

Levigne Desk

111184

Modern geometric design shines with the Levigne Desk. Black powder-coated iron shelving and table top contrasts beautifully with the antique brass powder-coated legs. Functional and stylish, this piece is the perfect fit for any office or living space. Made in India. With refined craftsmanship, this design was brought to life by skilled local artisans. Due to the nature of handcraftsmanship, unique imperfections such as fissures, markings and variations in colour and shape are welcomed and appreciated characteristics for a truly one-of-a-kind piece.
