SOPAPETS

# BEFORE YOU START

Thank you for choosing our Sopapets cat tree! We designed this product with your cat's comfort and safety in mind, and we hope it becomes your furry friend's favorite spot for napping, playing, and watching the world go by.

## Product Highlights:

**Extra-Large Platforms:** Designed to provide ample space, especially for big cats.
**Luxurious Comfort:** Covered in premium faux fox fur for a soft and elegant touch.
**Healthy & Durable:** Made with natural solid wood for a safe and long-lasting structure.
**Super Stable:** Features a heavy-duty base to ensure the tree remains steady during play.
**Easy to Clean:** Pads are attached with Velcro, making them simple to remove and wash.
**Play & Scratch:** Multi-level design with hanging jingle balls and natural sisal posts to release your cat's energy.

To ensure a smooth and safe assembly, please take a moment to review the parts list and follow the steps below carefully.
All necessary installation tools are included in the package. If you have any questions, our customer support team is always here to help.

# FINAL CHECK

## Ready to Enjoy?

Before letting your cat explore their new home, please do a quick **safety check:**

**Stability Test:** Give the tree a gentle shake to make sure all connections are tight and sturdy.
**Placement:** Place it on a flat, stable surface to prevent tipping.

## Care & Maintenance

**Fabric Care:** To preserve the soft texture of the faux fur, please do not machine wash it. For non-removable fabric parts, simply use a vacuum cleaner or dry cleaning foam for spot cleaning. Thank you for your understanding and support.

**Solid Wood Care:** Wipe with a dry or slightly damp soft cloth. Avoid using soaking wet cloths or chemical cleaners.

# ASSEMBLY GUIDE

SOPAPETS

## Step 1: The Base ⑤ and Short Post ②

**Tip: Base is heavy. Prop it up for easier access (e.g., on the product box).**

**1.Orientation:** Place the Base ⑤ with the Sopapets Logo facing you.

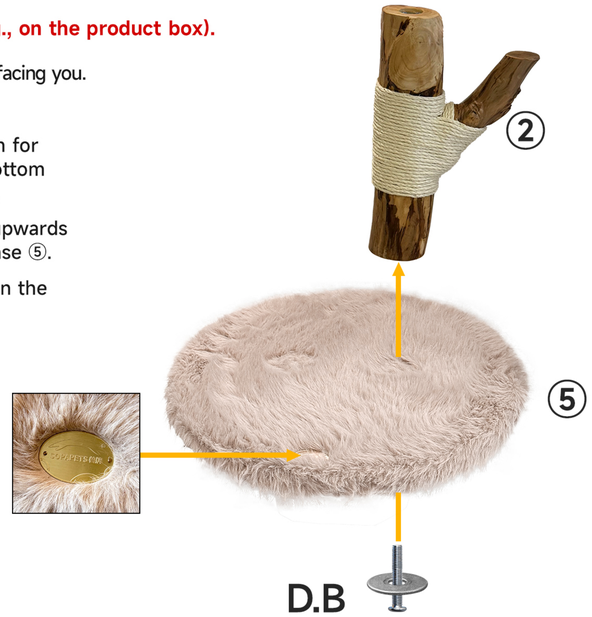

**2.Prepare Screw:** Place Washer D on Screw B.

**3.Align Post ②:** Refer to the finished product diagram for the correct orientation. Align the screw hole at the bottom of the Post ② with the right-side hole on the Base ⑤.

**4.Insert Screw:** Insert the Screw B (with Washer D) upwards through the right-side hole from the bottom of the Base ⑤.

**5.Tighten:** Use the provided Allen Key (M10) to tighten the screw until it cannot be tightened any further.

## Step 2: The Base ⑤ and Long Post ①

**1.Orientation:** Keep the Base ⑤ propped up.

**2.Prepare Screw:** Place Washer D on Screw B.

**3.Align Post ①:** Refer to the finished product diagram for the correct orientation. Align the screw hole at the bottom of the Post ① with the left-side hole on the Base ⑤.

