PRODUCT DESCRIPTION

The cushion covers are made from a water-resistant cotton-blend fabric. It provides a comfortable seat while effectively shedding light moisture and being easy to clean.

The set embodies a modern and simple style. The matching design of the chairs and side table creates a unified, contemporary look for your patio or garden.

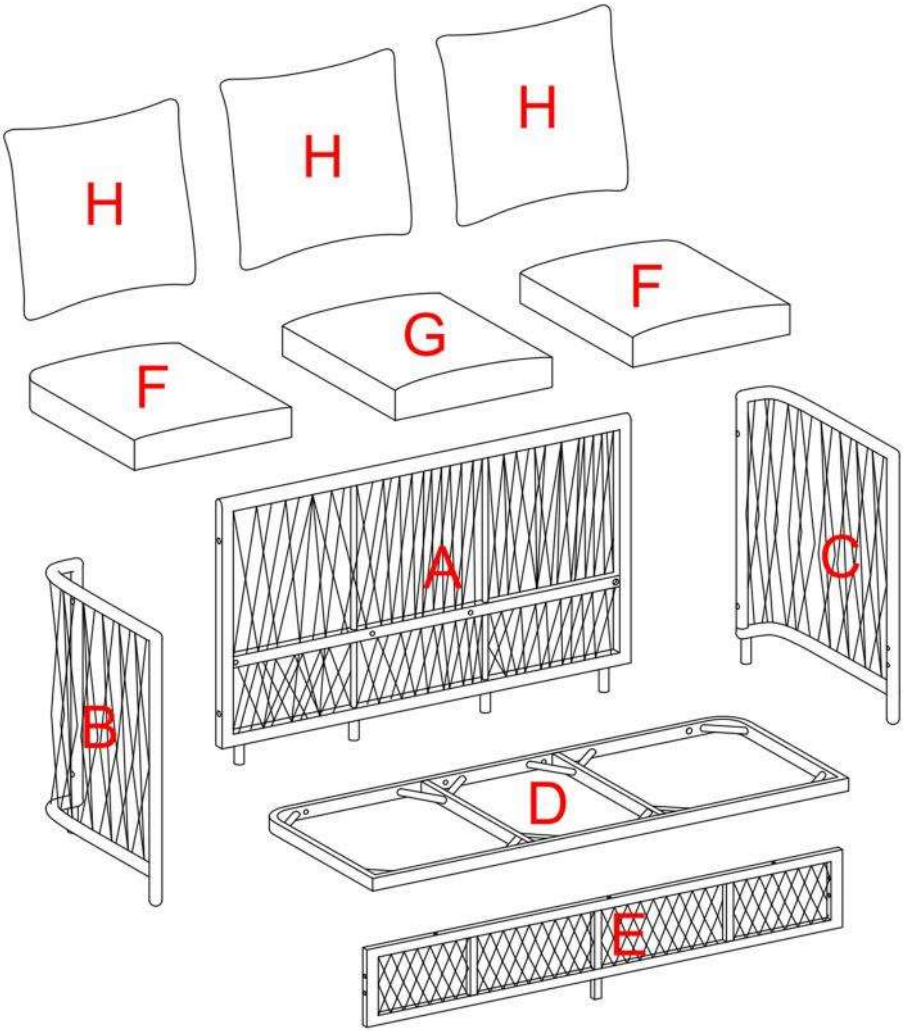

Metal frame and woven rope. The main structure is a sturdy metal frame with strong load-bearing capacity and stability. The surface is wrapped with durable, breathable woven rope, offering a ventilated and resilient structure ideal for long-term outdoor use.

High-density foam filling. The seat and back cushions are plump and substantial, offering a soft sinking sensation with firm support. Ensures comfort for extended lounging and resists sagging.

Buy the single-seat three-piece set and mix and match your outdoor living room layout. More combos, more freedom
