Assembly Instructions

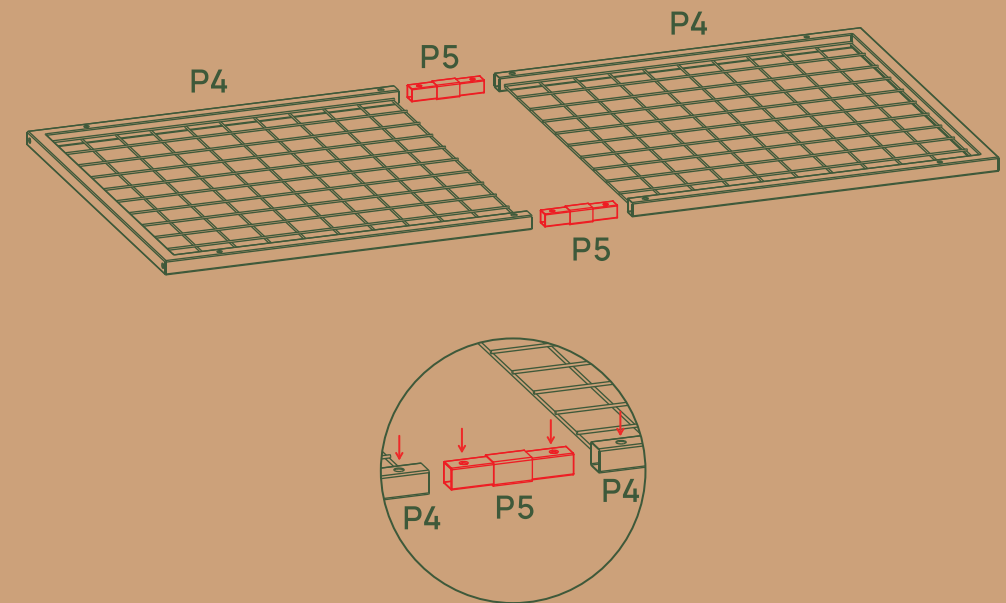

- 1 Insert two P5 pieces into P3 as shown in the figure. Pay attention to the orientation of the holes before assembling.

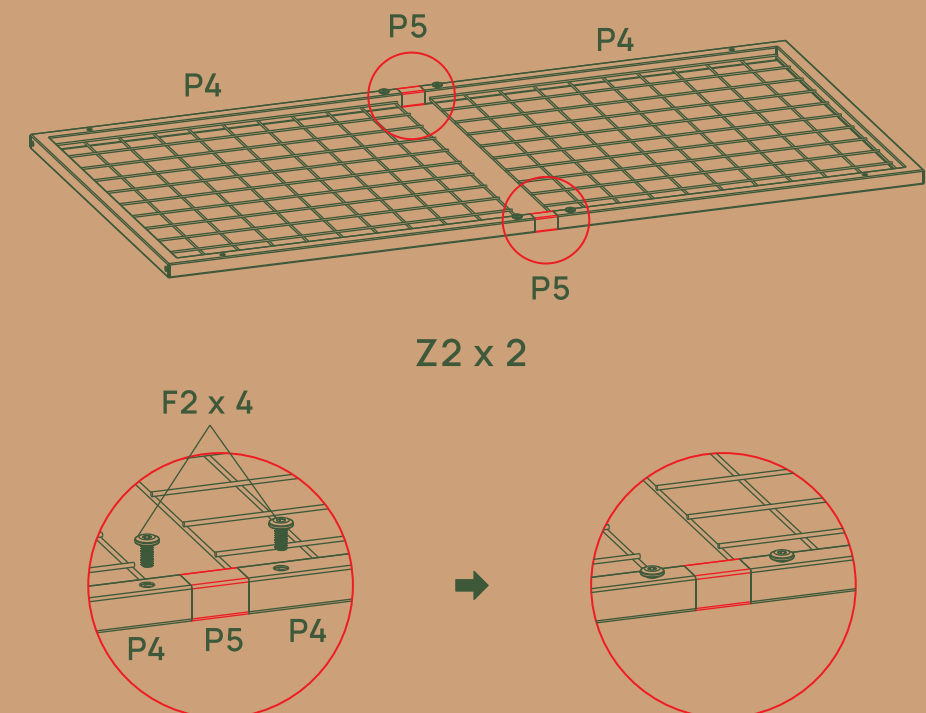

- 2 As shown in the figure, use 4 bolts (F2) and insert them through P3 into the threads of P5 to complete the Z1 component.

