Before You Start

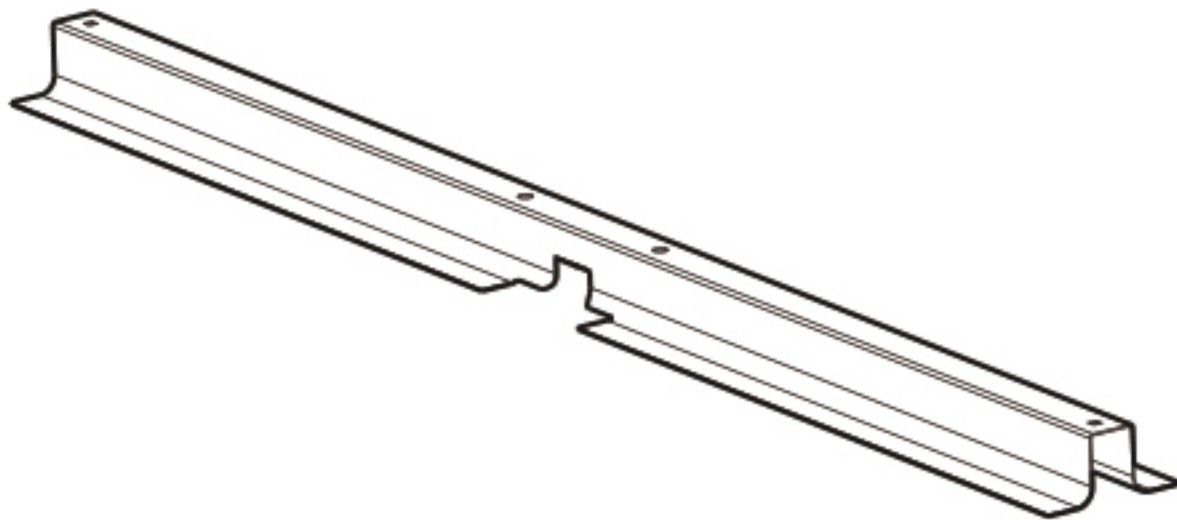

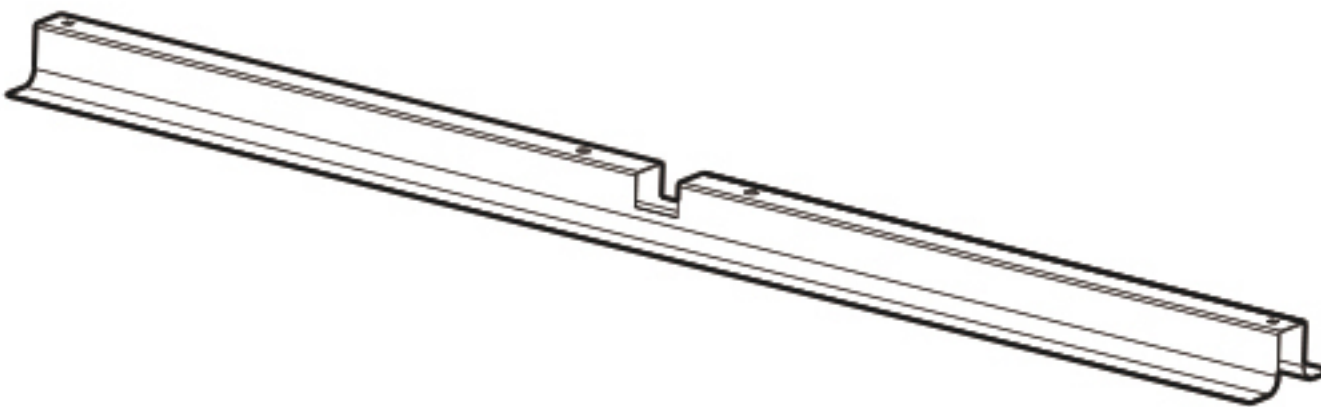

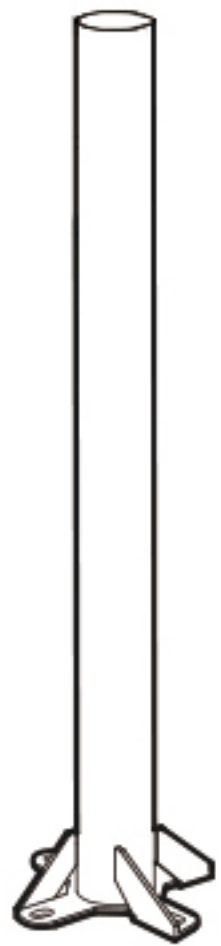

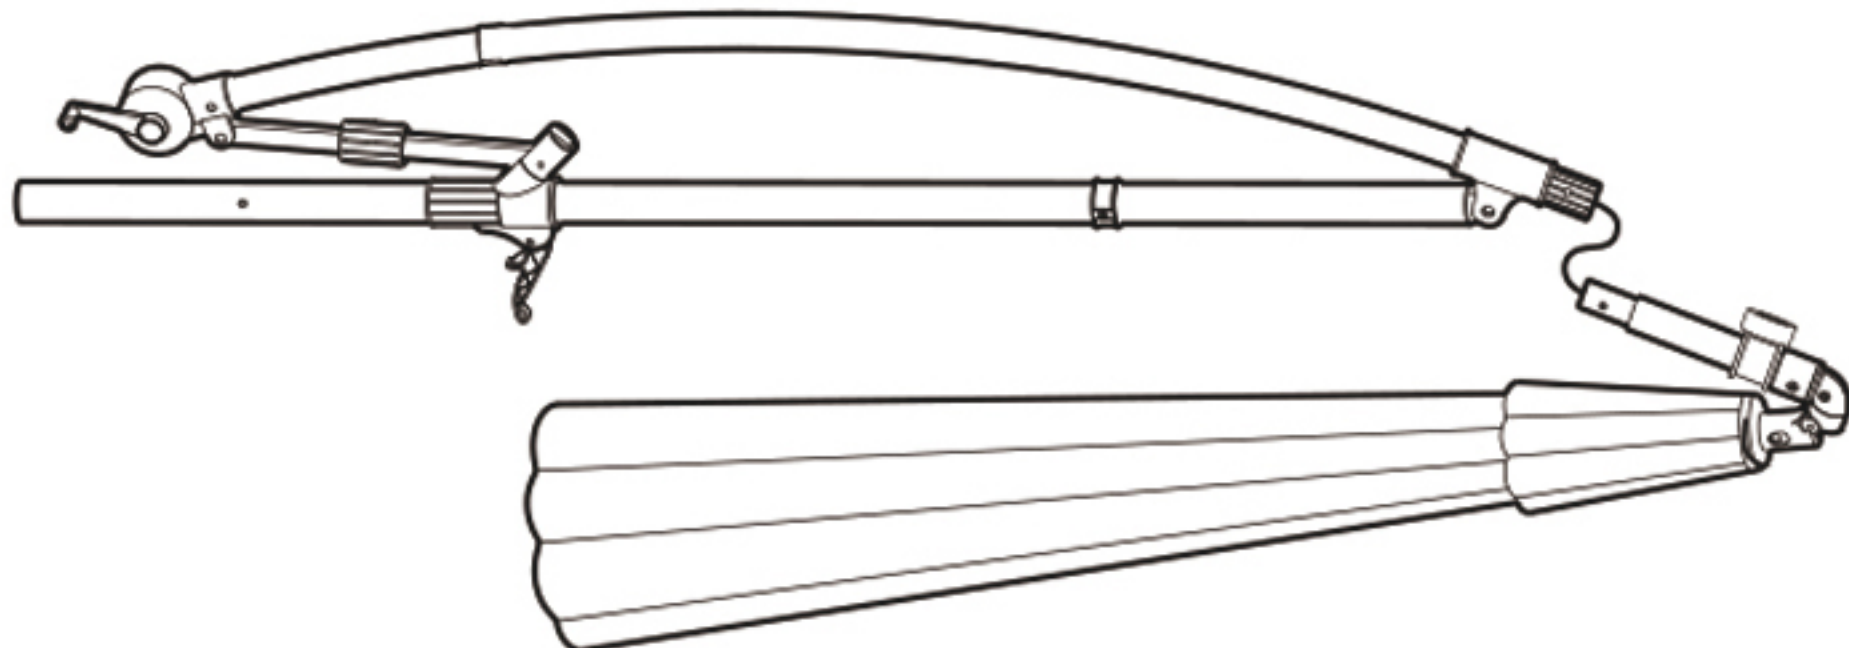

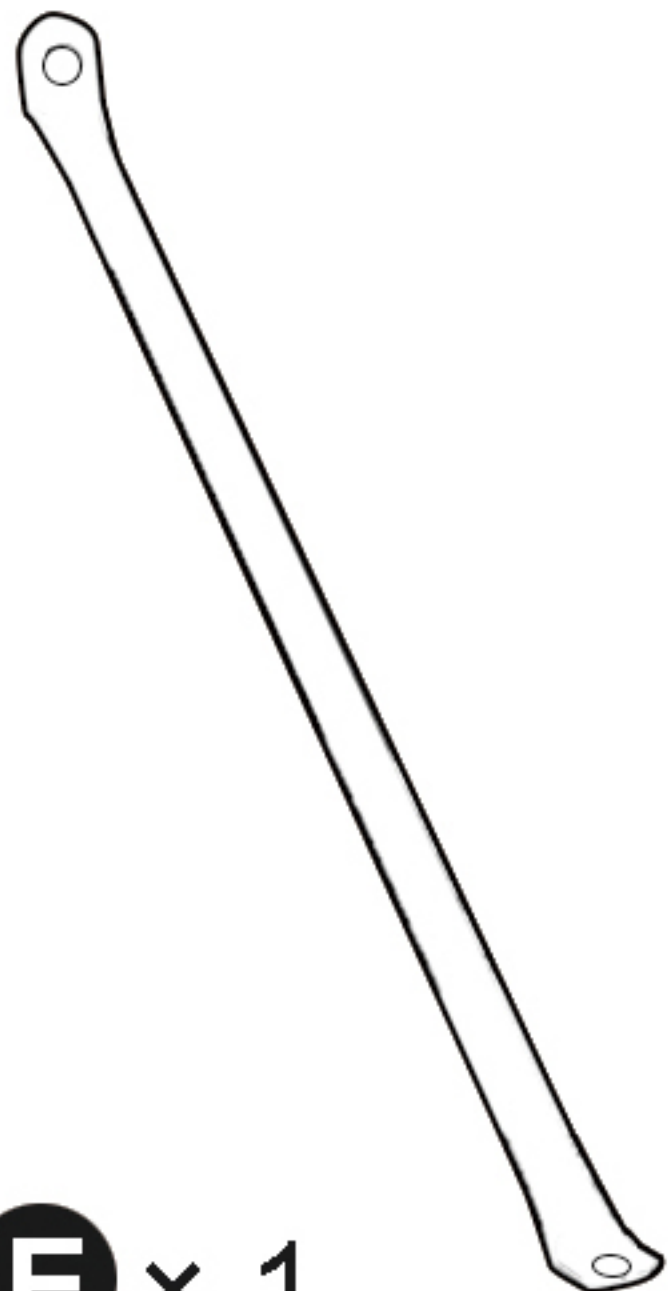

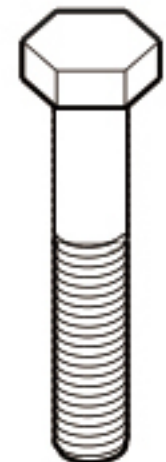

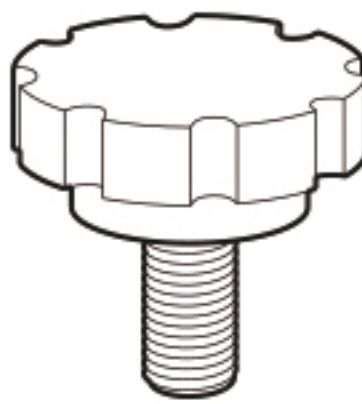

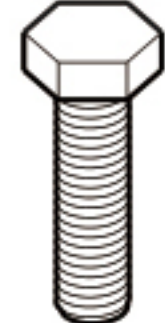

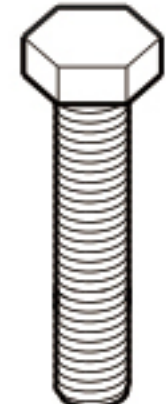

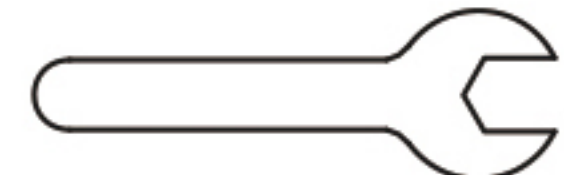

- ⚠ Please read all instructions carefully.
- ⚠ Retain instructions for future reference.
- ⚠ Separate and count all parts and hardware.
- ⚠ Read through each step carefully and follow the proper order.
- ⚠ We recommend that, where possible, all items are assembled near to the area in which they will be placed in use, to avoid moving the product unnecessarily once assembled.
- ⚠ Always place the product on a flat, steady and stable surface.
- ⚠ Keep all small parts and packaging materials for this product away from babies and children as they potentially pose a serious choking hazard.

