

Installation Guide

Parts List

Step 1: Install the foot pad (6) onto the base (3) and tighten it.

Step 2: Install accessory 5 onto the base (3) and tighten it.

Step 3: Install accessory 4 onto the already assembled base and tighten it.

Step 4: Install accessory 1 and accessory 2 together (using accessory 8 to lock and secure them).

Step 5: Install the circular shape that has been assembled onto the four holes of accessory 4 and secure it with accessory 7.
