INSTALLATION PROCEDURE

Step 1: Flip seat (A) to the bottom and use scissors to cut the cable ties to remove the small carton. Note: The white cable ties for fixing the power cord do not need to be cut. Only the black cable ties need to be cut.

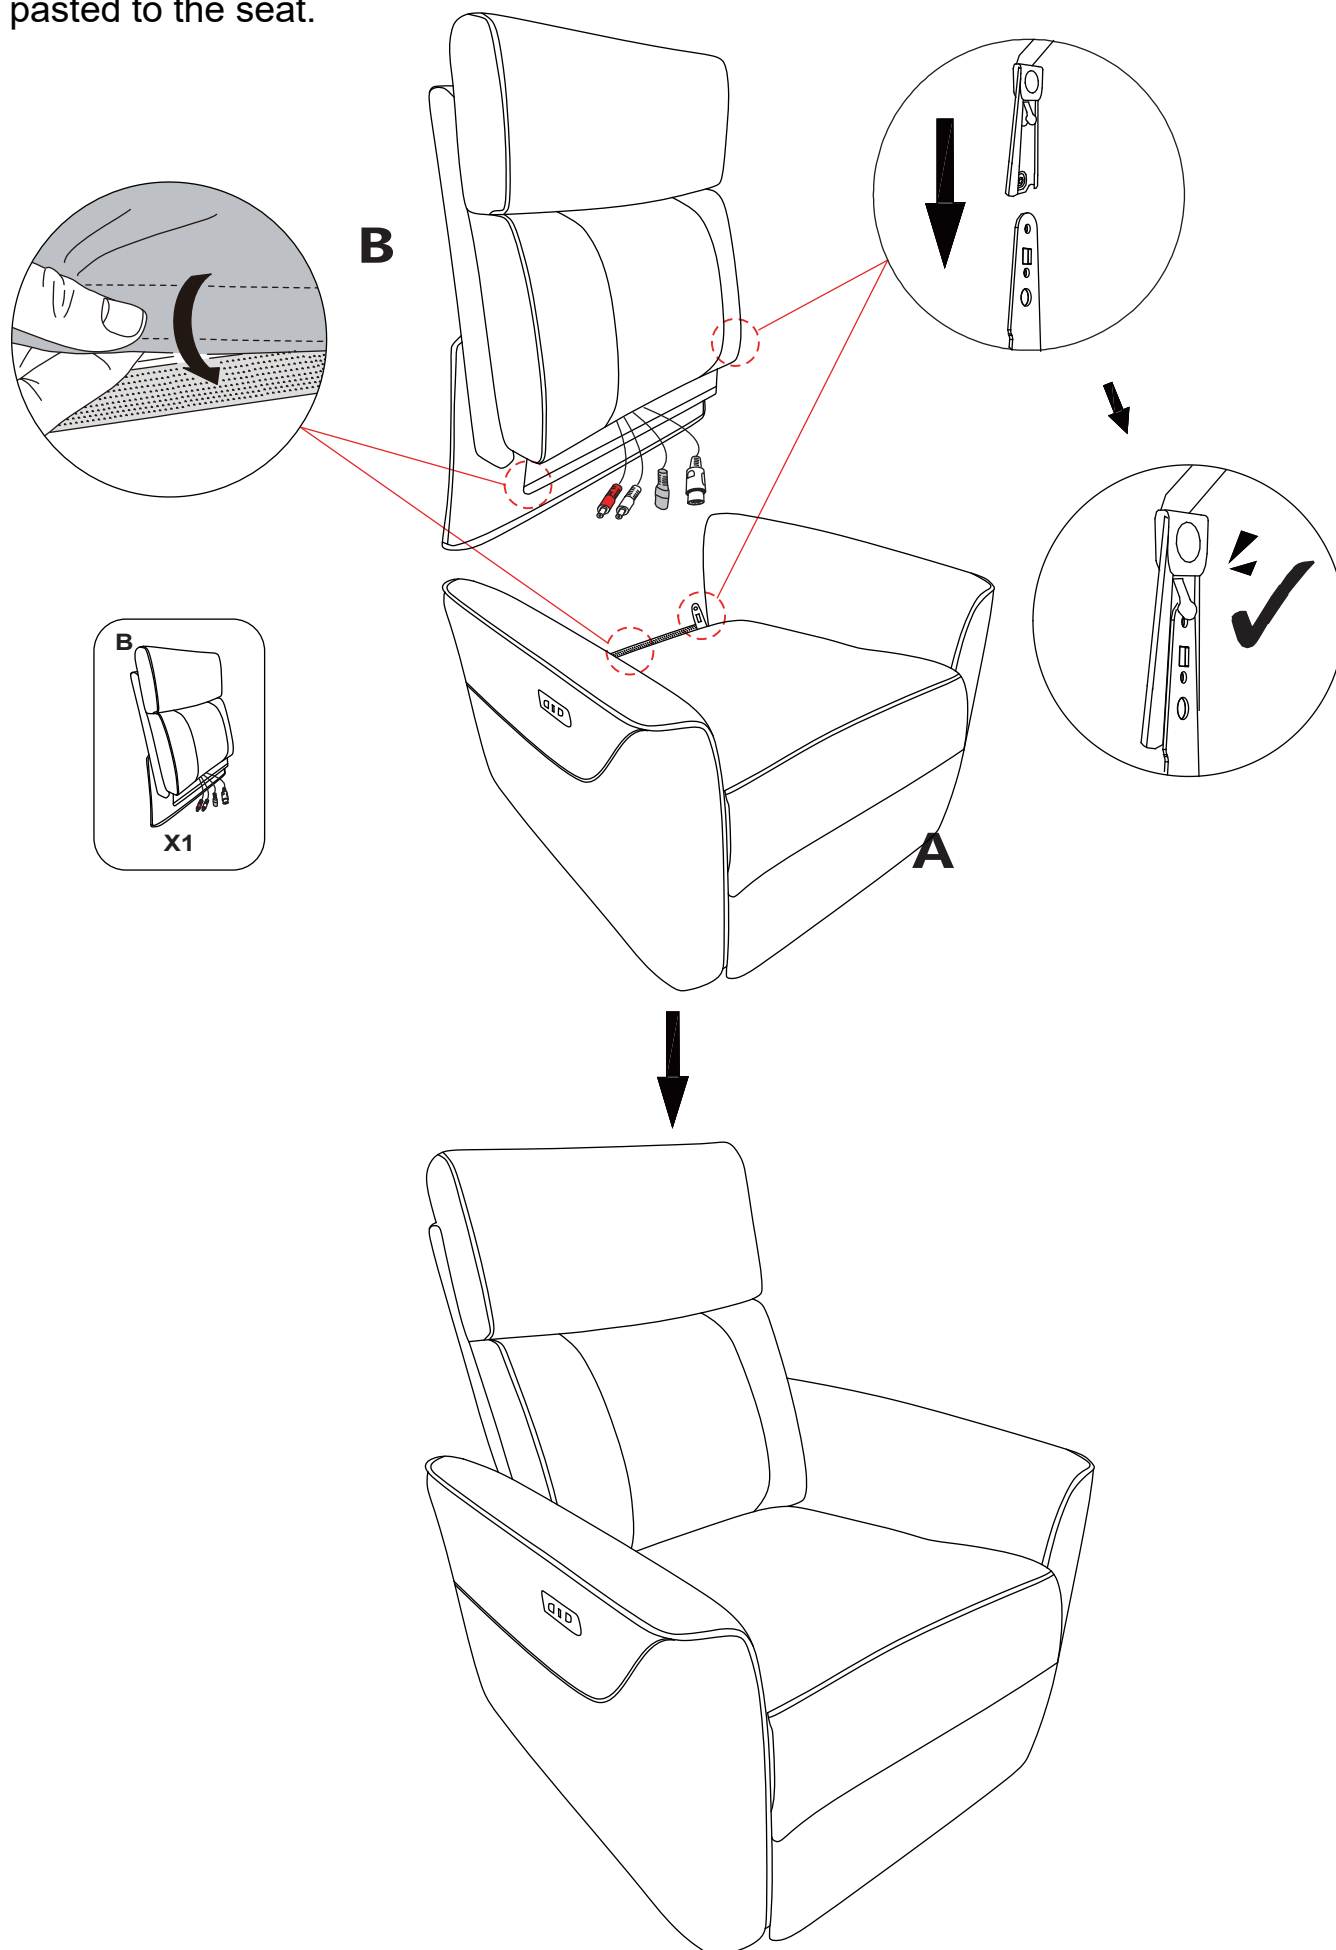

Step 2: Press the inside inserts of both armrests (C&D) from the top down into the inserts on either side of the seat.

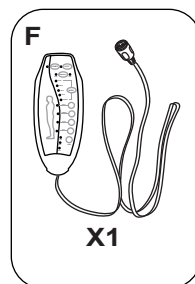

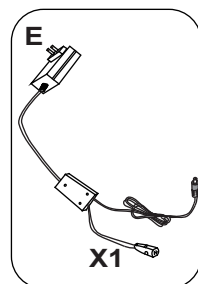