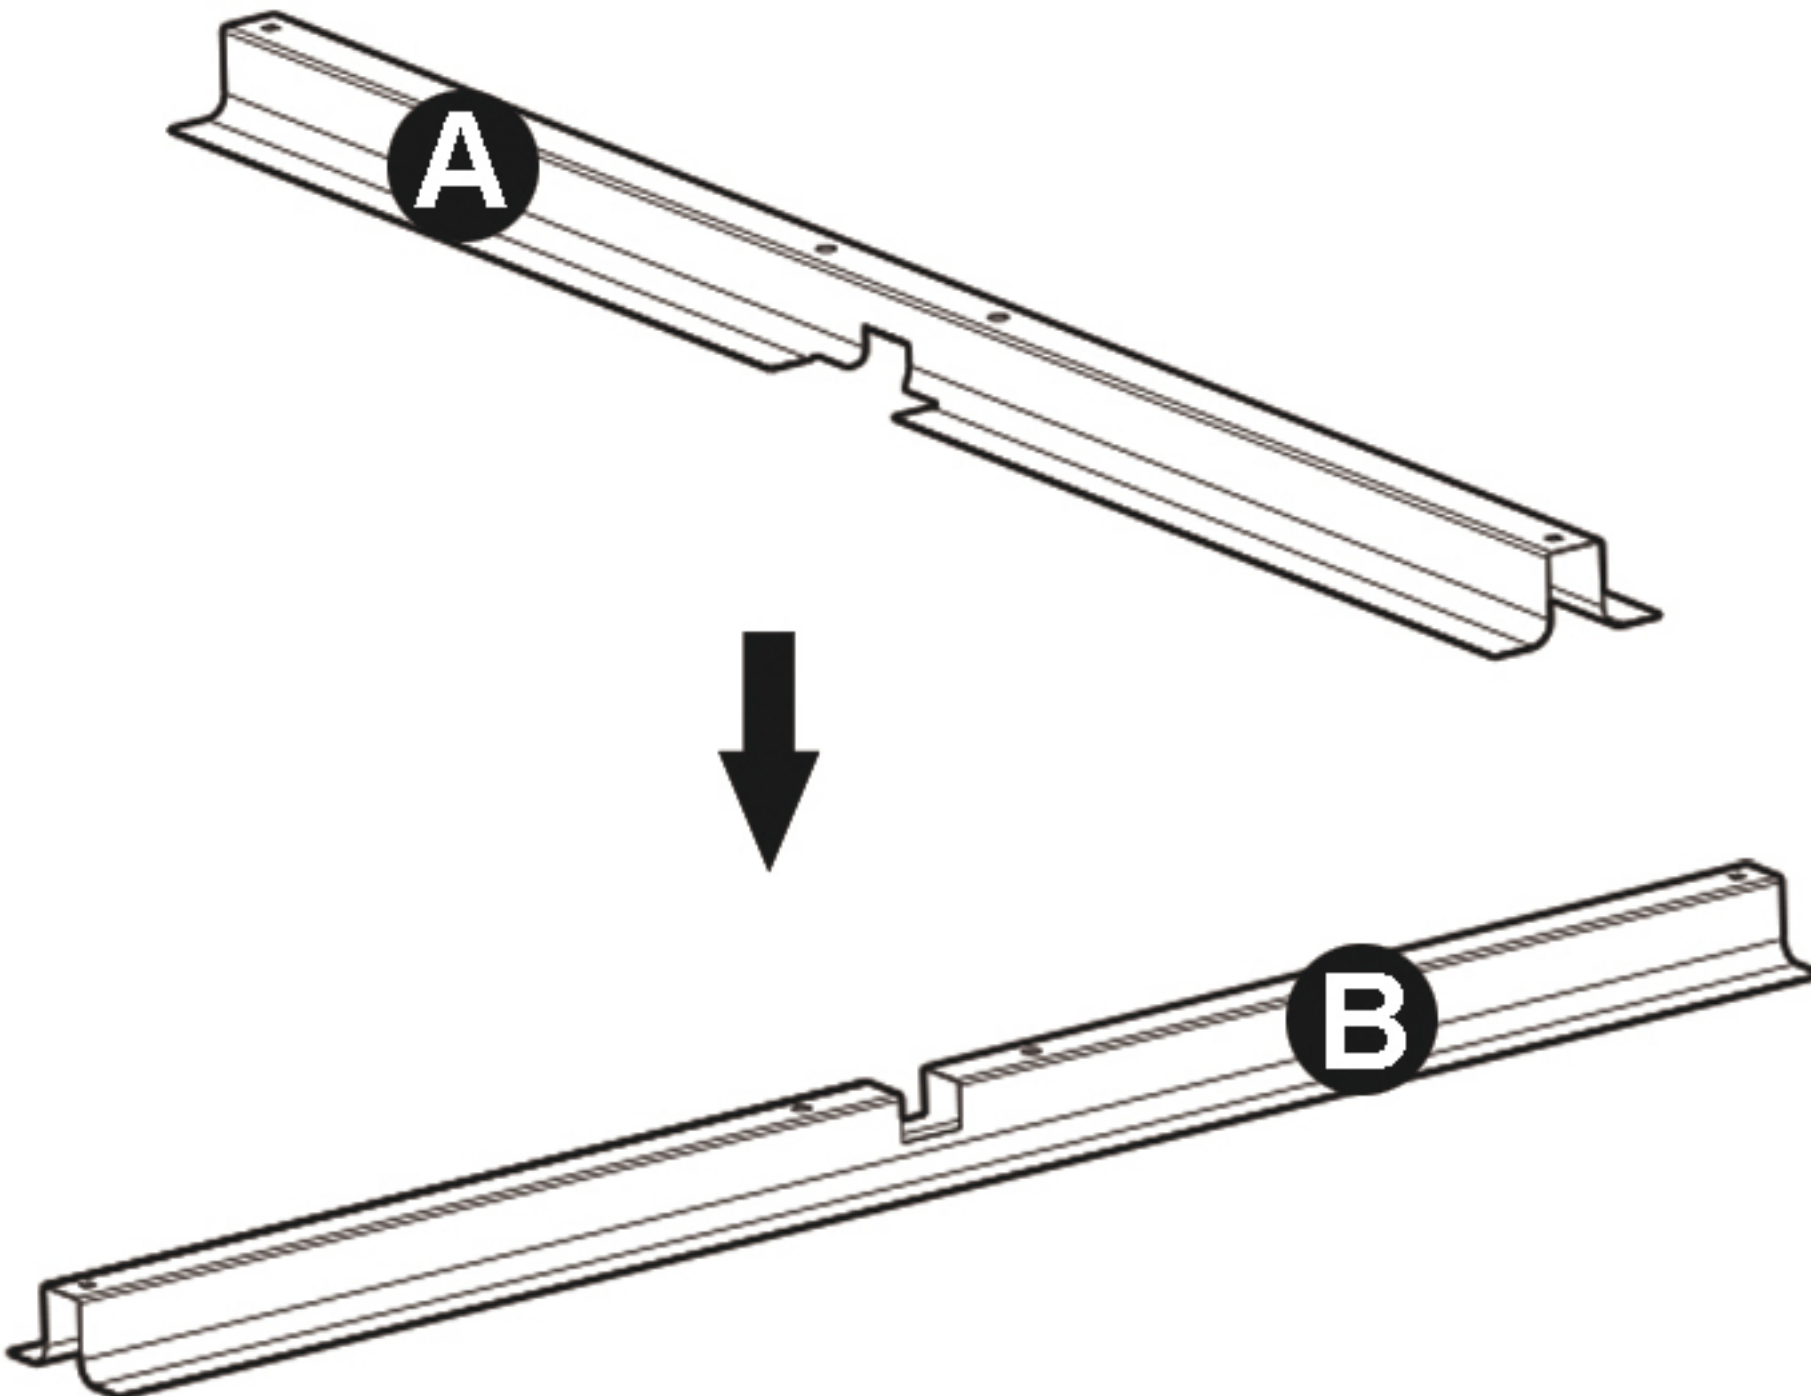

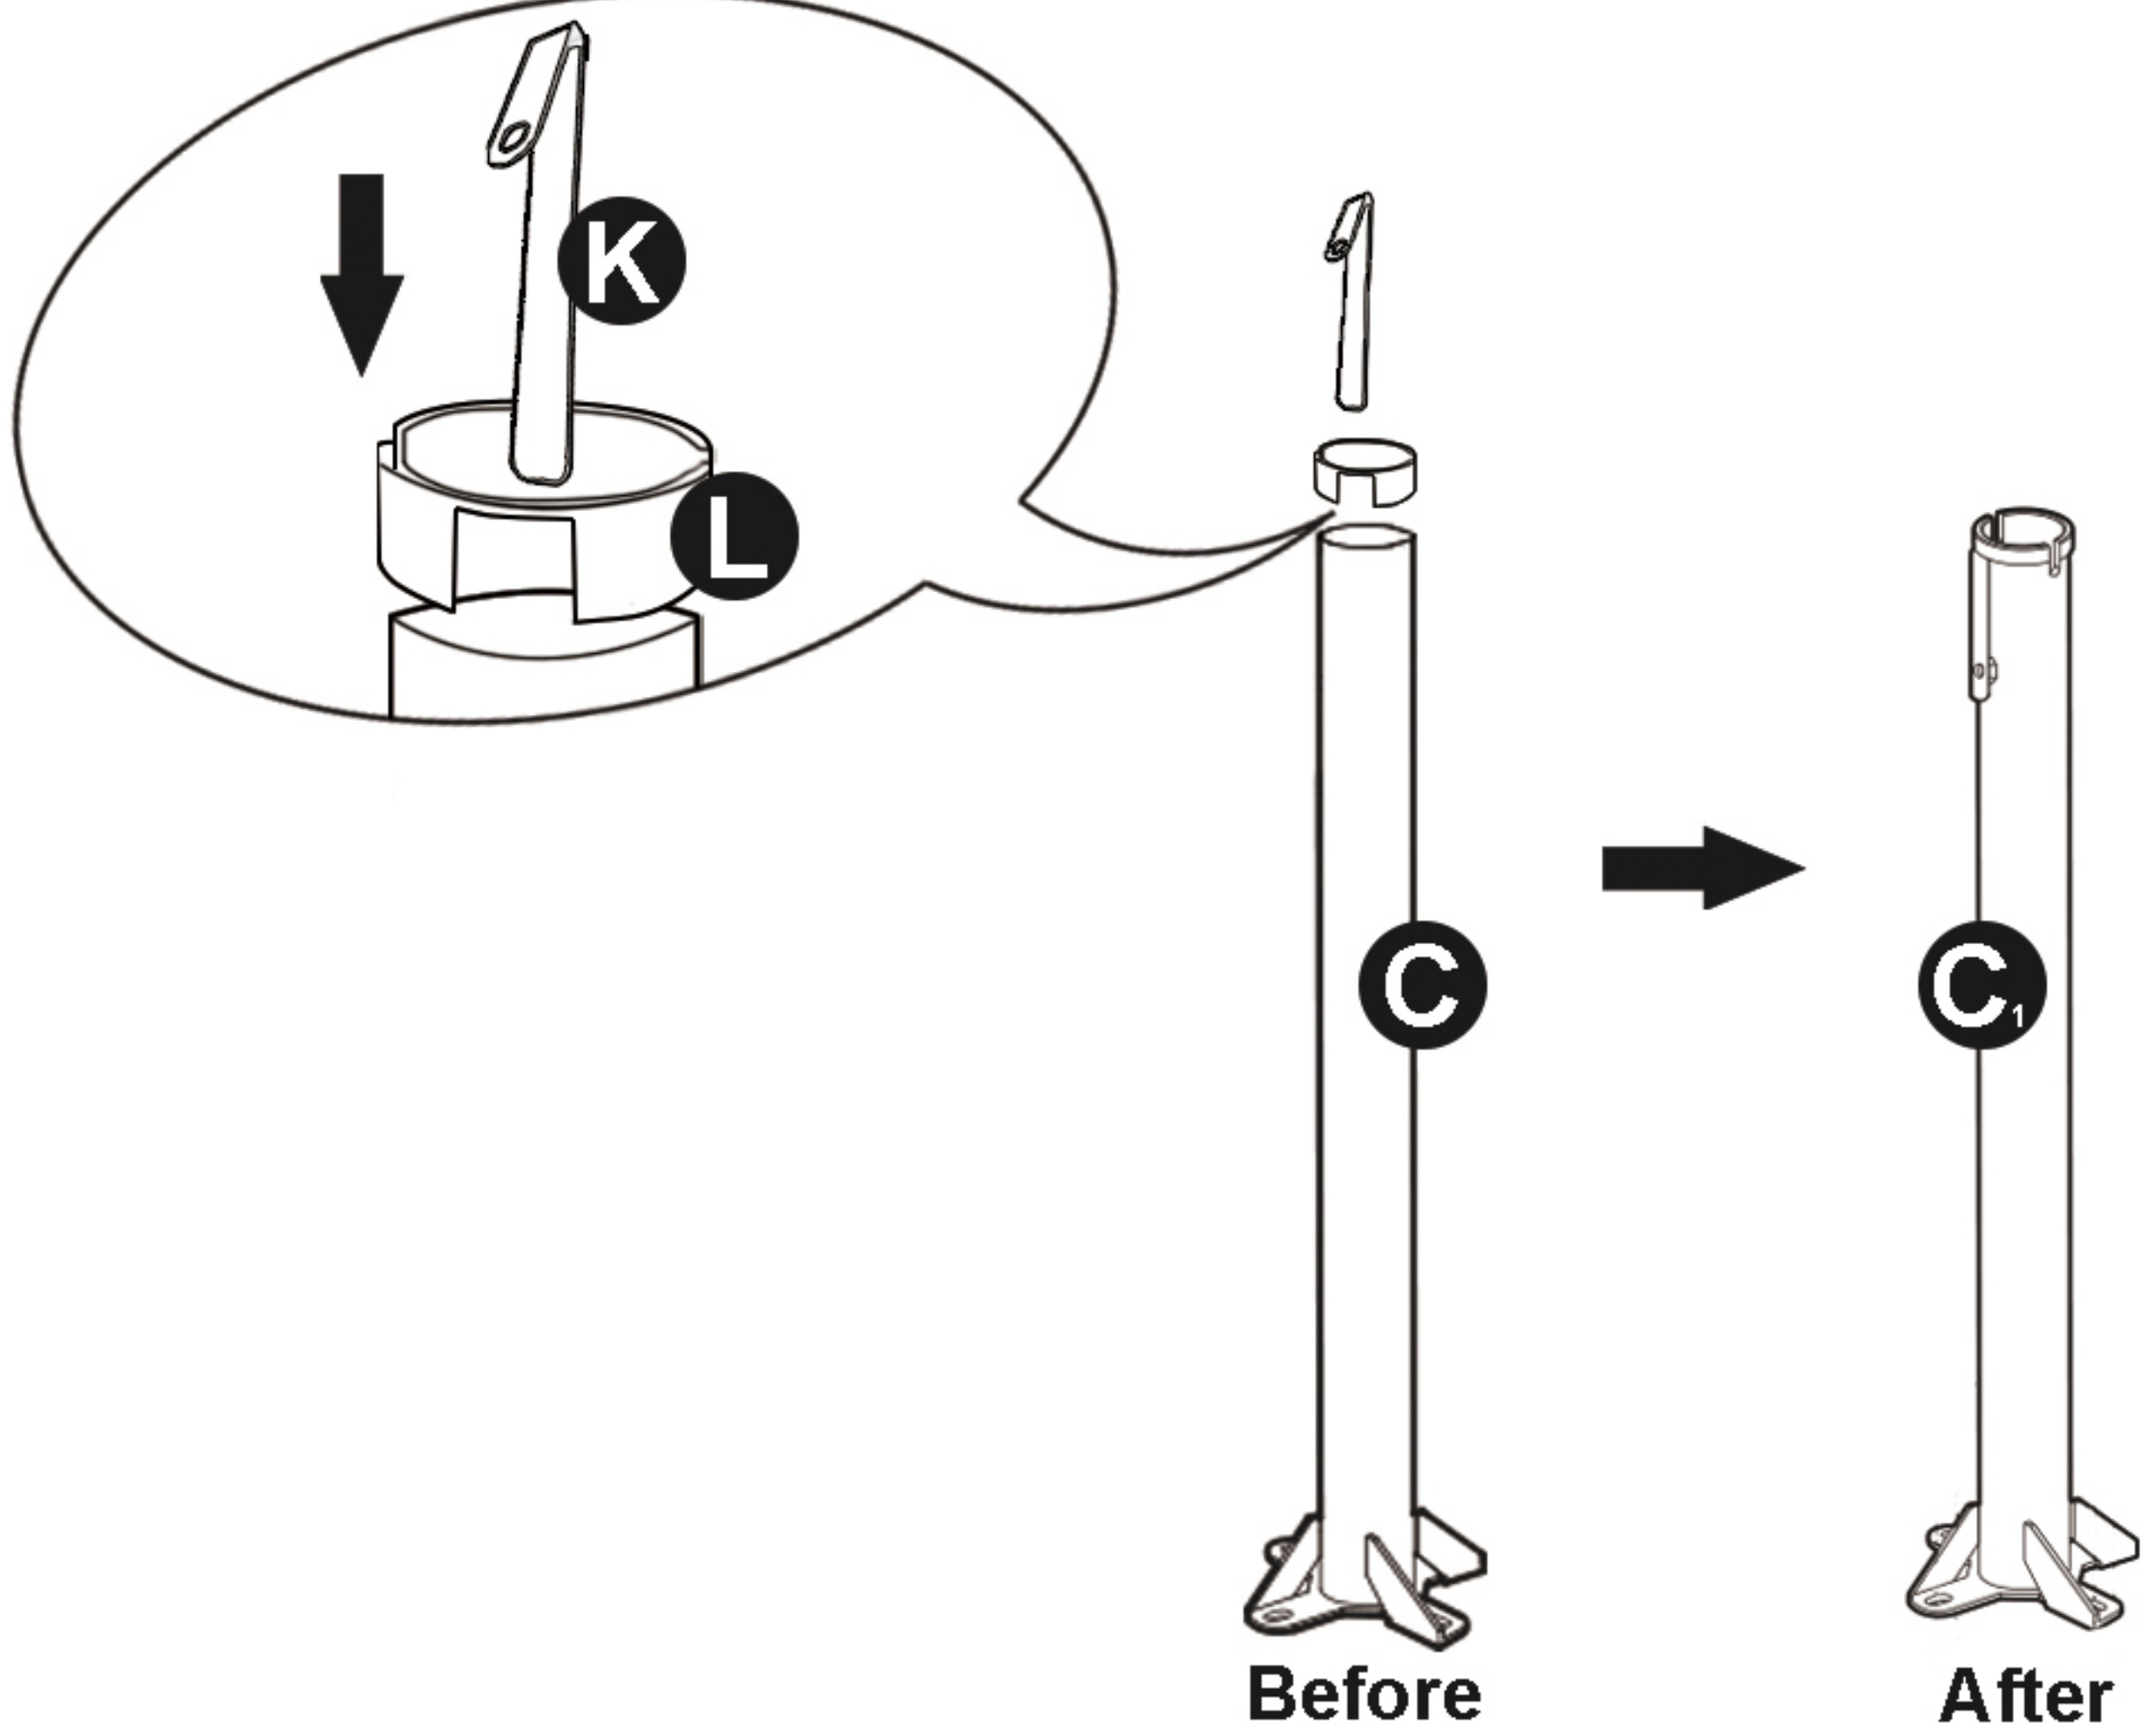

Notes

- Personal injury and/or damage to the product may occur if products are used outside of their intended purposes and/or if products have been changed/modified from their original design. The product must be assembled and used in accordance with the provisions of the manual. The seller does not assume any responsibility or liability with respect to any damage caused by incorrect assembly or improper use.
- Carefully check accessories when opening the package. If anything is missing or damaged, please contact us immediately.
- Do not use the parasol without an umbrella stand (NOT included).
- This parasol is only used for shading and decoration purposes.
- Store the parasol in a dry, sheltered place, such as a garage or basement during high winds, rainy days, and the off-season.
- Never force your parasol open. Umbrella mechanics should open gently and easily.

