Raw Edges

Type: Storage

Design: 2026
Designers: Raw Edges

Design duo Shay Alkalay and Yael Mer set up Raw Edges, a London-based design studio, after both graduating with a Masters in Product Design from the Royal College of Art. Minimalist yet profoundly sculptural, this series feature circular shelves arranged along a vertical structure, supporting everyday objects, transforming them into a curated display. This collection offers complete compositional freedom: can be precisely aligned or rotated. Available in Black and Corten finishes.

Care & Maintenance

The fine sand powder coating finish offers a refined matte texture with enhanced durability for everyday use. To preserve its appearance and performance over time, please follow the recommendations below:
Routine Cleaning Clean with a soft cloth using mild soap and lukewarm water. Dry immediately to avoid water marks.
Surface Protection Avoid abrasive materials, harsh cleaners, or sharp objects that may scratch or damage the coating.
Chemical Contact Avoid contact with solvents, acids, or alkaline substances, as these may cause discoloration or deterioration.

Notes:

Designed for indoor use only.
Ensure this product is assembled in accordance with the instructions.
When handling the piece, we advise that all jewellery, watches etc. are removed to avoid scratches to the powder coating surface.
Keep away from heat sources such as radiators & fireplaces.
This piece should not be exposed to direct sunlight or high humidity.
We recommend that fixings and joints are checked periodically to ensure stability.