**4.Insert Screw:** Insert the Screw B (with Washer D) upwards through the left-side hole from the bottom of the Base ⑤.

**5.Tighten:** Use the Allen Key (M10) to tighten the Screw B until it is snug, **but do not fully tighten it yet.**

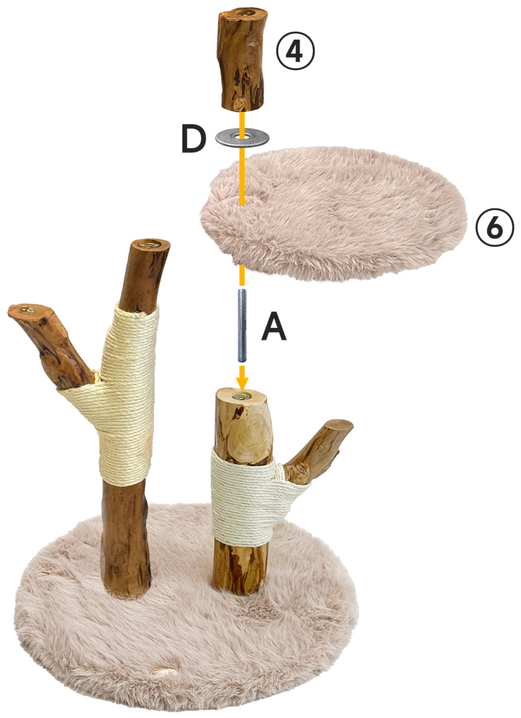

## Step 3: The Perch ⑥

**1.Insert Screw:** Screw Screw A into the top hole of Post ② until tight.

**2.Attach Perch ⑥:** Insert the Screw A through the hole on the side of the Perch ⑥, then place Washer D on it.

**3.Attach Post ④:** Align a hole on Post ④ with the Screw A, rotate Post ④ until fully tightened.

## Step 4: The Oversized Platform ⑦

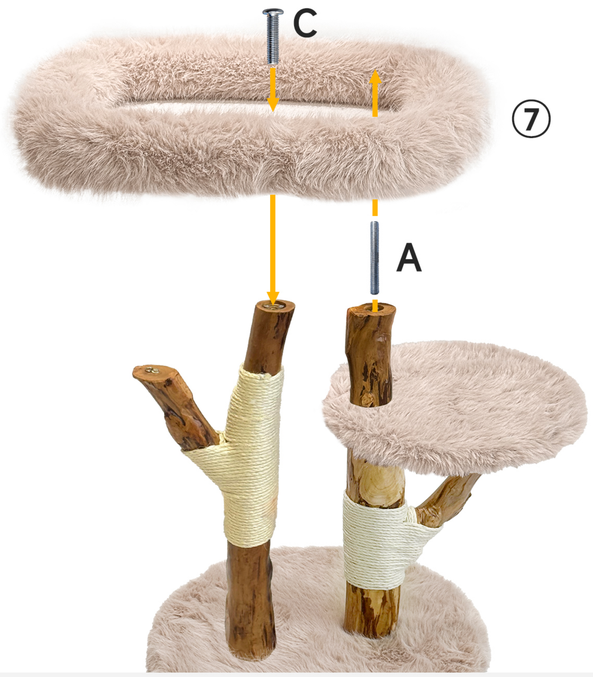

**1.Prepare Post ④:** Screw Screw A into Post ④ until tight.

**2.Attach Platform ⑦:** Insert the Screw A through the slotted hole on the Platform ⑦. Align the center hole of the Platform ⑦ with the top hole of the Post ①.

**Tip: If the center hole do not align, slightly rotate the Post ① until they line up.**

**3.Secure Center:** Insert Screw C through the center hole and tighten fully.

**4.Secure Post ①:** Secure the Screw B under Post ①

**Steps continue on the back**

SOPAPETS

## Step 5: The Top Perch ⑧

**1.Attach Post ③:** Align a hole on Post ③ with Screw A, rotate Post ③ until fully tightened.

**2.Attach Top Perch ⑧:** Align the center hole of Perch ⑧ with the top hole of Post ③. Secure with Screw C and tighten fully.

## Step 6: The Velcro Pads ⑫ and Cushions ⑩ ⑪

**1.Apply Round Velcro Pads ⑫ :** Apply the Velcro Pads ⑫ to the surface of Perch ⑧ and the surface of Platform ⑦ as needed.

**Tip: To keep your Velcro sticky, please make sure you are happy with the position before pressing it down firmly. Re-sticking may reduce the adhesion.**

**2.Place Cushions:** Place Cushion ⑩ and Cushion ⑪ into the Perch ⑧ and Platform ⑦ respectively.

## Step 7: The Toy Balls

**1.Hang Toys:** Hang the two toy balls ⑨ on the tip of the branch of the Post ① and under the Perch ⑧.

## Installation Complete Product Display

**Note:** Due to the natural materials used, slight variations in color and branch shape may occur. Product appearance is for reference only.