Product Assembly	
1	Align and combine the grooves of part A with the grooves of part B.
	
2	Sleeve part K into part C after combining it with part L. Make sure that the round hole of part K is aligned with the round hole of part C. The completed structure is shown in Fig. C1.
	

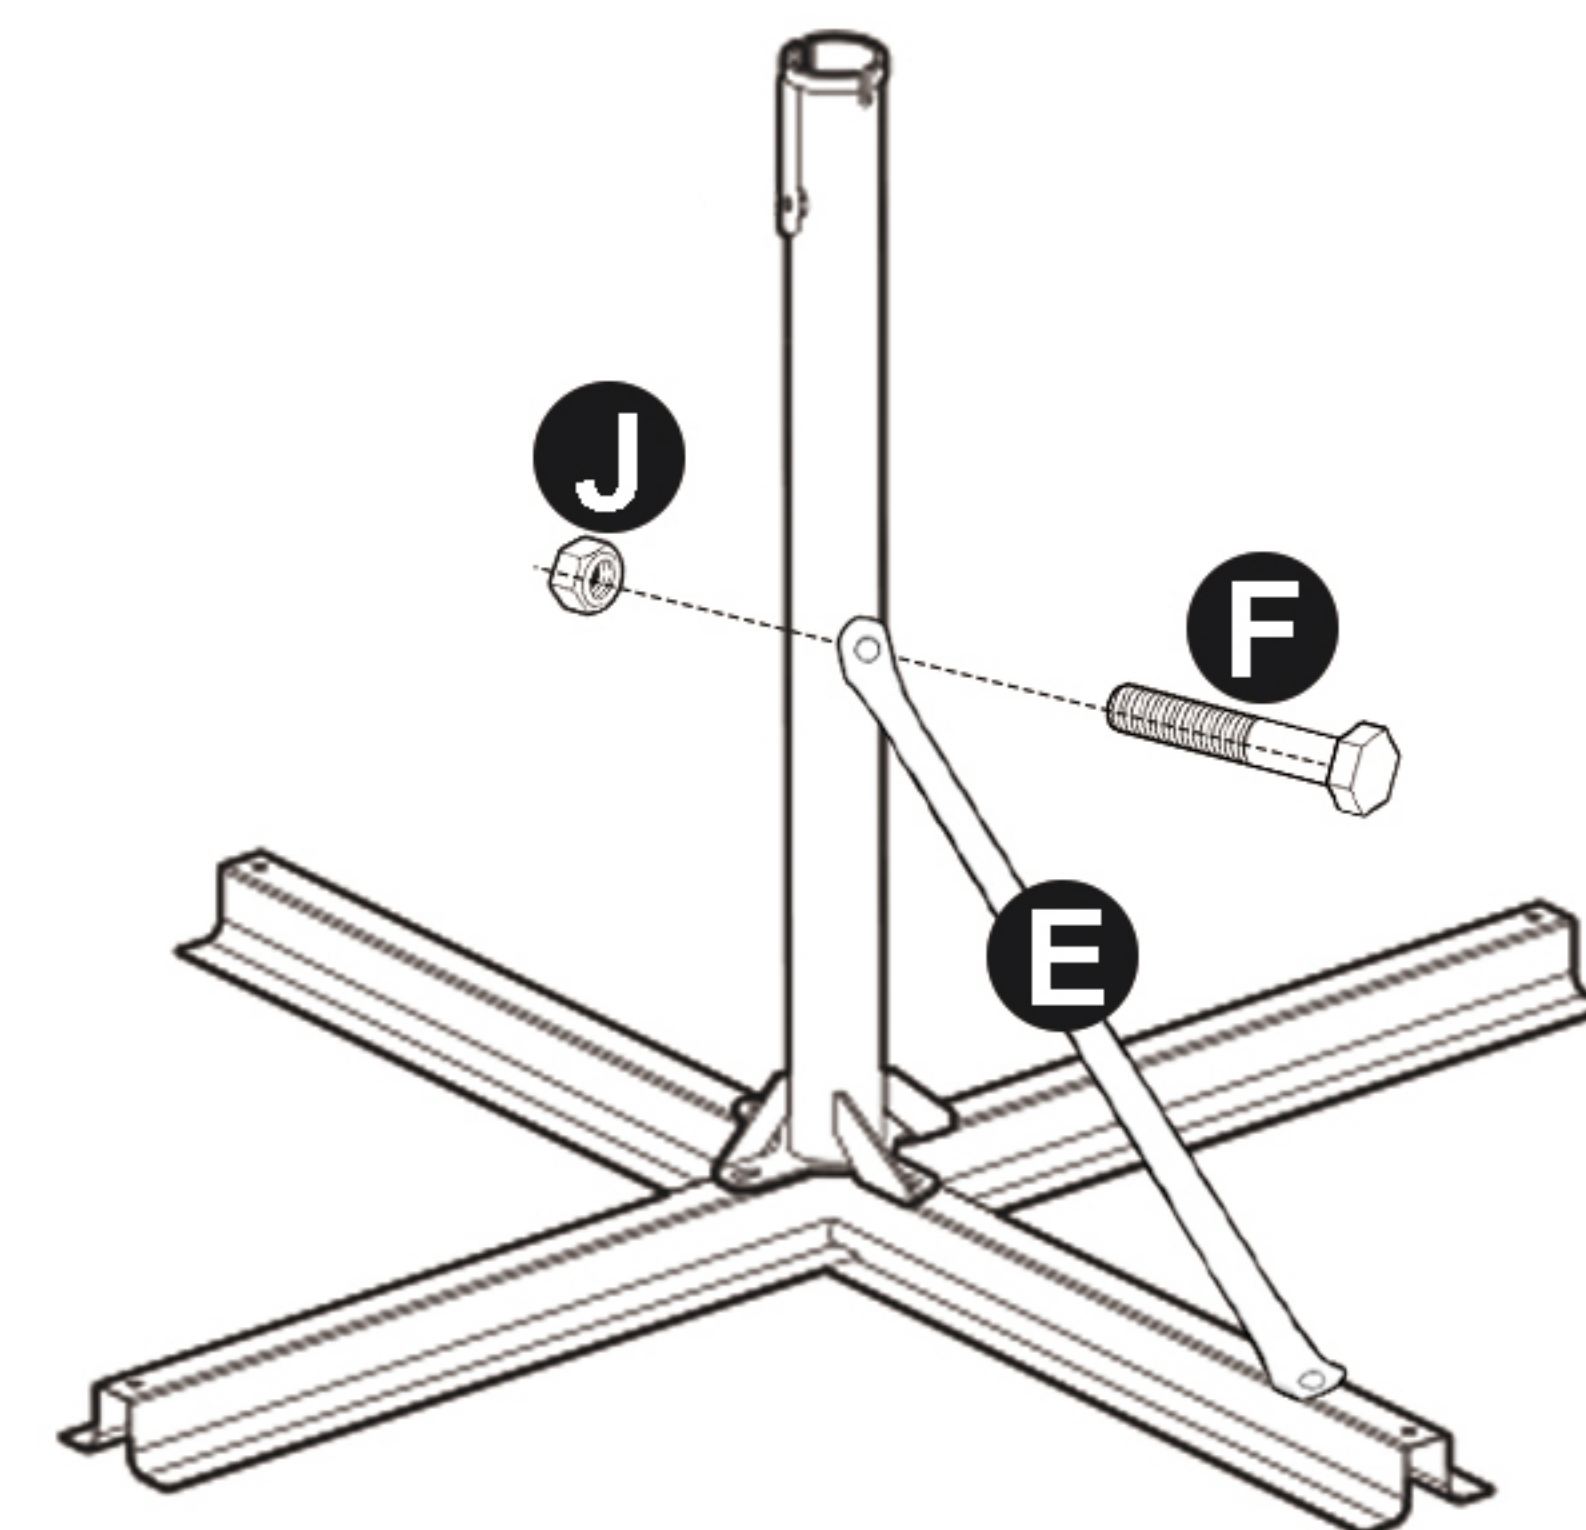

3

Secure part C to the cross base, align part H (four) with the four round holes of part C, and tighten part I (four).

