RECLINER SLIPCOVERS INSTALLATION GUIDE

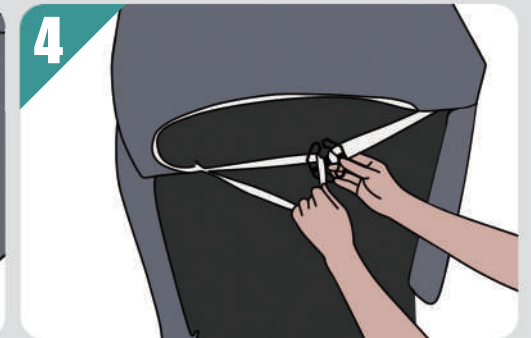

1 Find the recliner with the right arm cover, place the recliner cover on the top back of the recliner.

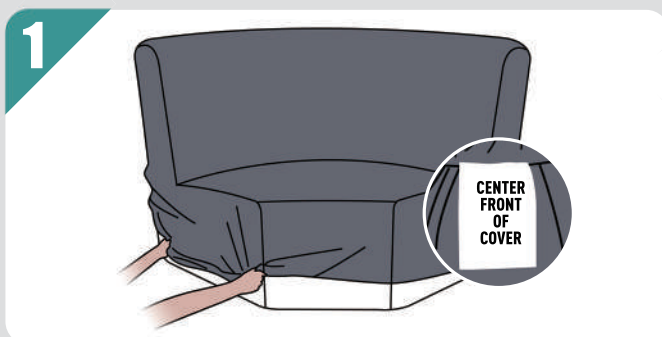

2 Stretch the fabric on the seat cover to the footrest of the seat.

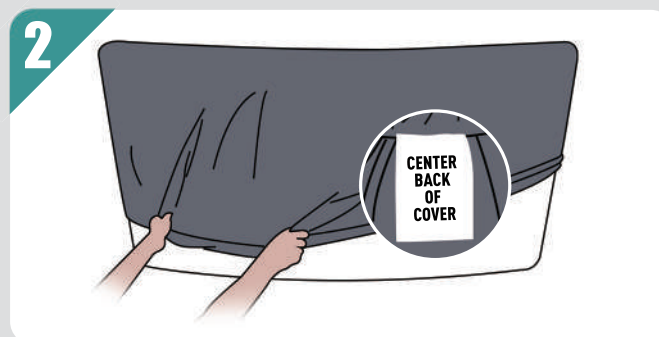

3 Put the right arm cover to fit the arm of recliner.

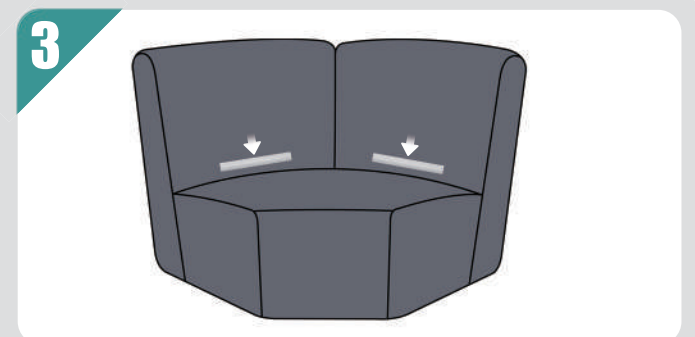

4 Find the elastic straps at the bottom of the recliner back cover, and connect 2 straps together with a fixed buckle.

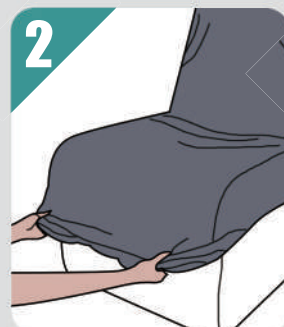

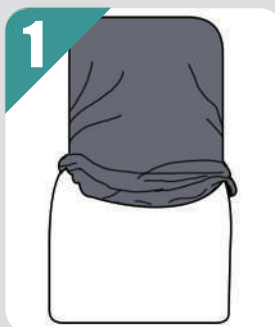

1 Pull the cover which has the label "CENTER FRONT OF COVER" down until it covers the corner seat.

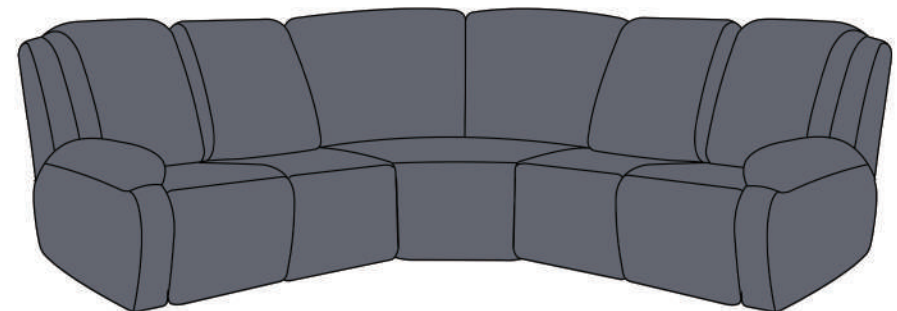

2 For the label "CENTER BACK OF COVER", locate the corner back and pull until the bottom of the corner back is covered.

3 Secure the excess material into the gap and organize it. Then insert the foam stick into the gap.

1 Find armless recliner covers, place the cover over the back of the sofa and pull directly to the footrest. Tuck the excess fabric into the recliner. Turn over the recliner and connect the bottom elastic straps with the fixing buckle.

The L shape sofa cover installation has been completed, if you have any questions about installation, please feel free to contact us for video help.
