

Installation Instruction

Please turn off power and read this instruction before installation, changing the bulb or cleaning the fixture.

The installation must be handled by a qualified electrician with license.

- A. Fix the screw (1) on the junction box.
- B. Use the terminal cap (2) to connect the lamp body wire with the external wire.
- C. Rotate the lamp panel (3) through the screw (1) to fix it.
- D. Fix the tooth tube (4) on the lamp panel(3).
- E. Install the bulb (not included).
- F. Pass the glass (5) decorative cover (6) through the tooth tube (4) and fix it with the decorative head (7).
