support@garvee.com

Respond within 24 hours

Issue resolved

**THIS INSTRUCTION BOOKLET CONTAINS IMPORTANT SAFETY INFORMATION.
PLEASE READ AND KEEP FOR FUTURE REFERENCE.**

Thank you for purchase on our products. Please contact us if you have difficulty with assembly or need replacement parts. Our customer service is here to assist you. Please attach your User Name or Order ID so that we can assist you better.

WARNING

Serious or fatal injury may occur from unexpected assembly or use.

1. During the assembly process, keep all parts away from babies or children.
2. Always securely fix this product to the wall. Make sure the wall area to be drilled is free from hidden electrical wires, water and gas pipes.
3. Use of tip-over restraints may only reduce, but not eliminate the risk of tip-over.
4. Unless specially designed to accommodate, do not set heavy objects on top of this product.
5. Place the heaviest items on the lowest drawers or shelves.
6. Never allow children to climb or bang on drawers, doors or shelves.

WARNING	
	Children have died from furniture tip-over. To reduce the risk of furniture tip-over: - ALWAYS anchor the anti-tip device to the wall. Installation is MANDATORY. - DO NOT set TVs or other heavy objects on top of this product. - NEVER allow children to stand, climb or hang on drawers, doors, or shelves. - NEVER open more than one drawer at a time. - Place the heaviest items in the lowest drawers.

Step 17

Step 18

E×2

L×4

O×2

Use the paper sticker (L) to cover the screw and cam holes if needed

Tighten screw **F** fully

To reduce the risk of furniture tipping over, you **MUST** anchor this item to the wall securely by following the steps below:

- 1) Place this unit in your desired location. Use a pencil to make a small mark on the solid wall through holes on wall bracket (G).
- 2) Move the unit away and drill holes in the solid wall at the pencil marks.
- 3) Screw the wall anchor (O) into the wall holes.
- 4) Place the unit against the wall and fix the screw (E) through the wall bracket (G) into the wall anchor (O).
