STEP 14

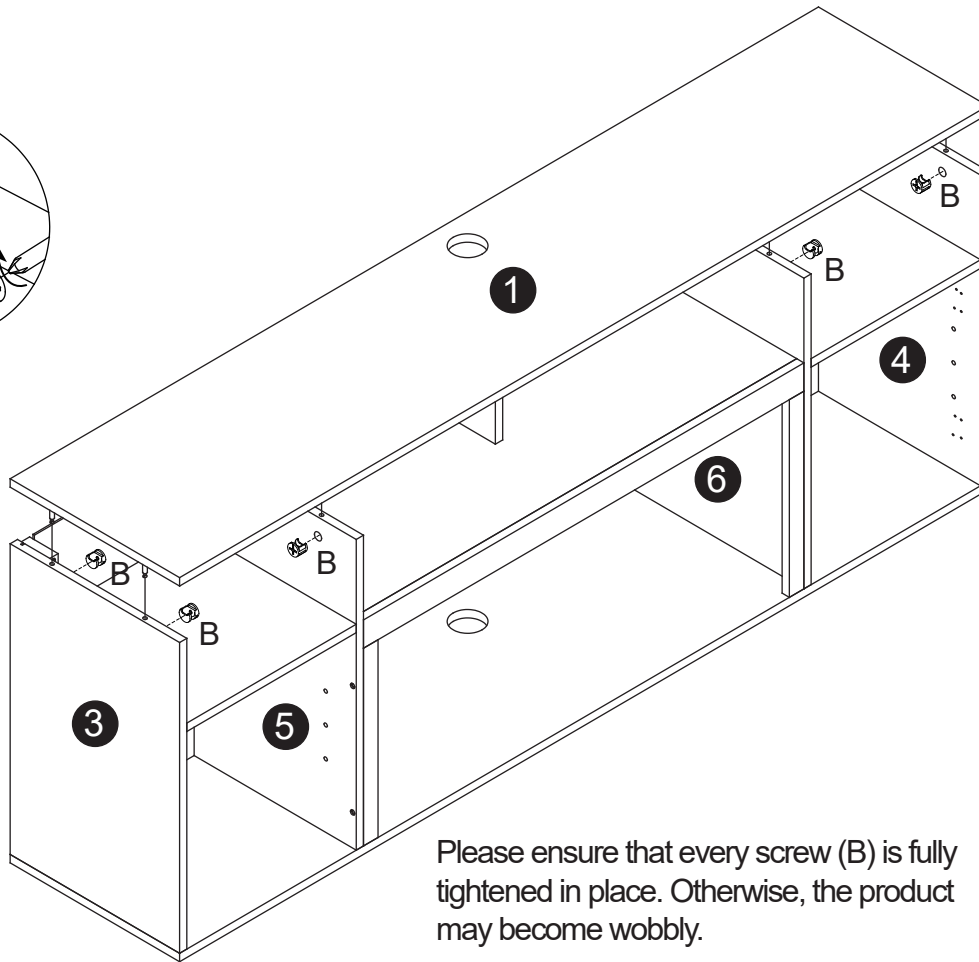

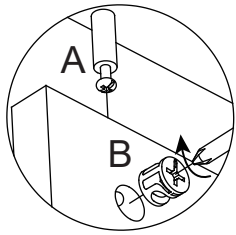

Peel off the adhesive strip on the back of the LED strip.

The LED strip and related screw accessories are part of the fireplace package. Please wait patiently for the package to arrive.