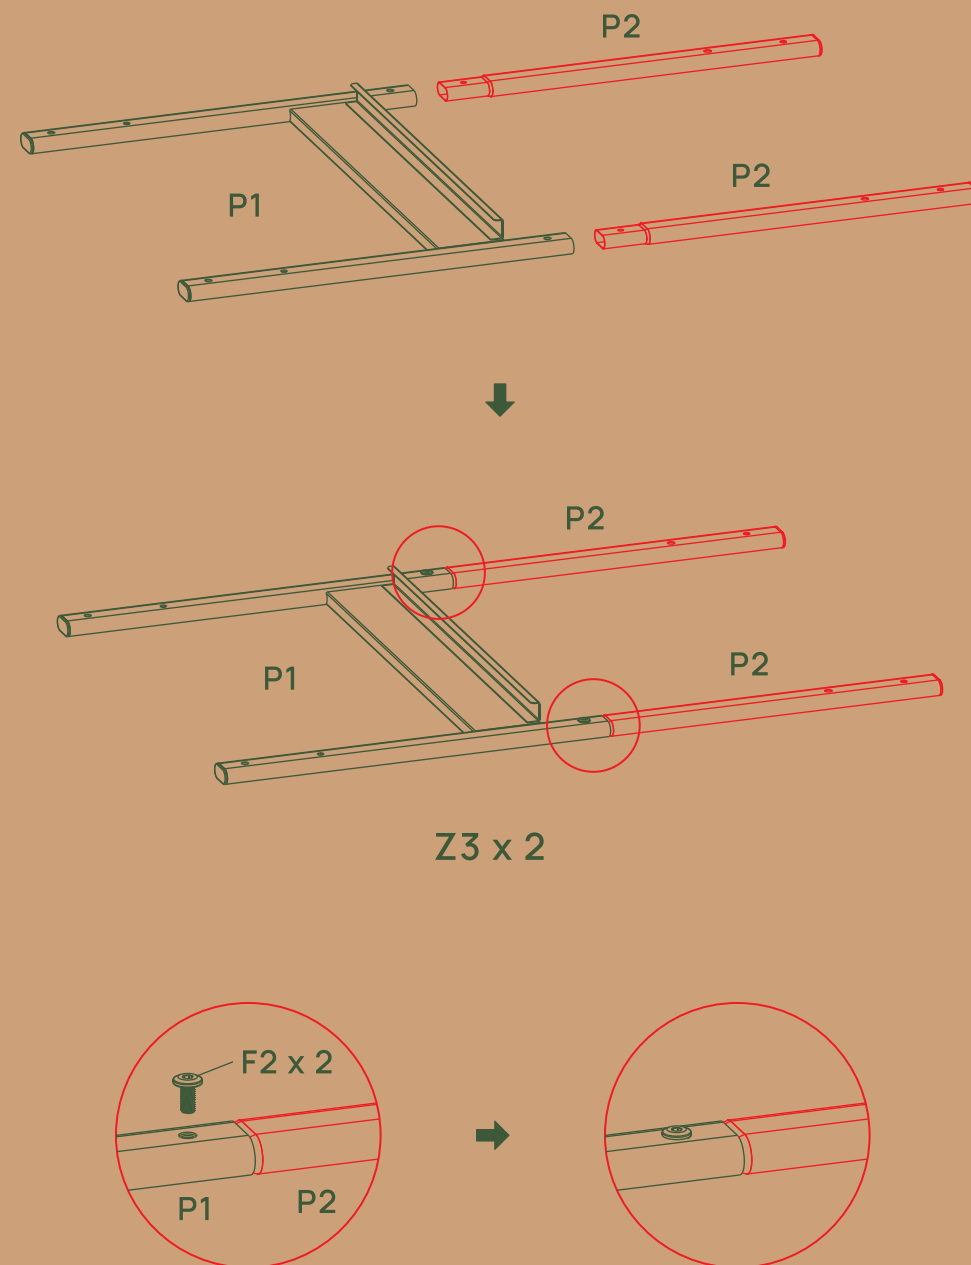

- 3 Insert two P5 pieces into two P4 pieces as shown in the figure. Pay attention to the orientation of the holes before assembling.