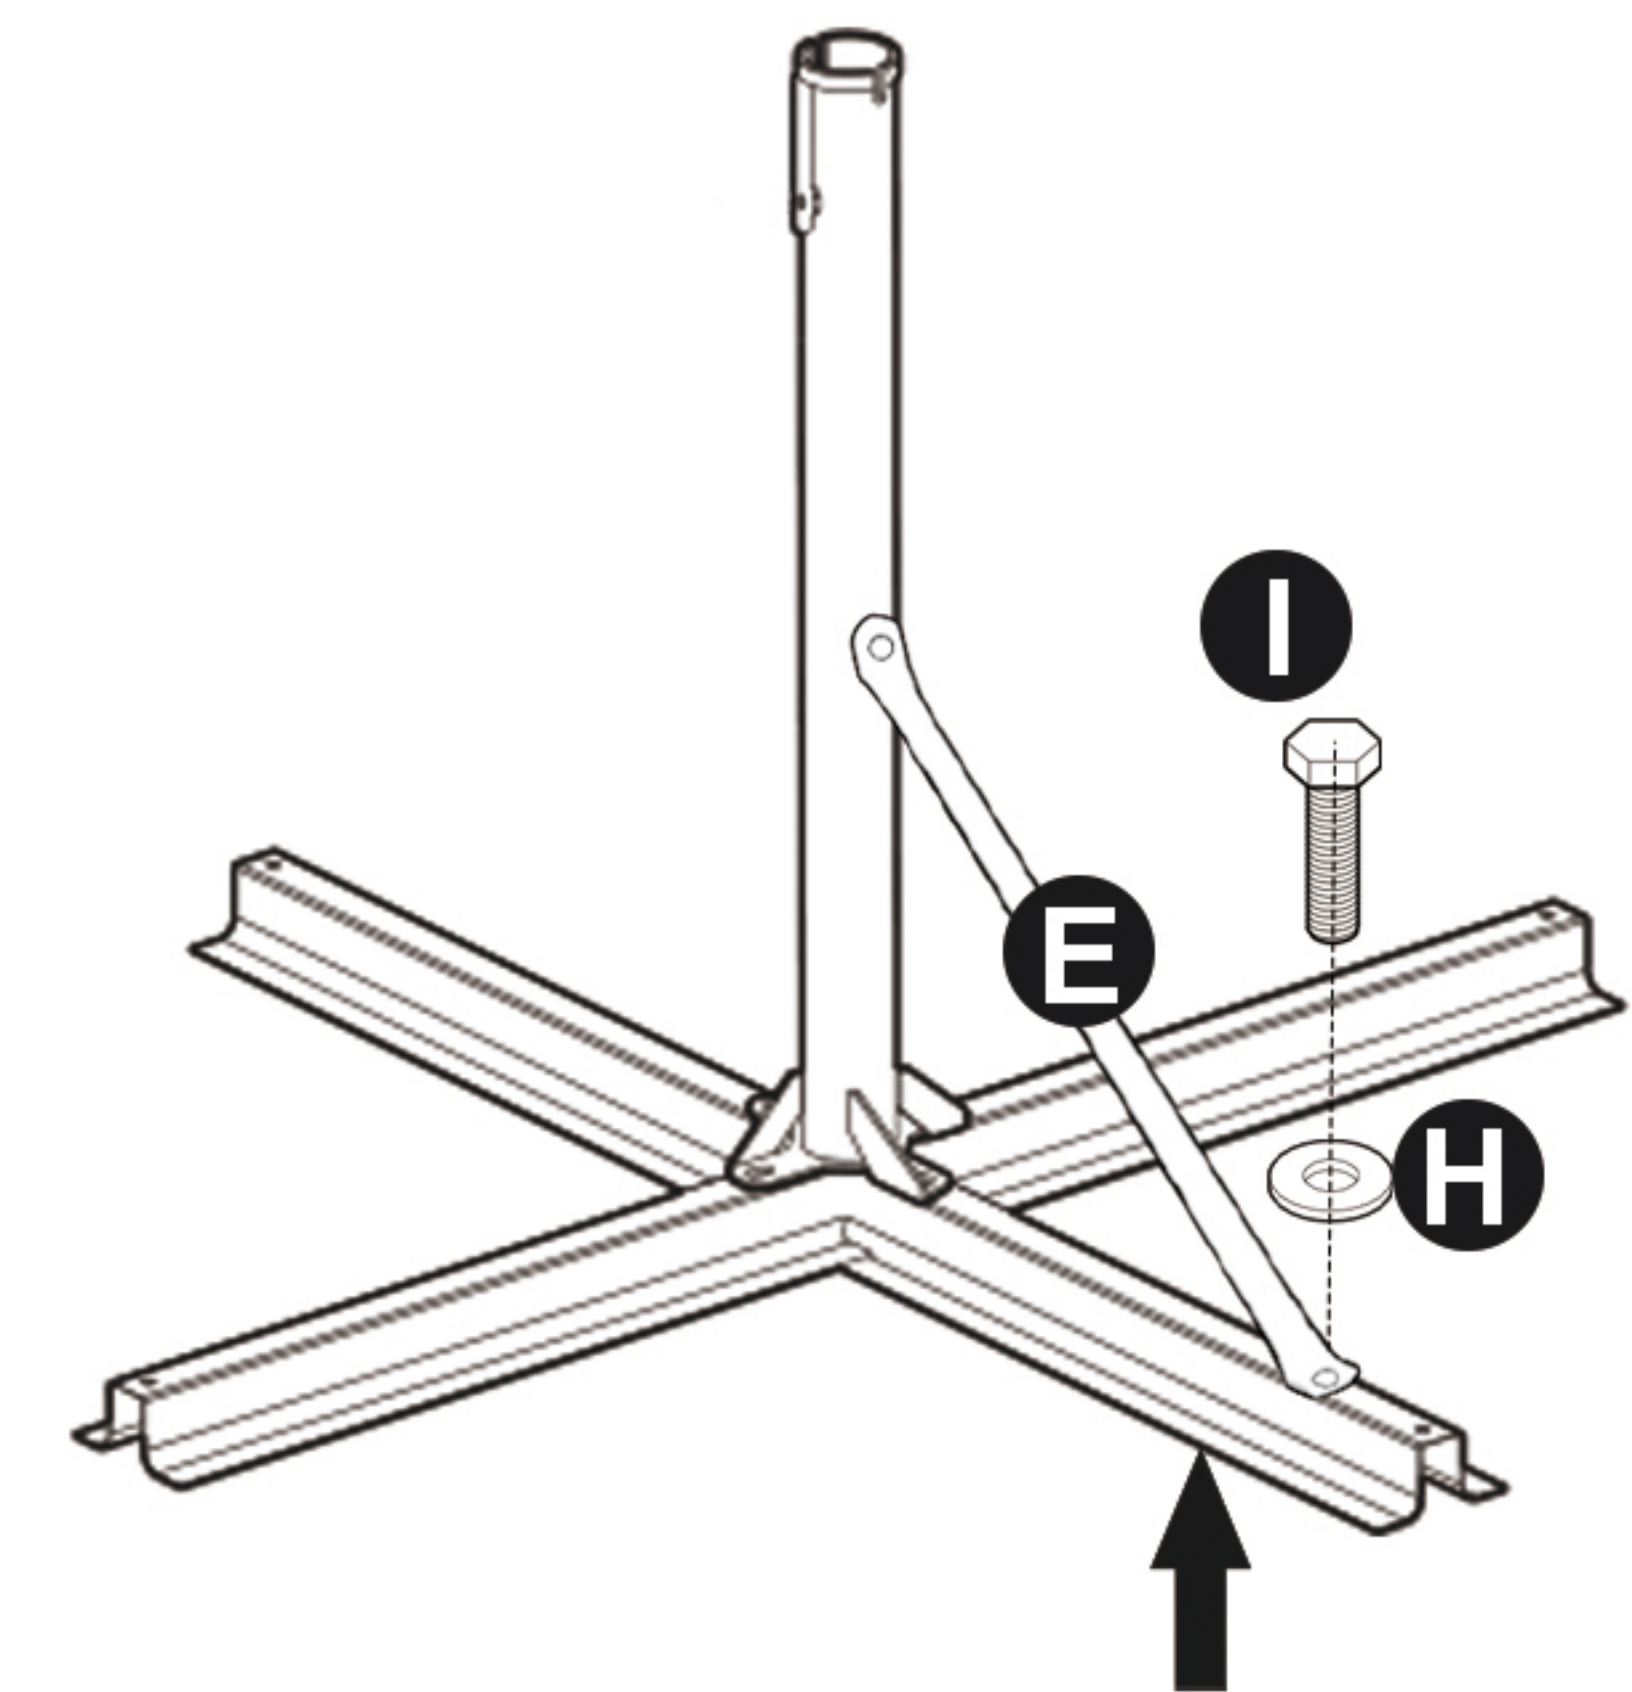

4

Place part E in the position shown and tighten using part F and part J.

