Product Description: With storybook style, the Beaumont Console looks like an authentic antique that is been painted and repainted through the years. Combining shades of Shale, Skylark and Sheaf, the finish on the nine drawer fronts contrasts with the case frame in French Press, a color reminiscent of freshly ground coffee with hints of brown and black. TV Ready.

Collection Features: Beaumont is a curated group of one-of-a-kind pieces, inspired by American antiques and the concept of upcycling - the process of giving new life to vintage items with updates such as refinishing or repurposing them for new and unique uses. With roots in traditional design, the collection offers an exquisite and eclectic remix of old and new, combining the look of seasoned antiques and refurbished treasures with the conveniences of newly constructed furniture.
