Howard Miller delivers stunning design with this polished chrome tripod grandfather clock. With a polished appearance and unique style, this clock is an ideal decorative piece for any home or office.

**Tripod Design:** The tripod and bezel design of this Howard Miller exclusive were inspired by retro Hollywood movie lights and feature clear acrylic legs with polished chrome-finished metal accents. The end result is a truly unique and memorable piece.

**Unique Face:** Beautifully designed, this clock features a stationary white dial with chrome-finished Arabic numerals, hour markers, and hands, all surrounded by a wide, polished chrome-finished bezel. Paired with the unique face is a polished chrome-finished pendulum bob suspended on a polished chrome-finished metal stick.

**Polished Chrome:** With highly polished and reflective metal finishes, natural blemishes are normal and add to the unique flair of this stunning tripod grandfather clock.

**Quartz Movement:** Quartz, triple-chime Harmonic movement plays your choice of full Westminster or Ave Maria chimes with strike on the hour with 1/4, 1/2, and 3/4 chimes accordingly. Additionally, this clock features volume control and an automatic nighttime chime shut-off option and requires two C sized and two D sized batteries.