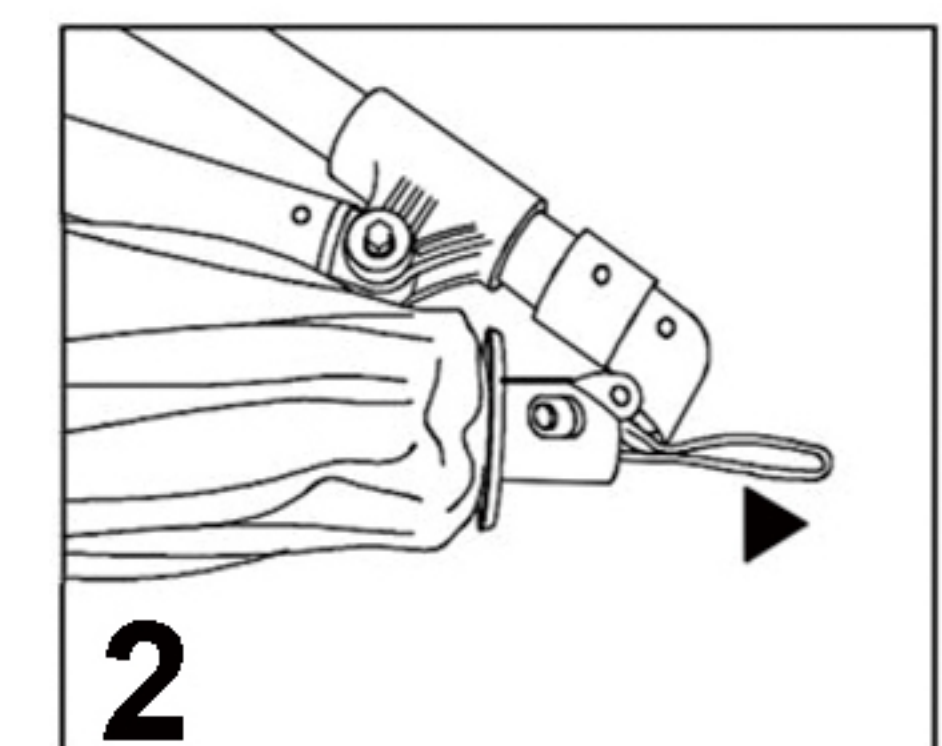

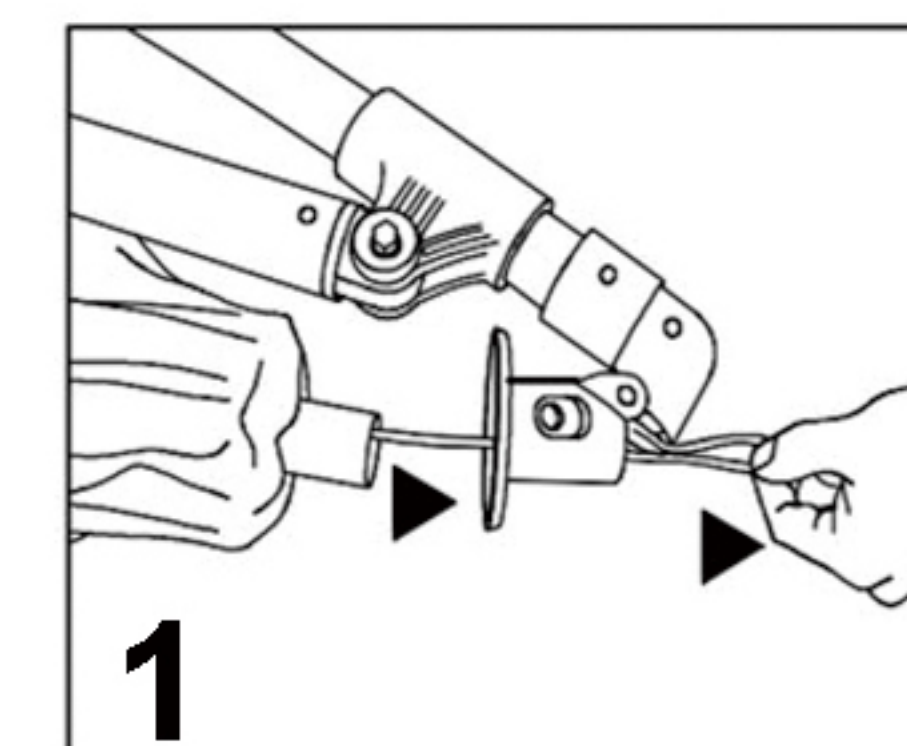

5

Align part H with the round holes and tighten using part I.
(If a four-piece base was purchased, refer to installation manual 328764447).

