Assembly Instructions

Steps for assembly of “GRACEFUL CONSOLE”

Step – 1

Unpack all the pieces and make sure you have all the required parts. Do not discard any material until assembly is complete.

Step – 2

Remove all eight screws at top of the Leg (B) discard Iron strip (D) held by screws.

Step – 3

Attach the “Metal Apron Support” (A) with eight screws just removed from Leg top (B).

Step – 4

Bolt console to wall through oval slots in back of “Metal Apron Support” (A). Before bolting make sure that leg support and top are level. If you are installing directly in a stud wood screws are suitable. If attaching in a dry hollow wall suggest using mollies, butterfly bolts or wall anchors (not included)

Step – 5

Place granite top (C) in Metal support frame (A)
