Default we will ship 320W 5000K daylight LED shoebox with Slip Fitter Photocell

Free shipping by UPS receive within 3-5 working days

【Upgrade New Version】- The 320w parking lot lights bring 48000LM with SMD3030 chips.Ideal substitution for 1000W HPS/MH traditional lights. Up to 150lm/watt, AC 100-277V universal voltage and 150°beam angle. 5000K color temperature of lighting is a nice choice for street light illumination. Anti-shock, anti-moisture, no glare, no strobe light, no ghosting, protecting your eyes.

【Dust to Dawn Photocell】- The Led street light comes with photocell sensor outside automatically turns ON at sundown/night and light post at sunrise/daytime with dusk to dawn.High power factor >0.9, more than 50000hours lifespan, reduce your electricity consumption, save your electronic bill. Provides a continuous, efficient outdoor lighting environment.

【Commercial Grade Material】- The UL/DLC Listed led street area lights are made of die-casting aluminum body with polyester powder-coated finish. The scientific design helps the exterior light post top to dissipate better, achieve the best use of the led lighting. IP65 waterproof and 6K high voltage surge protection for drying, wet environment, sandstorms, snowstorms, and harsh weather conditions.

【Wide Applications】- The led shoebox light fixtures with slip fitter design give the lamp a adjustable lighting range and can be applied to a variety of outdoor scences, such as parking lots light, driveway light, front yard lights, city expressway, trunk/rustic road, factories, playground, school, gas station, courtyard, public park, walkway, exterior, driveway, store, farmyard, residential area light or any other commercial and industrial area.

【Installation and Warranty】- Very easy to install and transfor. We offer you lasting safety and reliability backed by a 5-year warranty. For a bulk order, email us in advance to get a different offer. Any questions, please feel free to contact us anytime.

★★★ Specifications

●Rated Wattage: 320W

●Luminous Flux: 48000Lm

●Input Voltage : AC100-277V

●Dusk to Dawn Photocell Included: Yes

●Color Temperature: 5000K

●Replacement: 1000W HPS/MH

●Protection Grade: IP65

●LED Type : SMD3030

●Material : Die-casting Aluminum + PC

●Beam Angle: TYPEIII 80X150degree

●Working temperature: -29℉-113℉

●Efficiency of power supply > 0.9

●Installation: Slip Fitter Mount

●Average Lifetime : More than 50000 hours

●Limited Warranty: 5 Years

Package include:1pcs x 320w led shoebox light 5000K with Slip Fitter Mount Photocell

★★★ Kindly Note

●Please note that the light can not be used IN the water.

●Please confirm the wire connection is right while installing.