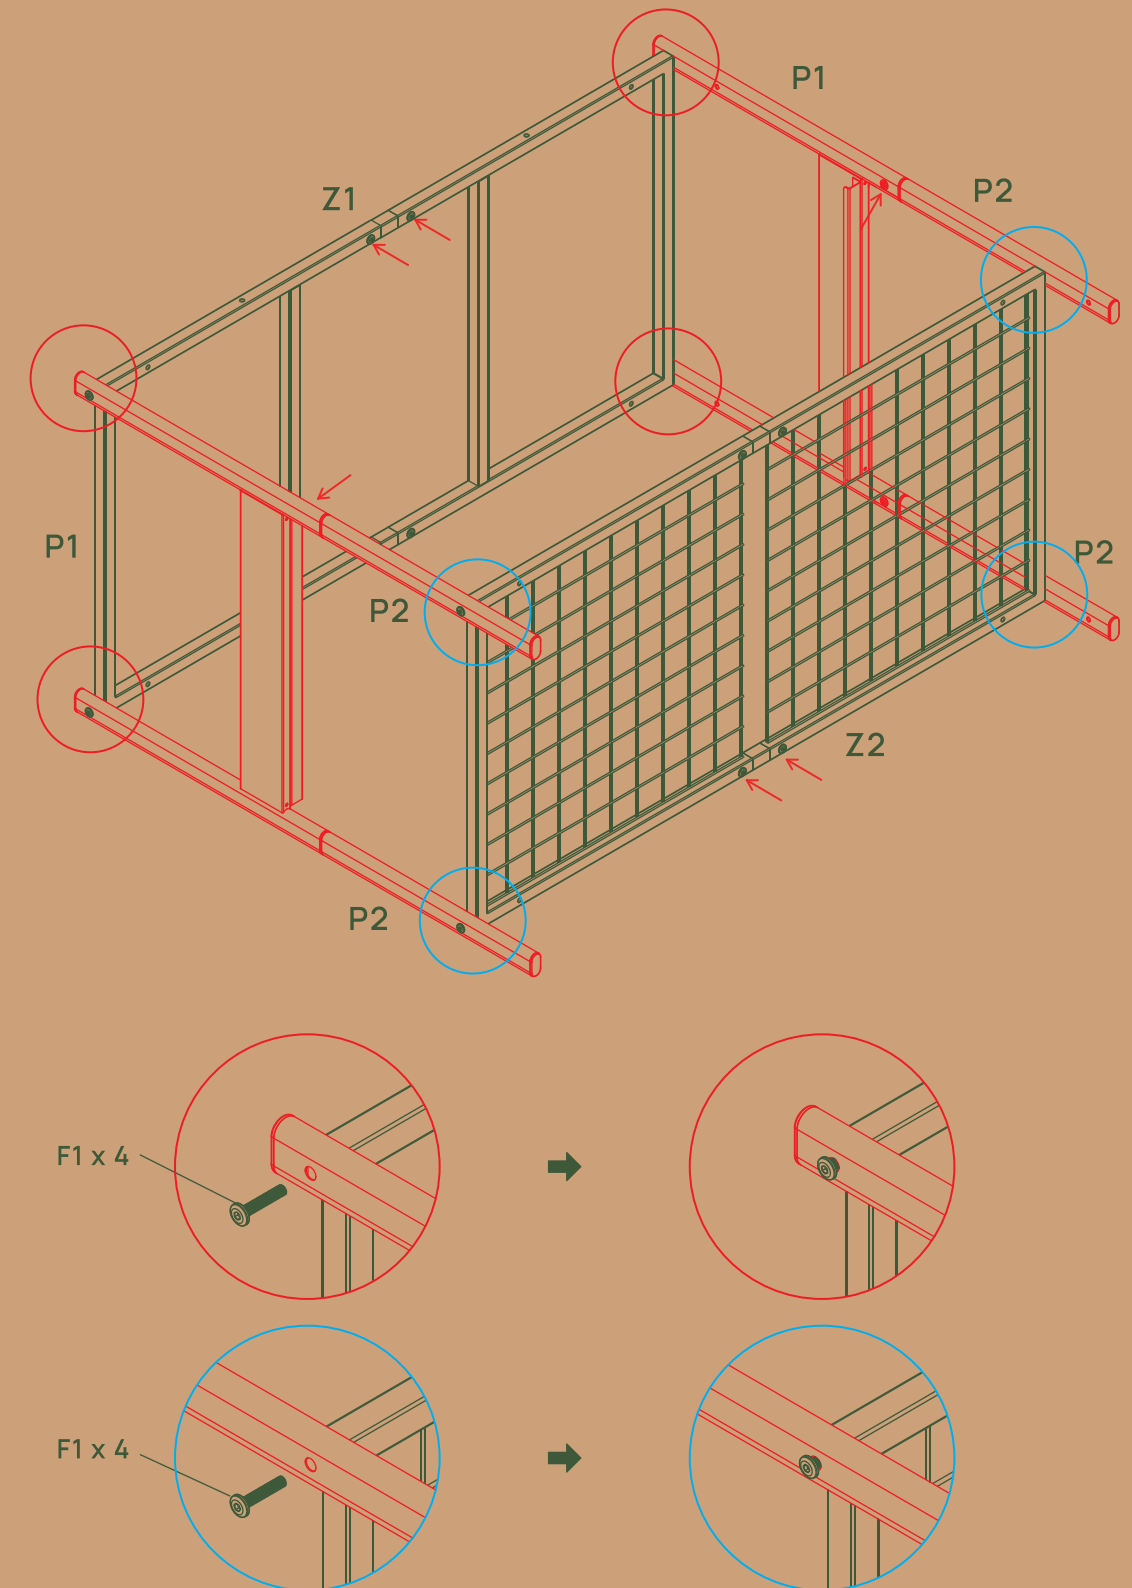

- 4 As shown in the figure, use 4 bolts (F2) and insert them through P4 into the threads of P5 to complete the Z2 component.

