

KWDB-20

Air Switch Button

Button Dimensions

Overall Dimensions: Ø1 7/8" X 3 1/2"

Features

- Stainless Steel & ABS Construction
- Easily installs with previously used Air Switch Button Kits or with Integrated Air Switch Garbage Disposal Models
- A convenient alternative to the traditional wall switch and a perfect fit for most models of garbage disposals
- Longer threading tube makes installing the switch easy on any surface such as Soap Dispenser Hole, a Counter Cutout, or on an Island
- Will turn on and stay on until the button is pressed again

Available Finishes

- Chrome
- Matte Black
- Brushed Brass
- Spot Free Antique Champagne Bronze
- Spot Free Stainless Steel
