If you're missing parts, contact us for replacements at (800) 323-5565 or send an email to Support@sevilleclassics.com

Assembly Instructions

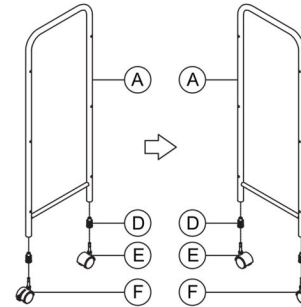

STEP 1. Attach Casters

Make sure the indented channels on each SIDE FRAME (A) face inward and each other.

Insert the SLEEVES (D) into the bottom poles of each SIDE FRAME (A).

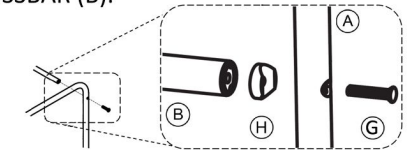

Insert CASTERS (E) and LOCKING CASTERS (F) into the SLEEVES (D).

Repeat for other SIDE FRAME (A).

STEP 2. Attach Crossbars

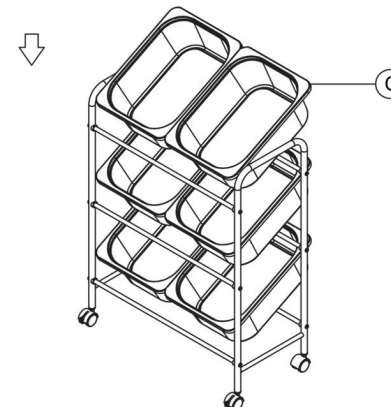

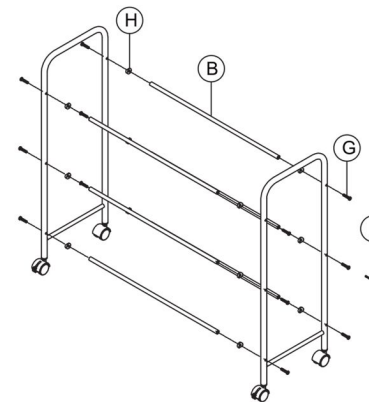

Insert a WASHER (H) between SIDE FRAME (A) and CROSSBAR (B).

Make sure the flat side of the washer is touching the crossbar and the curved side of the washer is touching the side frame.

Insert the SCREW (G) through the outer hole of the SIDE FRAME (A), through the WASHER (H) and into the CROSSBAR (B). Tighten the screw using the ALLEN WRENCH (I).

Repeat the step for the remaining crossbars and screws.

STEP 3. Place the Bins on the Organizer

Place the BINS (C) onto the CROSSBARS (B) as shown in the picture on the left.

We hope you enjoy your new organizer cart.