- 5** Insert two P2 pieces into P1 as shown in the figure. Pay attention to the orientation of the holes before assembling. Use 4 bolts (F2) and insert them through P2 into the threads of P5 to complete the Z3 component.

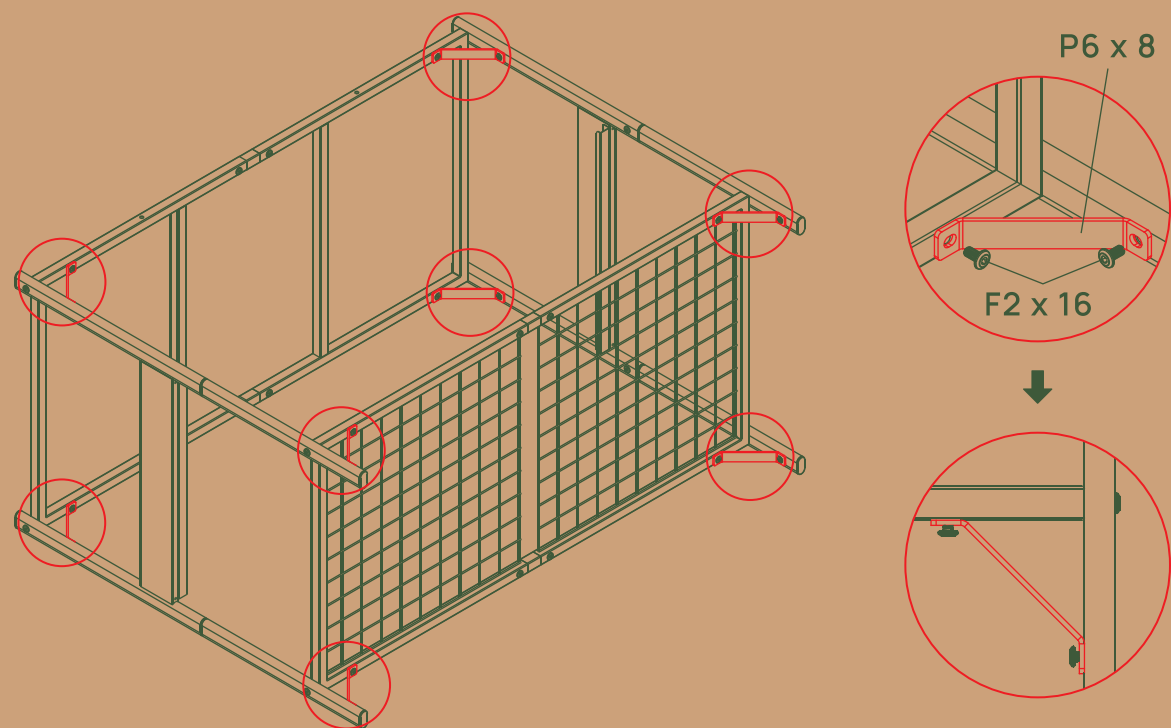

- 6** Assemble the Z1/Z2/Z3 components using the four corner posts (P1) as shown. Ensure the countersunk holes of the corner posts (P1) are facing outwards.

