NOTE: Please make sure the bed slats close to the side rail before locking the screws to avoid breakage.

This step is required for both the left and right sides. Moreover, please do not lock the screws of the bed slats at the outermost edge to avoid damaging.

REMARQUE : assurez-vous que les lattes du lit sont proches du rail latéral avant de verrouiller les vis pour éviter toute casse. Cette étape est nécessaire pour les côtés gauche et droit. De plus, veuillez ne pas verrouiller les vis des lattes du lit sur le bord le plus extérieur pour éviter de les endommager.