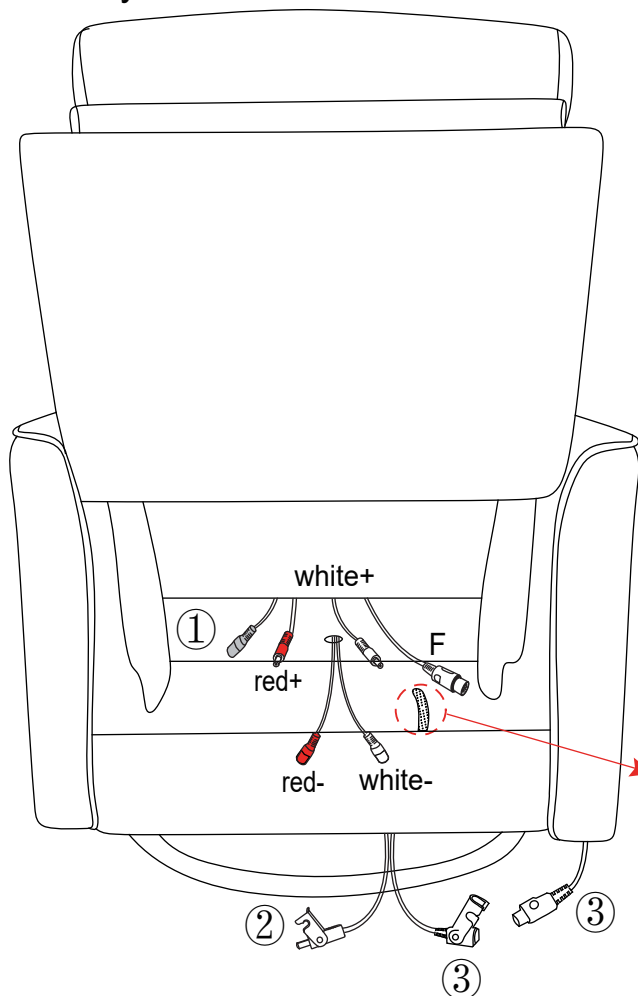

INSTALLATION PROCEDURE

Step 3: Press the bottom insert of the backrest (B) into the insert above the seat (A) from the top down. Note: The short adhesive cloth under the insert should be well pasted to the seat.