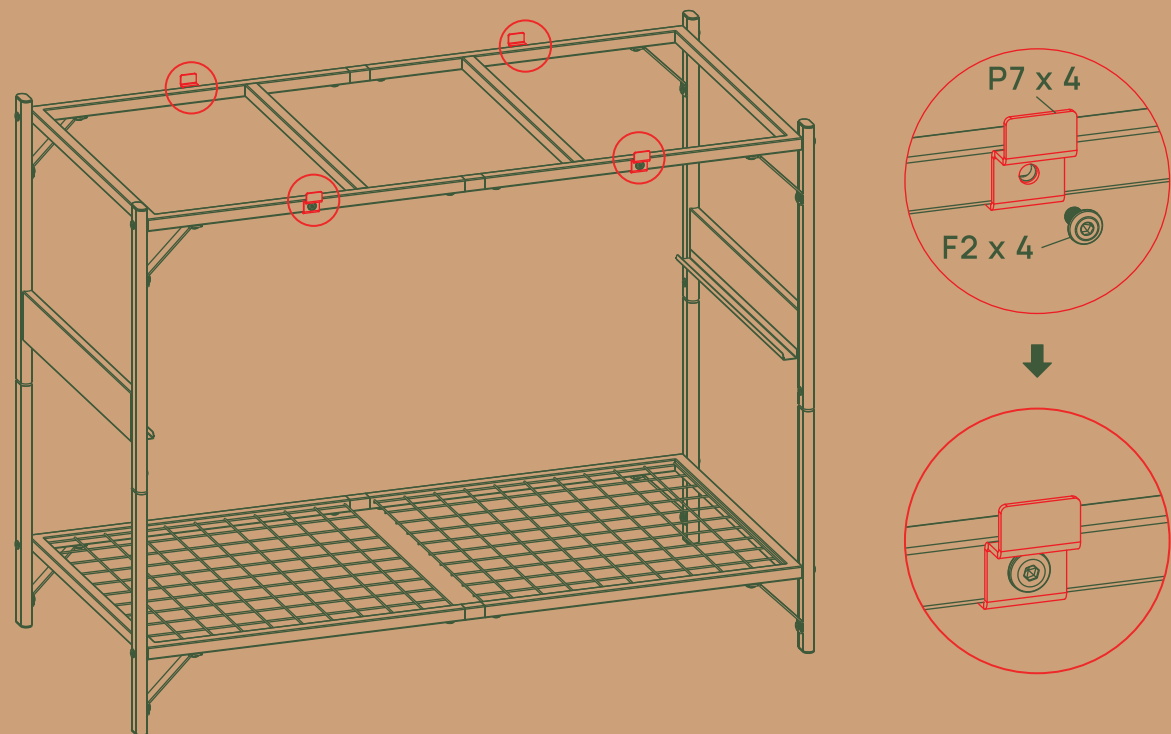

Note: Do not tighten the bolt fully until the entire frame has been loosely assembled.

- 7** Use F2 to screw the P6 parts onto the main frame.

