised when assembling and disassembling the net to ensure poles do not snap out causing injury.

CAUTION-USE:

- KULAMOON is not responsible for any property damage or injuries due to an unsafe setup (e.g., setting up the net in front of windows, property, damageable goods, or persons), using a worn out net, or errant shots. Immediately stop using the product if any parts break or the net develops any holes and contact kulamoon at kulamoonyes@outlook.com for replacement parts. Only to be used by 1 person at a time and ensure the hitter is clear of people or obstacles before swinging a club. Do not stand too close to the target where your club may hit the net or frame, but be aware of errant shots that may miss the target (above or to the sides). KULAMOON is not responsible for any damage or injuries arising from errant shots that miss the target. For use with golf balls only.
