Hardware List				
A		Hex bolt	12x25mm	4
B		Flat washer	M12	4
C		Spanner	20-22mm	1

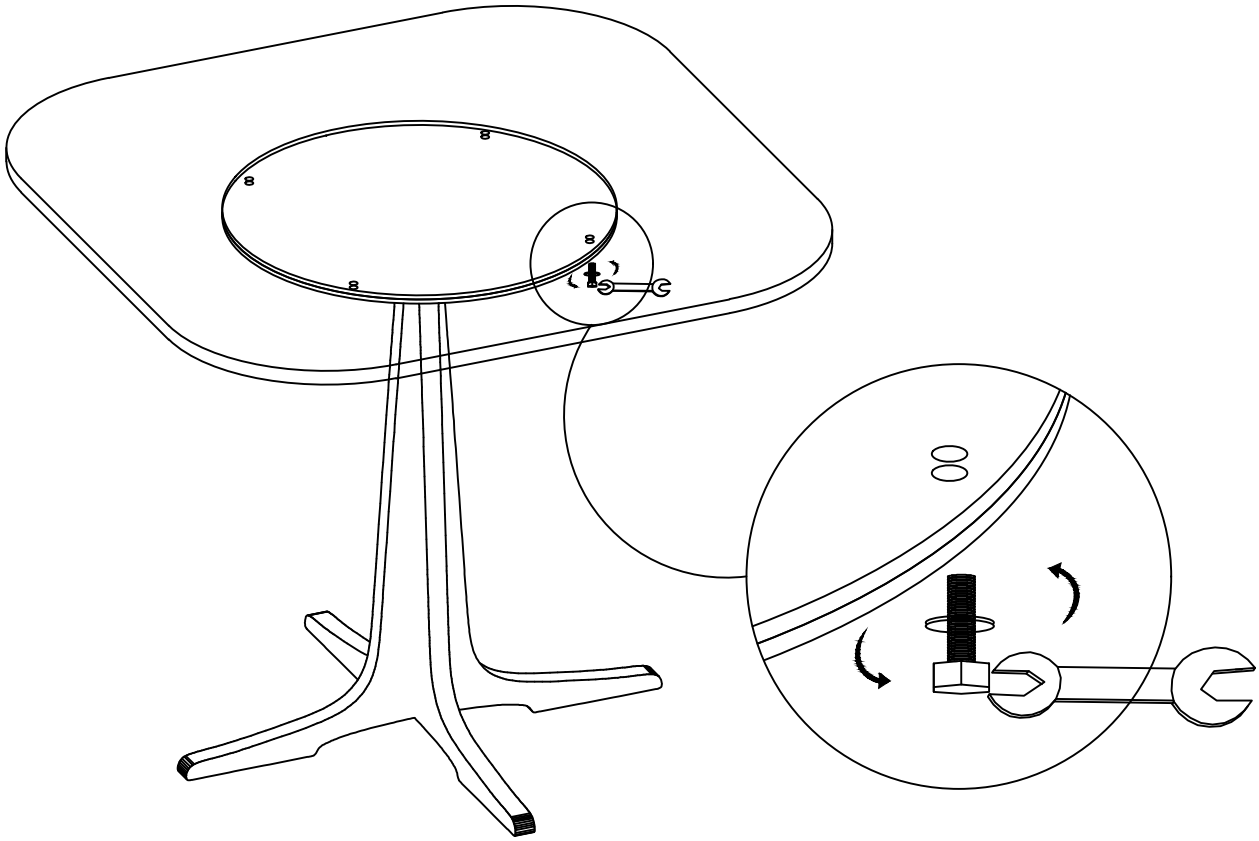

Step-1

Made in India

Step-2

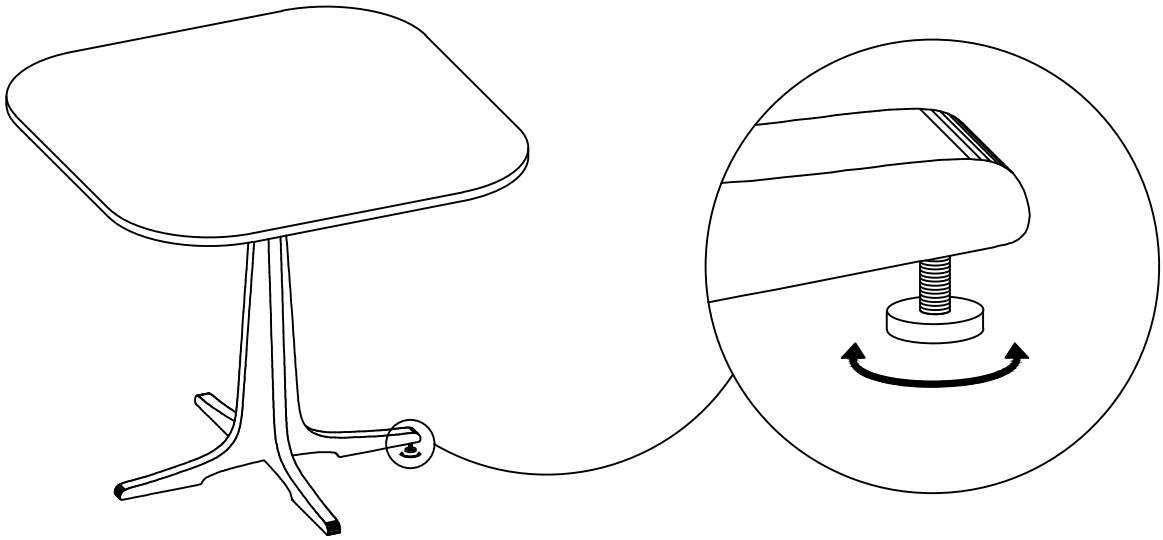

Step-3

Check for Stability - Place the furniture in its final position on a level surface. If it wobbles or doesn't sit evenly, the floor levelers need adjusting.

Locate the Levelers - These are small adjustable feet found at the bottom corners of your furniture.

Adjust as Needed - Using your hand or a wrench, turn the levelers clockwise to raise or counterclockwise to lower the furniture. Make small adjustments and check stability after each turn.