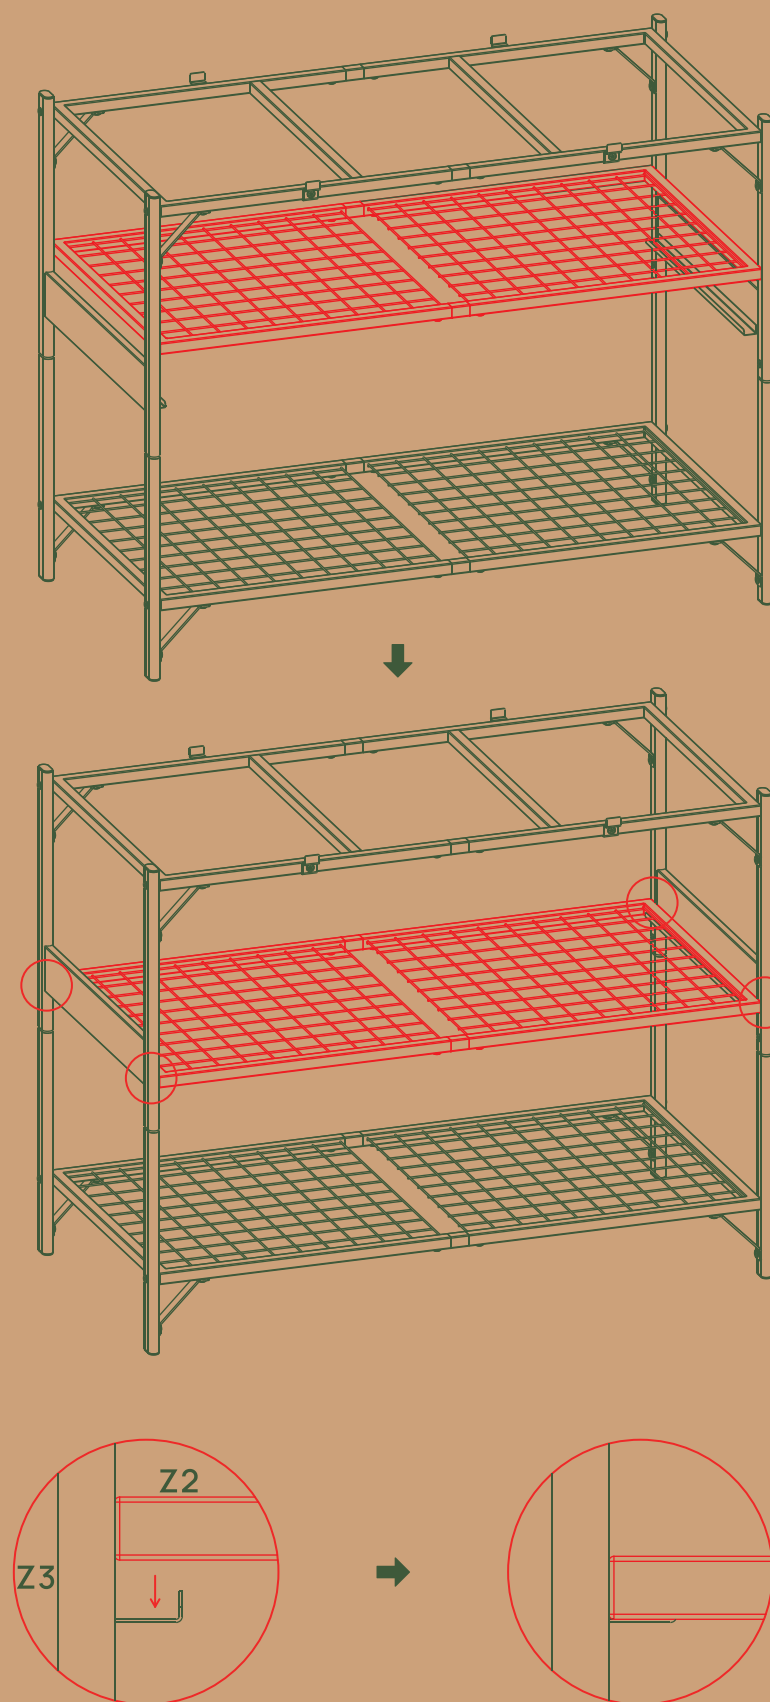

Note: Do not tighten the bolt fully until the entire frame has been loosely assembled.