Installation steps

STEP 15

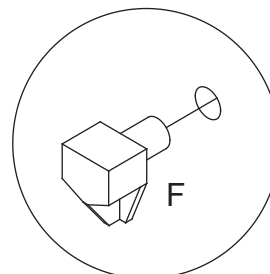

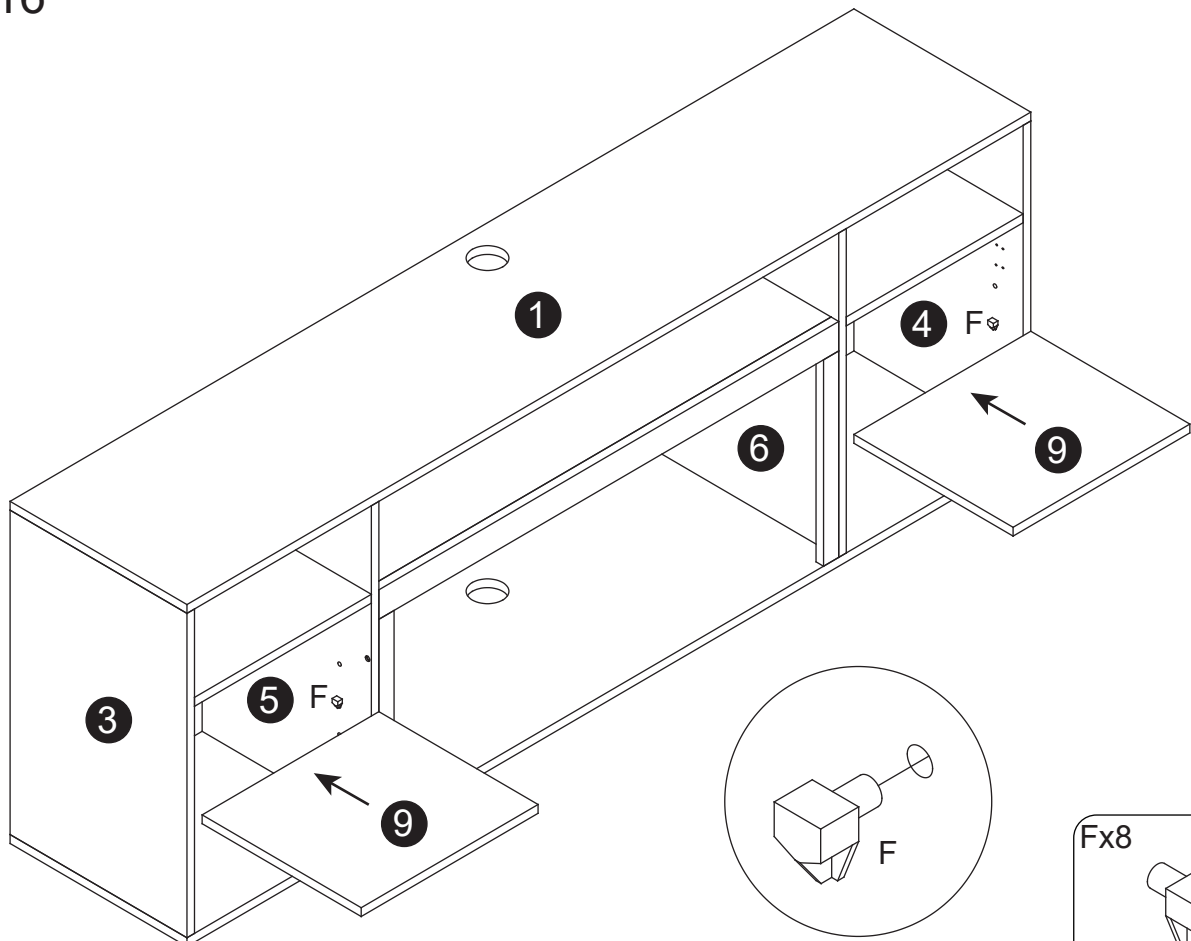

Please ensure that every screw (B) is fully tightened in place. Otherwise, the product may become wobbly.

M3.5x14

STEP 20

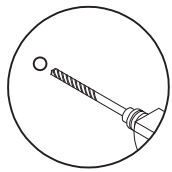

Connect the LED strip to the fireplace.

