

JETSON

052

Materials: White Oak veneers & solid hardwoods

Finish: Finish is a relaxed warm honey tone with light glaze over wire brushed oak.

Inspiration: These casual occasional tables are inspired by retro design, simple lines and sculptural curves to mix and match well in a traditional and contemporary environment.

Number of Pieces: 5

Description: Jetson has rounded mouldings and solid mitered corners with open spaces for shelf storage provided throughout the group. The rectangular coffee table has an under top pullout shelf with black laminate surface and is casters for ease of movement. The end table and chairside have shelf storage. The bar console with upholstered counter height stools provides versatility. Performance fabric on the stools adds cleanability and durability
