Step 6

Step 7

This step requires the assistance of two people. One person should slightly bend the 15th board and insert it into the slots of the 3rd and 4th boards first; at the same time, the other person should slightly press the curved part to adjust it so that it can be fully inserted into the slot of the 1st board.

Step 8

This step requires the assistance of two people. Your hands can be inserted into the through-hole of the No. 2 board to adjust the position of the No. 15 board so that it aligns with and fits into the groove of the No. 2 board, until the No. 2 board is fully in place.