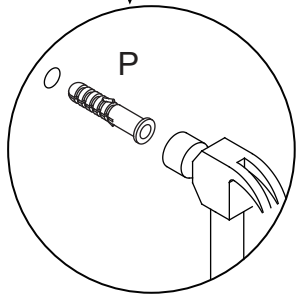

Installation steps

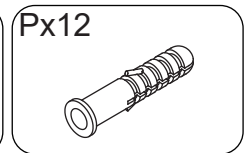

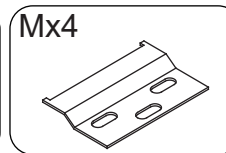

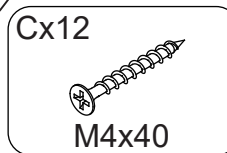

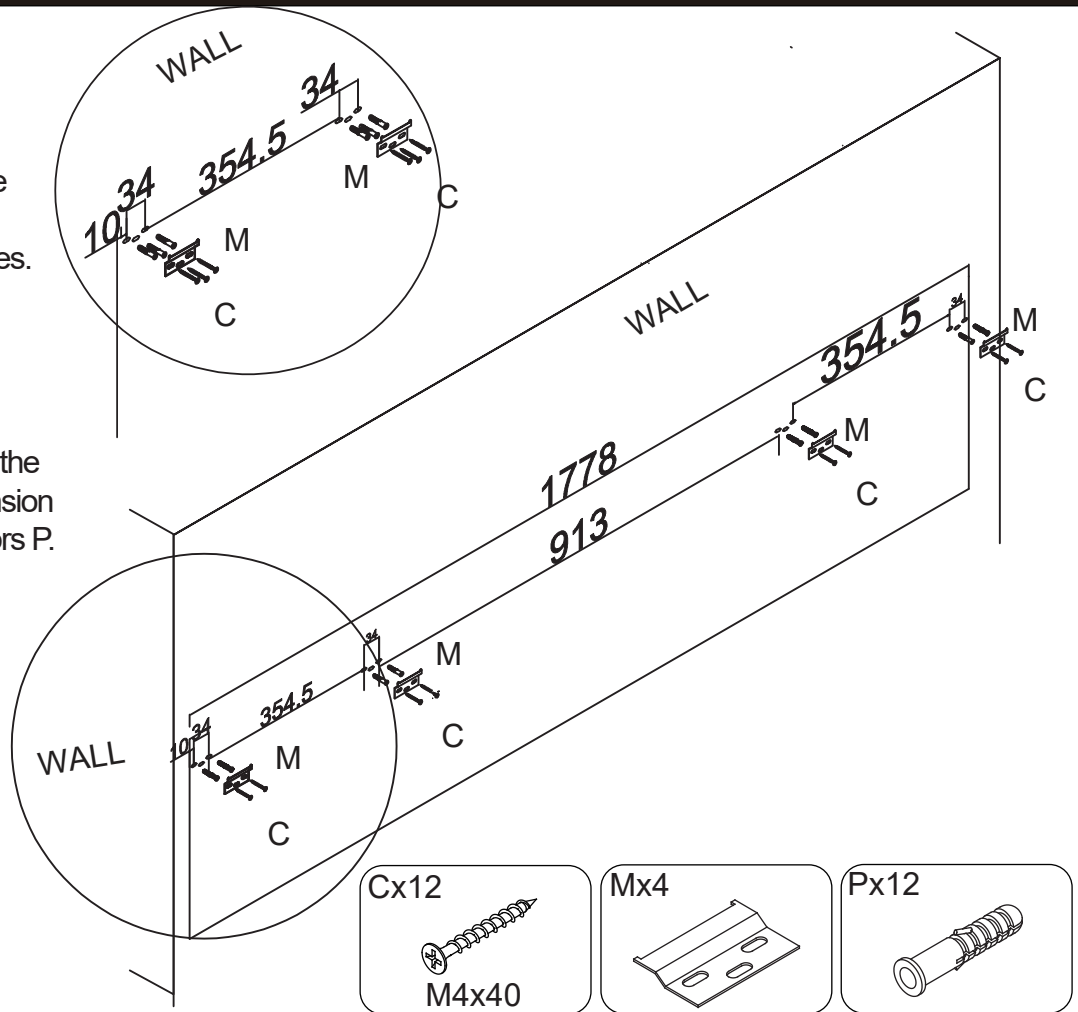

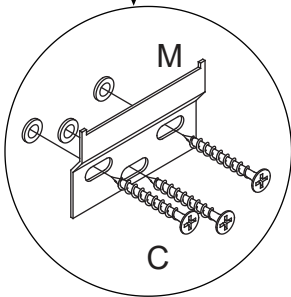

STEP 21

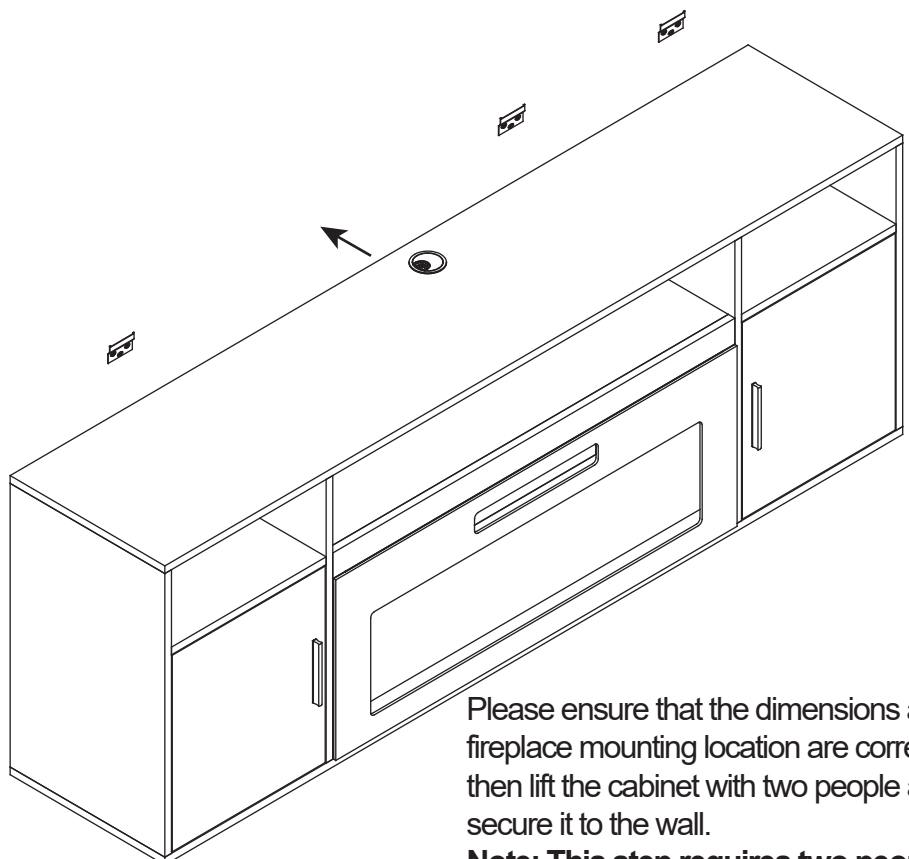

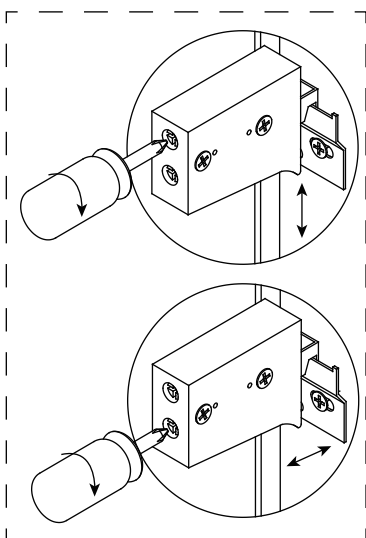

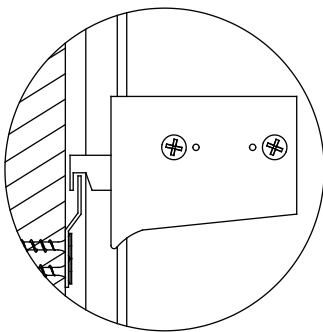

First, confirm the measurements, then drill the holes.

Insert the expansion anchors P.

STEP 22

Please ensure that the dimensions at the fireplace mounting location are correct, then lift the cabinet with two people and secure it to the wall.

Note: This step requires two people.