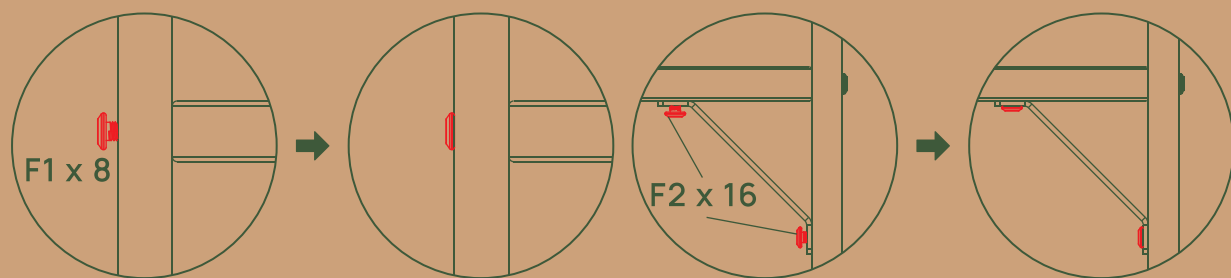

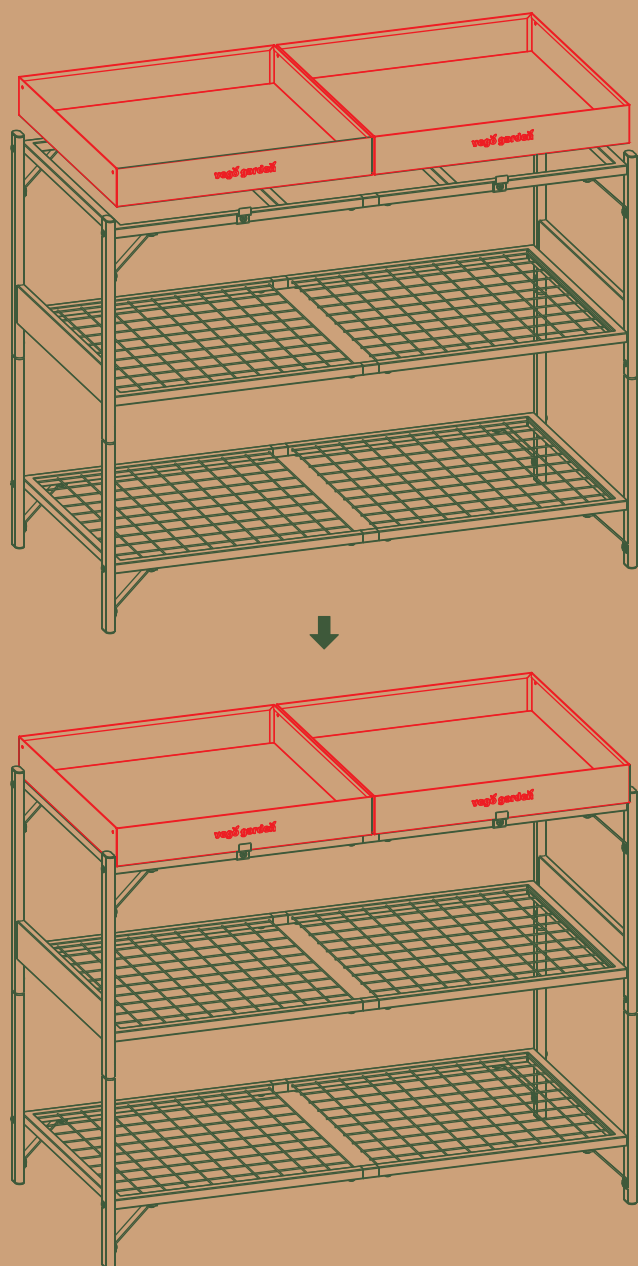

- 8** Use F2 to bolt the P7 part onto the main frame.

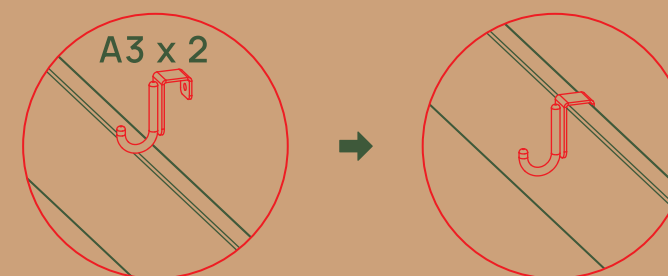

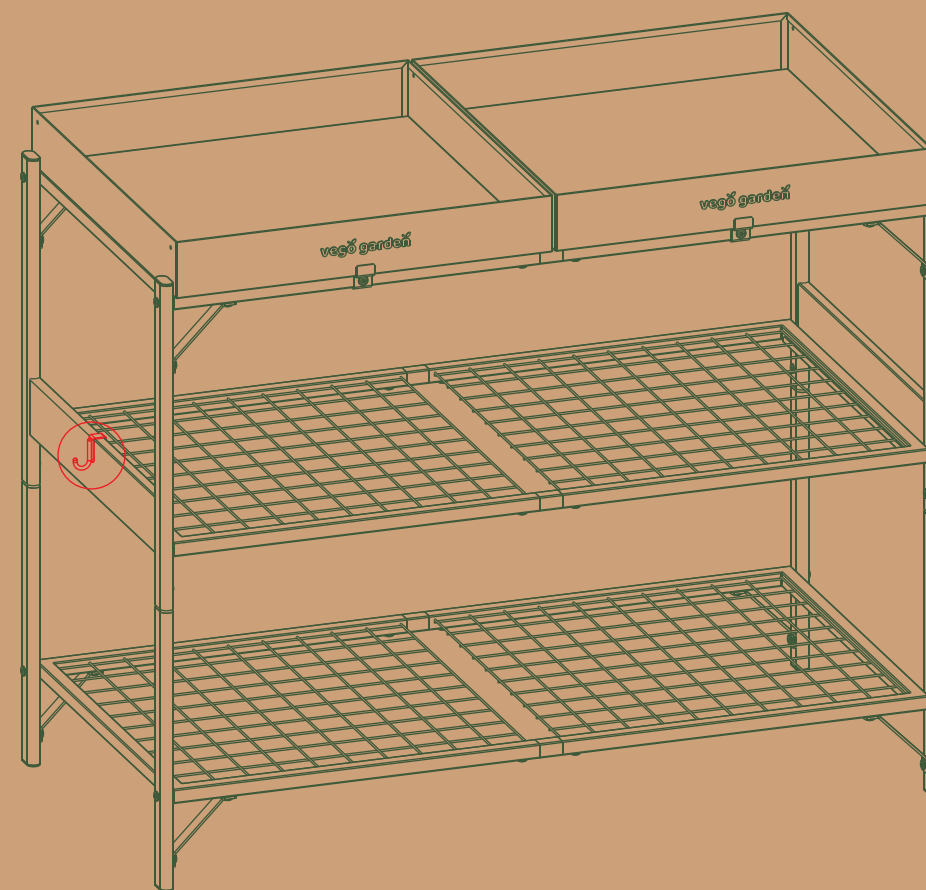

- 9** Place the Z3 component onto the slot of the main frame (Z2).

- 10** As shown in the figure, place the P8 shelves on the assembled main frame, and then tighten all screws.

