

COLOR ONE ARCTIC BLUE 2X8 CRACKLED GLOSSY LAVA STONE TILE

Made of enduring lava stone, Color One Arctic Blue 2x8 Crackled Glossy Lava Stone Tile gives natural stone subway tile a colorful refresh. The 2-by-8-inch format lends itself to a variety of installation patterns. When applied to lava stone, the glaze develops subtle crackle lines, surface variations, and pooling on the tile's edges. This unique finish adds to this tile's timeless character.