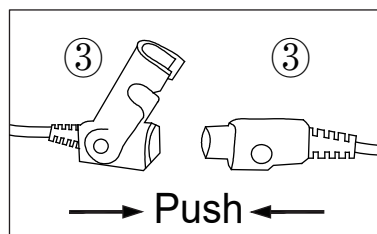

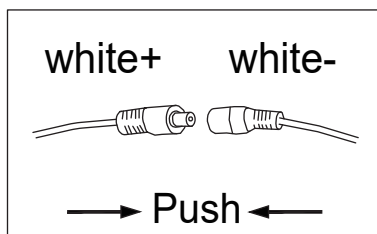

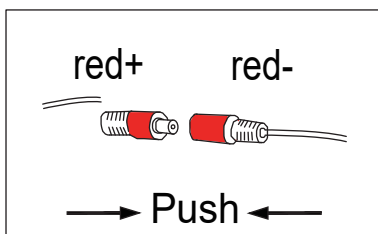

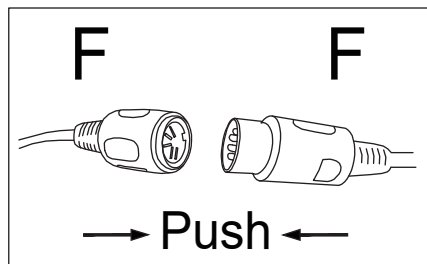

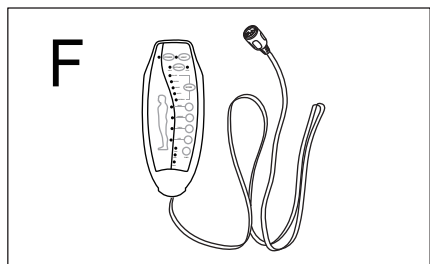

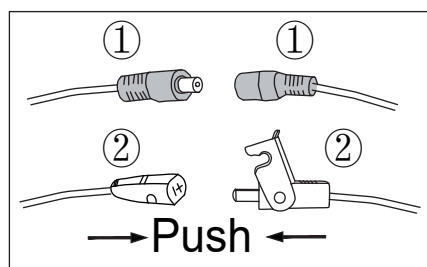

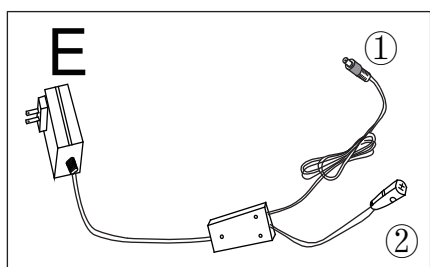

INSTALLATION PROCEDURE

Step 4: Find adapter and remote in the box under chair. Connect the power cord with the same color as the backrest and seat according to the following diagram. Note: The two ends of the adapter (E) are connected to the backrest power cord and the seat bottom power cord respectively.

