Classic
Walnut

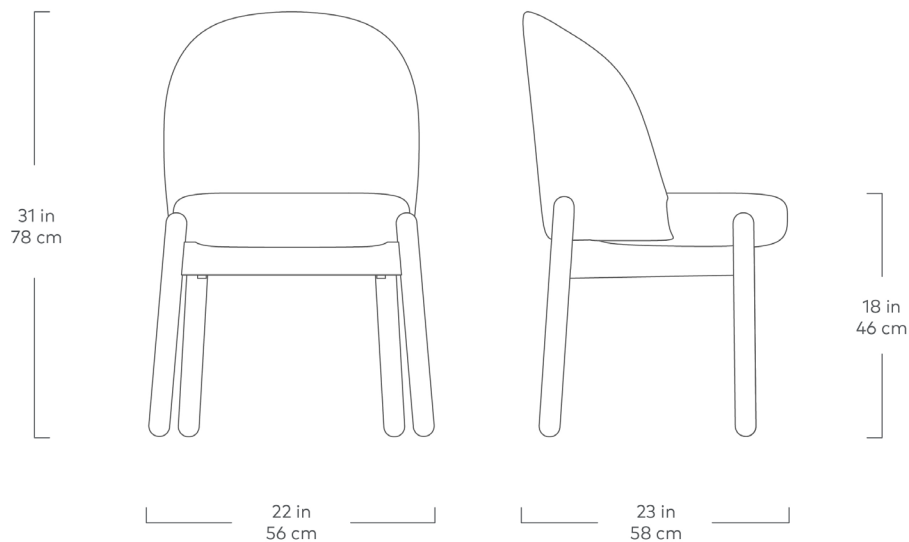

Lundy Vista/
White Oak

Sit and stay a while: The Malloy Dining Chair is cozy enough to become your new favorite hangout spot. A thick padded seat and fully upholstered back are ergonomically designed for both support and comfort. Sturdy wood legs — available in either solid oak or walnut — bring a touch of mid-century style. Each piece is finished in a durable, all-natural matte stain that highlights the unique beauty of natural wood grain.

Design Trade Professionals: We aim to keep our designs in stock and ready to ship quickly for projects on a tight timeline. Designs may be customized with COM and alternate finishes (minimum quantities may apply). Visit guscontract.com for more information about our Trade & Contract programs.

Malloy Dining Chair

- Seat and back cushions are crafted with a high resiliency medium density foam covered in a Dacron wrap.
- It is normal for solid wood to expand and shrink because of variations in environmental humidity. A consistent humidity level of approximately 50% is recommended to prevent cracks and surface splits.
- Wood is a natural material, with variations in grain pattern and colour that make each design unique.
- Legs and base of chair are crafted from solid Oak or Walnut.
- Wood surfaces are finished with Rubio® Monocoat - a durable, matte, oil-based protector designed to highlight the beauty of natural wood.
- Wood finish is certified 0% VOC and is an all-natural, environmentally friendly product.
- Over time the finish will develop a rich patina which highlights the beauty of the natural wood.
- Surface can be revitalized as desired. Visit Rubio® Monocoat website for more information.
- Non-marking tack glide feet on legs to protect hardwood floors.
- Manufactured to meet California TB117-2013 fire safety standards without the use of flame retardant additives in the upholstery foam.
- All fabric is California TB117-2013 certified and double rub tested.
