Frequently Asked Questions

Q1: Why didn't I receive all the items at once when ordering 3/4/6 PCS?

A: 3/4/6 PCS will be shipped in separate packages. Delivery dates may differ across packages.

Q2: Does the color of the product you received match the picture?

A: Due to different environments, shooting equipment, lighting conditions, monitors, and other factors, there will be color differences.

Q3: What if screws fail to work properly or the chair stays unstable after assembly?

A: Please check the manual to confirm the correct parts and screws, or contact us with photos of the issue for quick assistance.

Q4: What should I do if the package arrives damaged?

A: The package may have been damaged during shipping. Please send photos of the damaged parts, and we'll arrange a replacement promptly.

WARRANTY

LIMITED WARRANTY

This limited warranty applies only to the original purchaser and requires valid proof of purchase.

This warranty is intended for residential use only and does not apply to commercial or industrial use.

The warranty is valid for one (1) year from the original date of purchase.

WHAT IS COVERED

We warrant that the frame will be free from defects in materials and workmanship for a period of one (1) year to the original purchaser, under normal residential use.

WHAT IS NOT COVERED

This warranty does not cover commercial use, damage to hardware or finishes, misuse or abuse, normal wear and tear, exposure to extreme weather or moisture, acts of nature, fire, freezing, or other external causes. In addition, replacement or separately purchased parts are not covered under this warranty.

We reserve the right to substitute similar merchandise if the original model is no longer in production.

For a copy of our full limited warranty, please contact our customer service team.

CLEANING AND MAINTENANCE

- Clean the furniture with a damp cloth and rinse thoroughly. Dry all frame parts completely after cleaning. Do not use bleach, acids, or other solvents on textile or metal parts.
- We recommend using furniture covers to protect the product when not in use.
- Inspect and tighten all screws on a regular basis to ensure proper performance and safety.
- To prolong the life and appearance of your product, we recommend storing it in a dry, protected area during off-season periods.