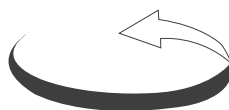

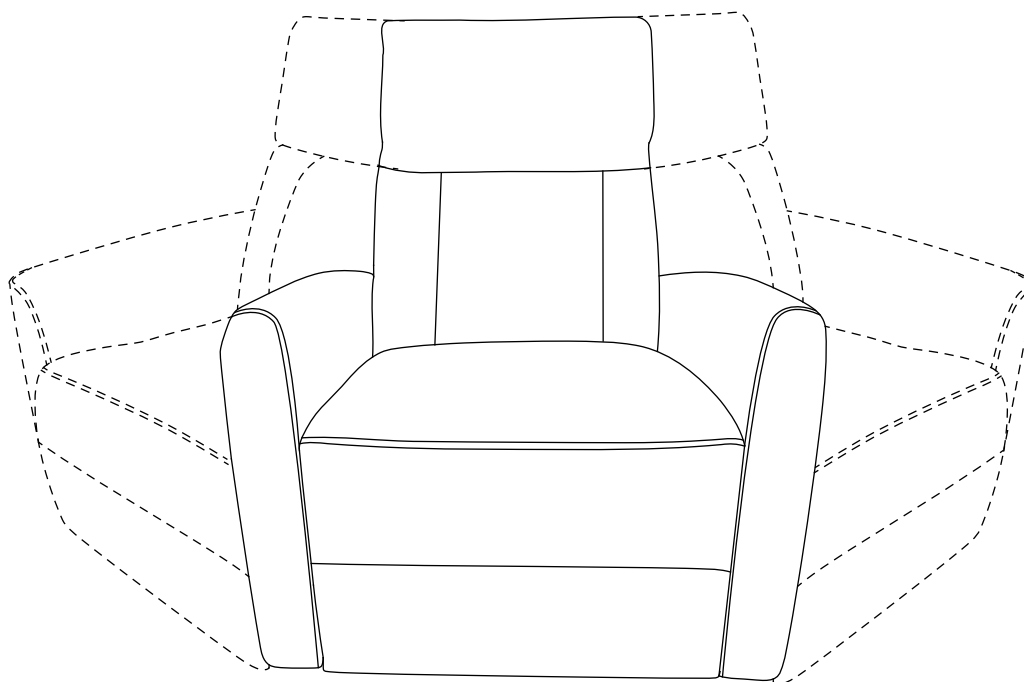

After completing all the power cord connections, use Velcro to bind all the wiring together.

