Guarantee

The goods

IMPORTANT

1. Do not tighten bolts / screws completely until all bolts / screws are lined up and inserted into holes.
2. Do not over-tighten screws and bolts to avoid stripping.
3. Please use hand tools to assemble this product.

Step 1

First, insert the Wooden Dowels (1) into the ends of the Base Panel (Side) (C). Then, align & place the Base Panel (Front & Back) (B) over the Wooden Dowels (1). Next, slide the $\text{Ø}1/4" \times 13\text{mm}$ Flat Washers (3) onto the $\text{Ø}1/4" \times 32\text{mm}$ Hex Button Head Bolts (2) before finally using these parts and the Allen Key (4) to secure the Base Panel (Front & Back) (B) in place.

Step 2

Insert the Wooden Dowels (1) into the bottom of the Cabinet Assembly (A). Then, place the base assembled in Step 1 over top of the Wooden Dowels (1).

1

x2pcs

Step 3

Slide the $\text{Ø}1/4" \times 13\text{mm}$ Flat Washers (3) onto the $\text{Ø}1/4" \times 32\text{mm}$ Hex Button Head Bolts (2) before finally using these parts and the Allen Key (4) to begin securing the base in place.

x4pcsx

3

4pcs

Step 4

Insert the Wooden Dowels (1) into the ends of the Base Panel (Side) (C). Then, align & place the Base Panel (Front & Back) (B) over top of the Wooden Dowels (1).

1

x4pcs

Step 5

Slide the Ø1/4" × 13mm Flat Washers (3) onto the Ø1/4" × 32mm Hex Button Head Bolts (2) before finally using these parts and the Allen Key (4) to secure the Base Panel (Front & Back) (B) in place. Tighten the bolts fully.

2

x4pcsx

3

4pcs

Step 6

Flip the unit onto its feet & check that your Rivelle Dresser is level and not wobbly. If it's looking a little uneven, adjust the levelers on the base until it's nice and level.

How to Use Drywall Anchors

1. Drill a 5/16" hole.

2. Pinch and insert.

3. Begin tightening.

4. Anchor is secure when screw is tightened to 100%.

Step 7

Safety first! Let's get this dresser secured to the wall. Find where you want your dresser to live before you begin installing the wall anchors.

First, determine which style of wall anchor you will need. Then using the proper, recommended drill bit & the Plastic Bracket (6) as your hole guide, you will drill 2 holes in your wall before finally inserting the anchors into the wall.

IMPORTANT NOTE:

Non-Drywall Anchor (7) requires 1/4" Drill Bit
Drywall Anchor (11) requires 5/16" Drill Bit

Step 8

Next, you will secure the other Plastic Bracket (6) to the back of the dresser using the M3.5 x 15mm Screws (8) before looping the Plastic Strap (9) through both Plastic Brackets & pulling it through itself to secure the dresser.

IMPORTANT NOTE:

Young children (and/or pets) can be seriously injured by tipping furniture units.

You must install the provided anti-tip kit hardware solution, as instructed, to prevent the furniture unit(s) from tipping over - which could possibly lead to injuries or damage.

The provided anti-tip kit hardware solution is intended only as an additional safety measure & deterrent; it is not a substitute for proper adult supervision.

The provided anti-tip kit hardware solution is not an earthquake restraint. If you wish to add the extra security of earthquake restraints, they must be purchased & installed separately.

No heartburn, when we handle the return

Replacement

You

We really don't want you to go through the hassle of re-packaging your item
and sending it back, because let's be honest...nobody has time for that.

Safety first, fun later

We want your product to last as long as possible, so we recommend that you tighten the screws 2 weeks after assembly, and for added safety, check the tightness of all screws every 2 months.

For proper care and treatment, please check our website at NathanJames.com/products

Safe use of this product starts with you.

Use this product responsibly with the primary concern for your safety. Follow assembly instructions carefully and inspect product upon receipt and each use.

Nathan James and its parent companies cannot be held legally responsible for any injuries or death resulting from failure to follow instructions or improper use of this product.

Do not modify the structure of this product in any way.

Our products have been tested to meet specific safety measures as they were originally intended to be sold. Any modifications will present the risk of creating significant safety issues which NJ will not be responsible for.

Proper use

DO NOT	use for commercial purposes
DO NOT	climb on dresser
DO NOT	exceed weight limit
DO NOT	leave spilled liquid on dresser
DO NOT	use if dresser is damaged or broken
DO NOT	make temporary repairs
DO NOT	use outdoors

We are only in business if you're happy

For starters, thanks for being you.