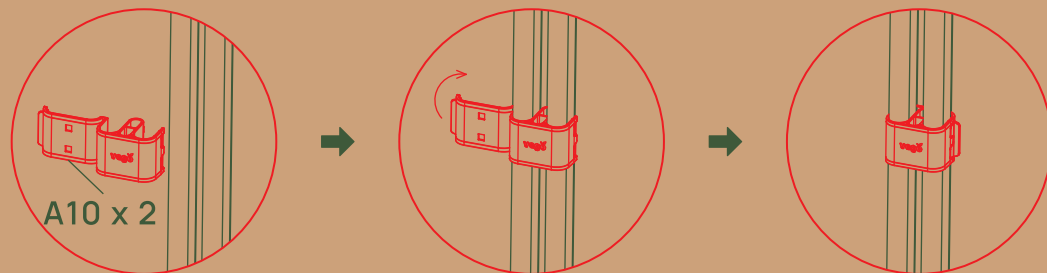

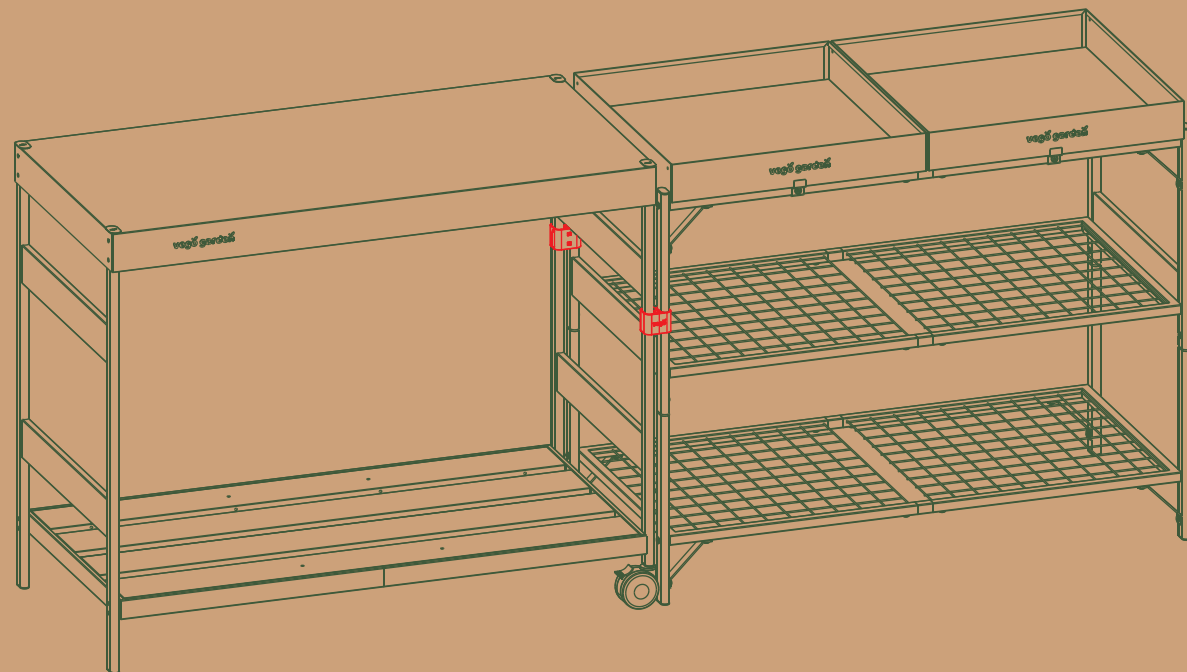

- 11** Hang A3 at the indicated position as needed.

12 Extend Your Setup

If you have two Potting Bench Series products, use the A10 connector as shown to secure them together and expand your workspace.

Care & Maintenance

Cleaning

- The trays are removable and washable; rinse with clean water and wipe dry after each use.
- Clean the frame with mild soap or neutral detergent; avoid acidic or abrasive cleaners.

Surface Protection

- Powder-coated galvanized steel resists rust and corrosion.
- If scratches occur, apply anti-rust spray or touch-up paint as needed.

Storage

- During heavy rain, snow, or freezing weather, store under shelter or use a cover.
- Ensure trays and frame are fully dry before long-term storage.

Usage safety

Load & Stability

- Each tray supports up to 60 kg (132 lbs) of evenly distributed weight.
- Each shelf supports up to 20 kg (44 lbs) of evenly distributed weight.
- Do not overload, stand, or sit on the table.
- Place the table on a level surface to ensure stability.

Assembly & Handling

- Assemble the product carefully following the included instructions.
- Tighten all bolts before use and recheck periodically.
- Wear protective gloves during assembly to avoid scratches.

Warranty

This product is covered by a **2-year limited warranty** from the date of purchase. The warranty applies to defects in materials or workmanship under normal residential use.

This warranty does not cover:

- Misuse, modification, or improper assembly.
- Normal wear, surface fading, or corrosion from outdoor exposure.
- Commercial use or natural disasters.