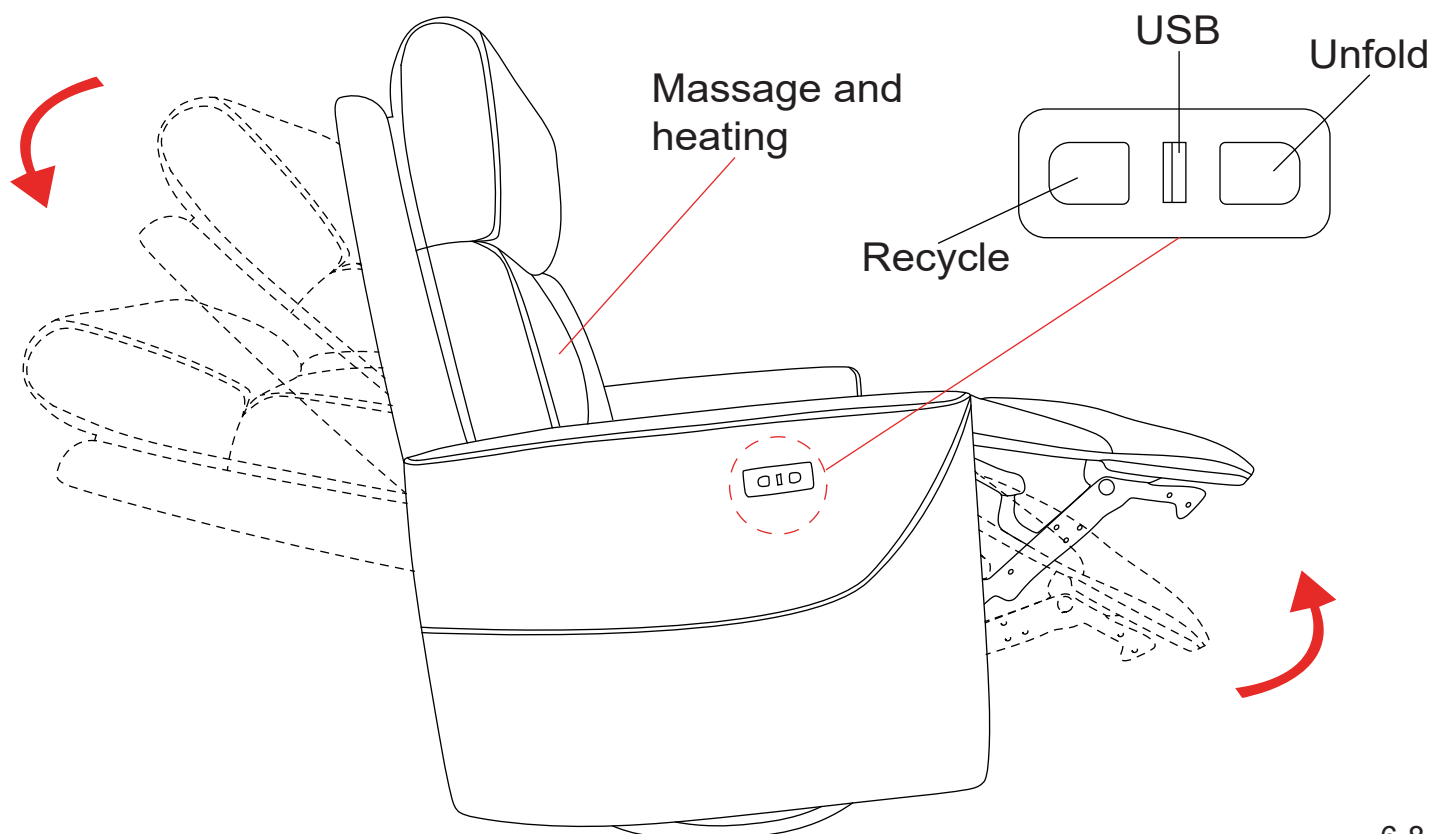

INSTALLATION PROCEDURE

Step 5: The bottom disk allows the sofa to rotate from side to side and rock back and forth.

