## Signature Features

### 44 Wine Bottle Storage Capacity

Enjoy this wine center with plenty of space to store all your favorite red and white wines, with three full-width and one half-width wooden shelves.

### Dual Zone Wine Fridge

The dual zone beverage center has two distinct zones that maintain temperatures between 41 and 61°F, keeping both red and white wines at the perfect serving temperature.

### Wine Center With Glass Door

A striking edge-to-edge glass finish door creates an easy-to-clean, stylish look for your kitchen or bar area.

### Triple Pane Glass Door Wine Fridge

The triple pane glass door improves temperature stability, reduces condensation and enhances energy efficiency compared to a double pane glass door.