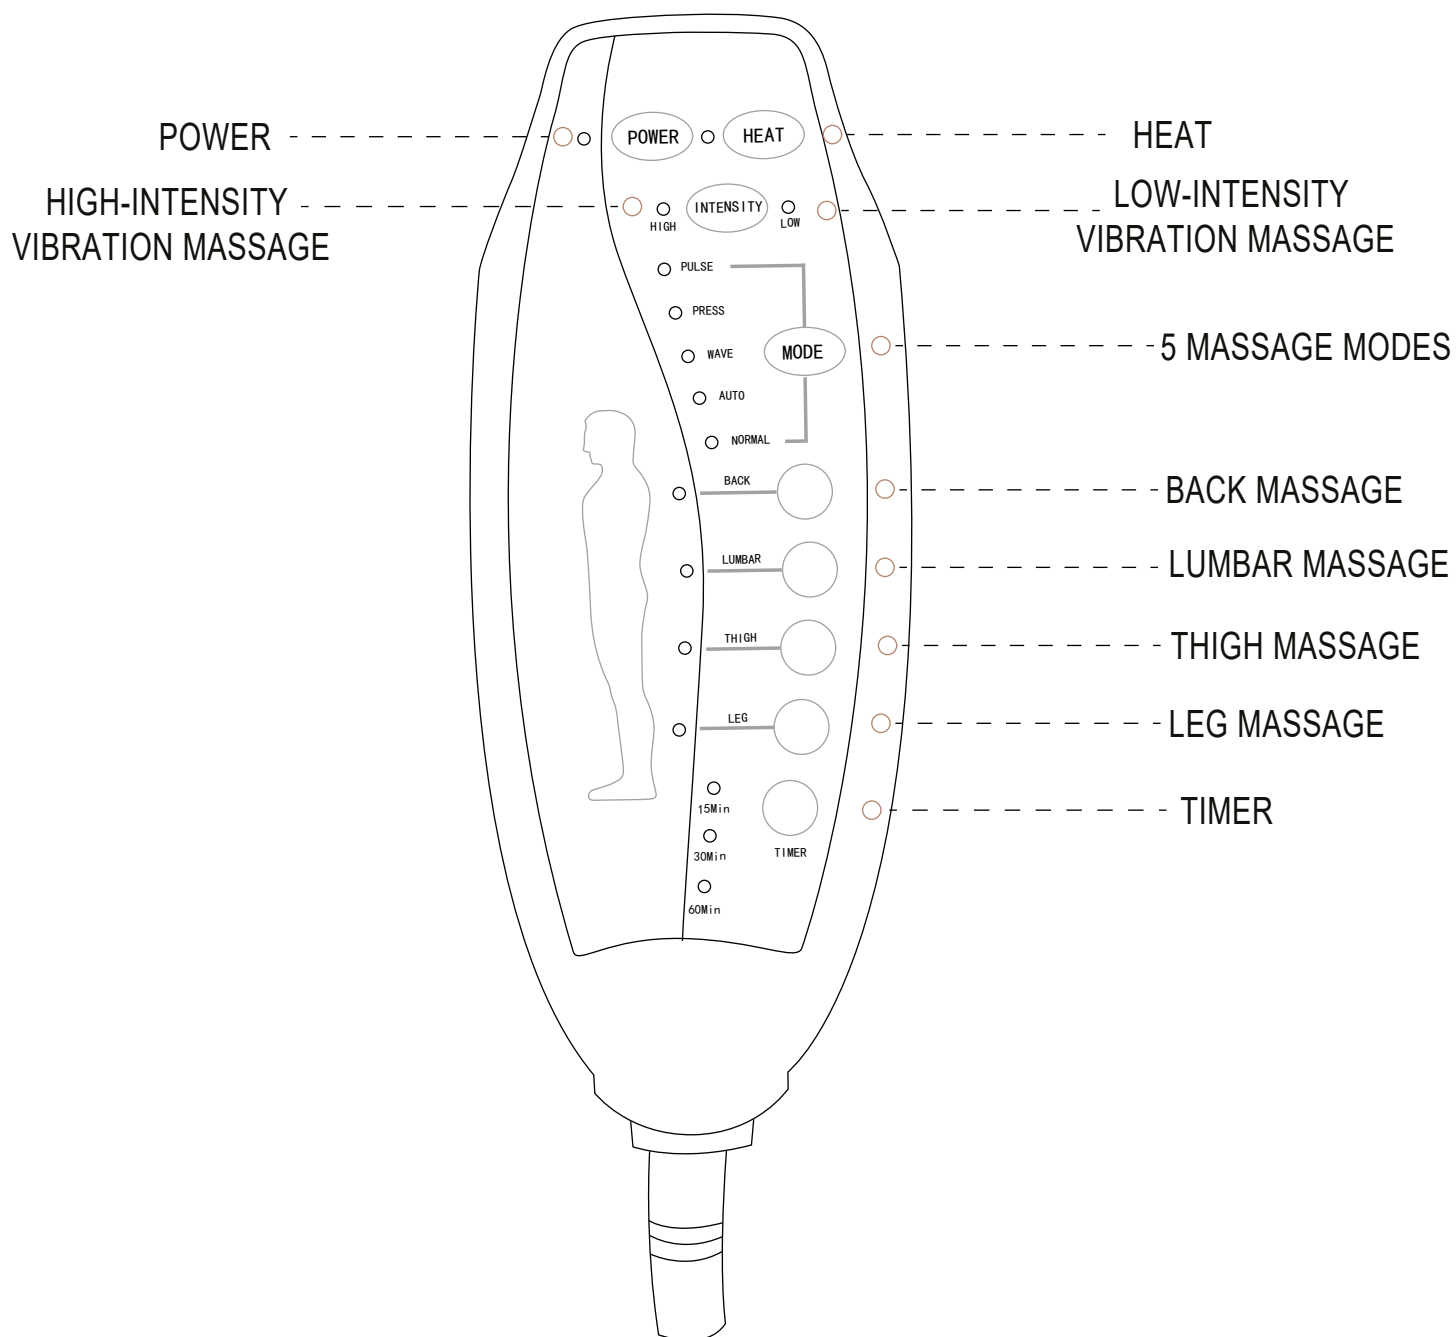

Rotatable

Step 6: The backrest and footrest of the sofa can be unfolded, and can be adjusted by pressing the buttons on the armrest.

Step 7: The backrest massage and heating functions need to be operated through the hand controller (G).