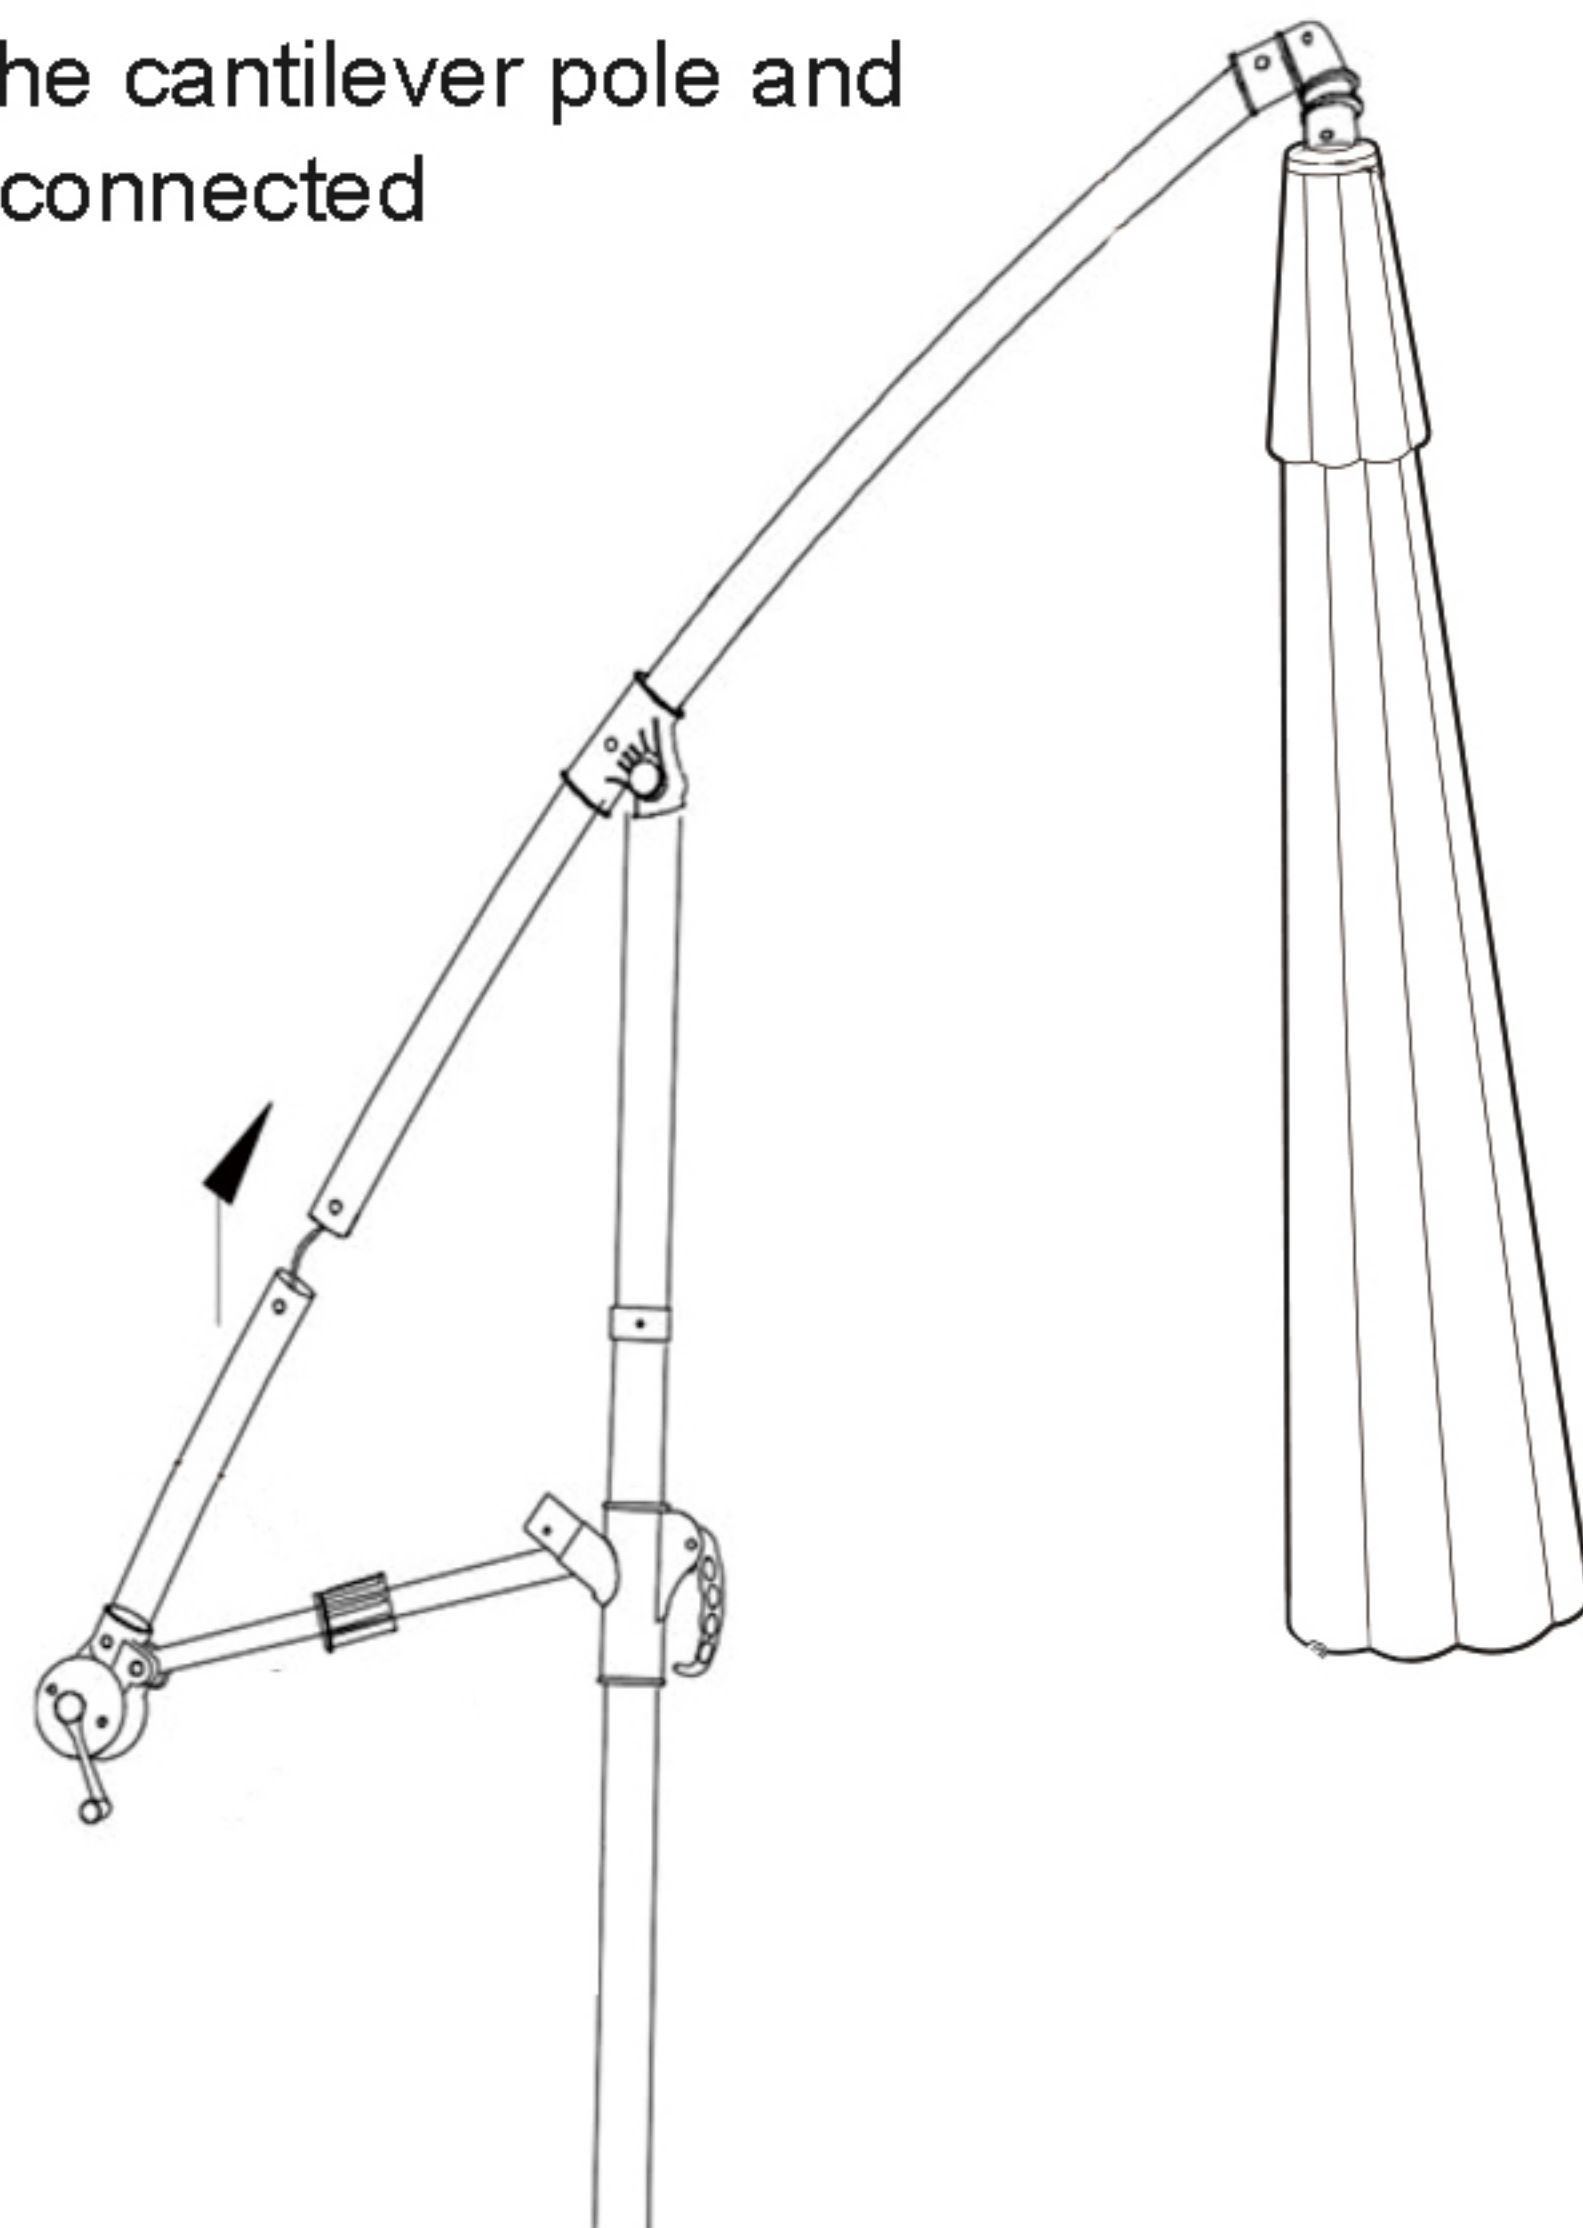

6

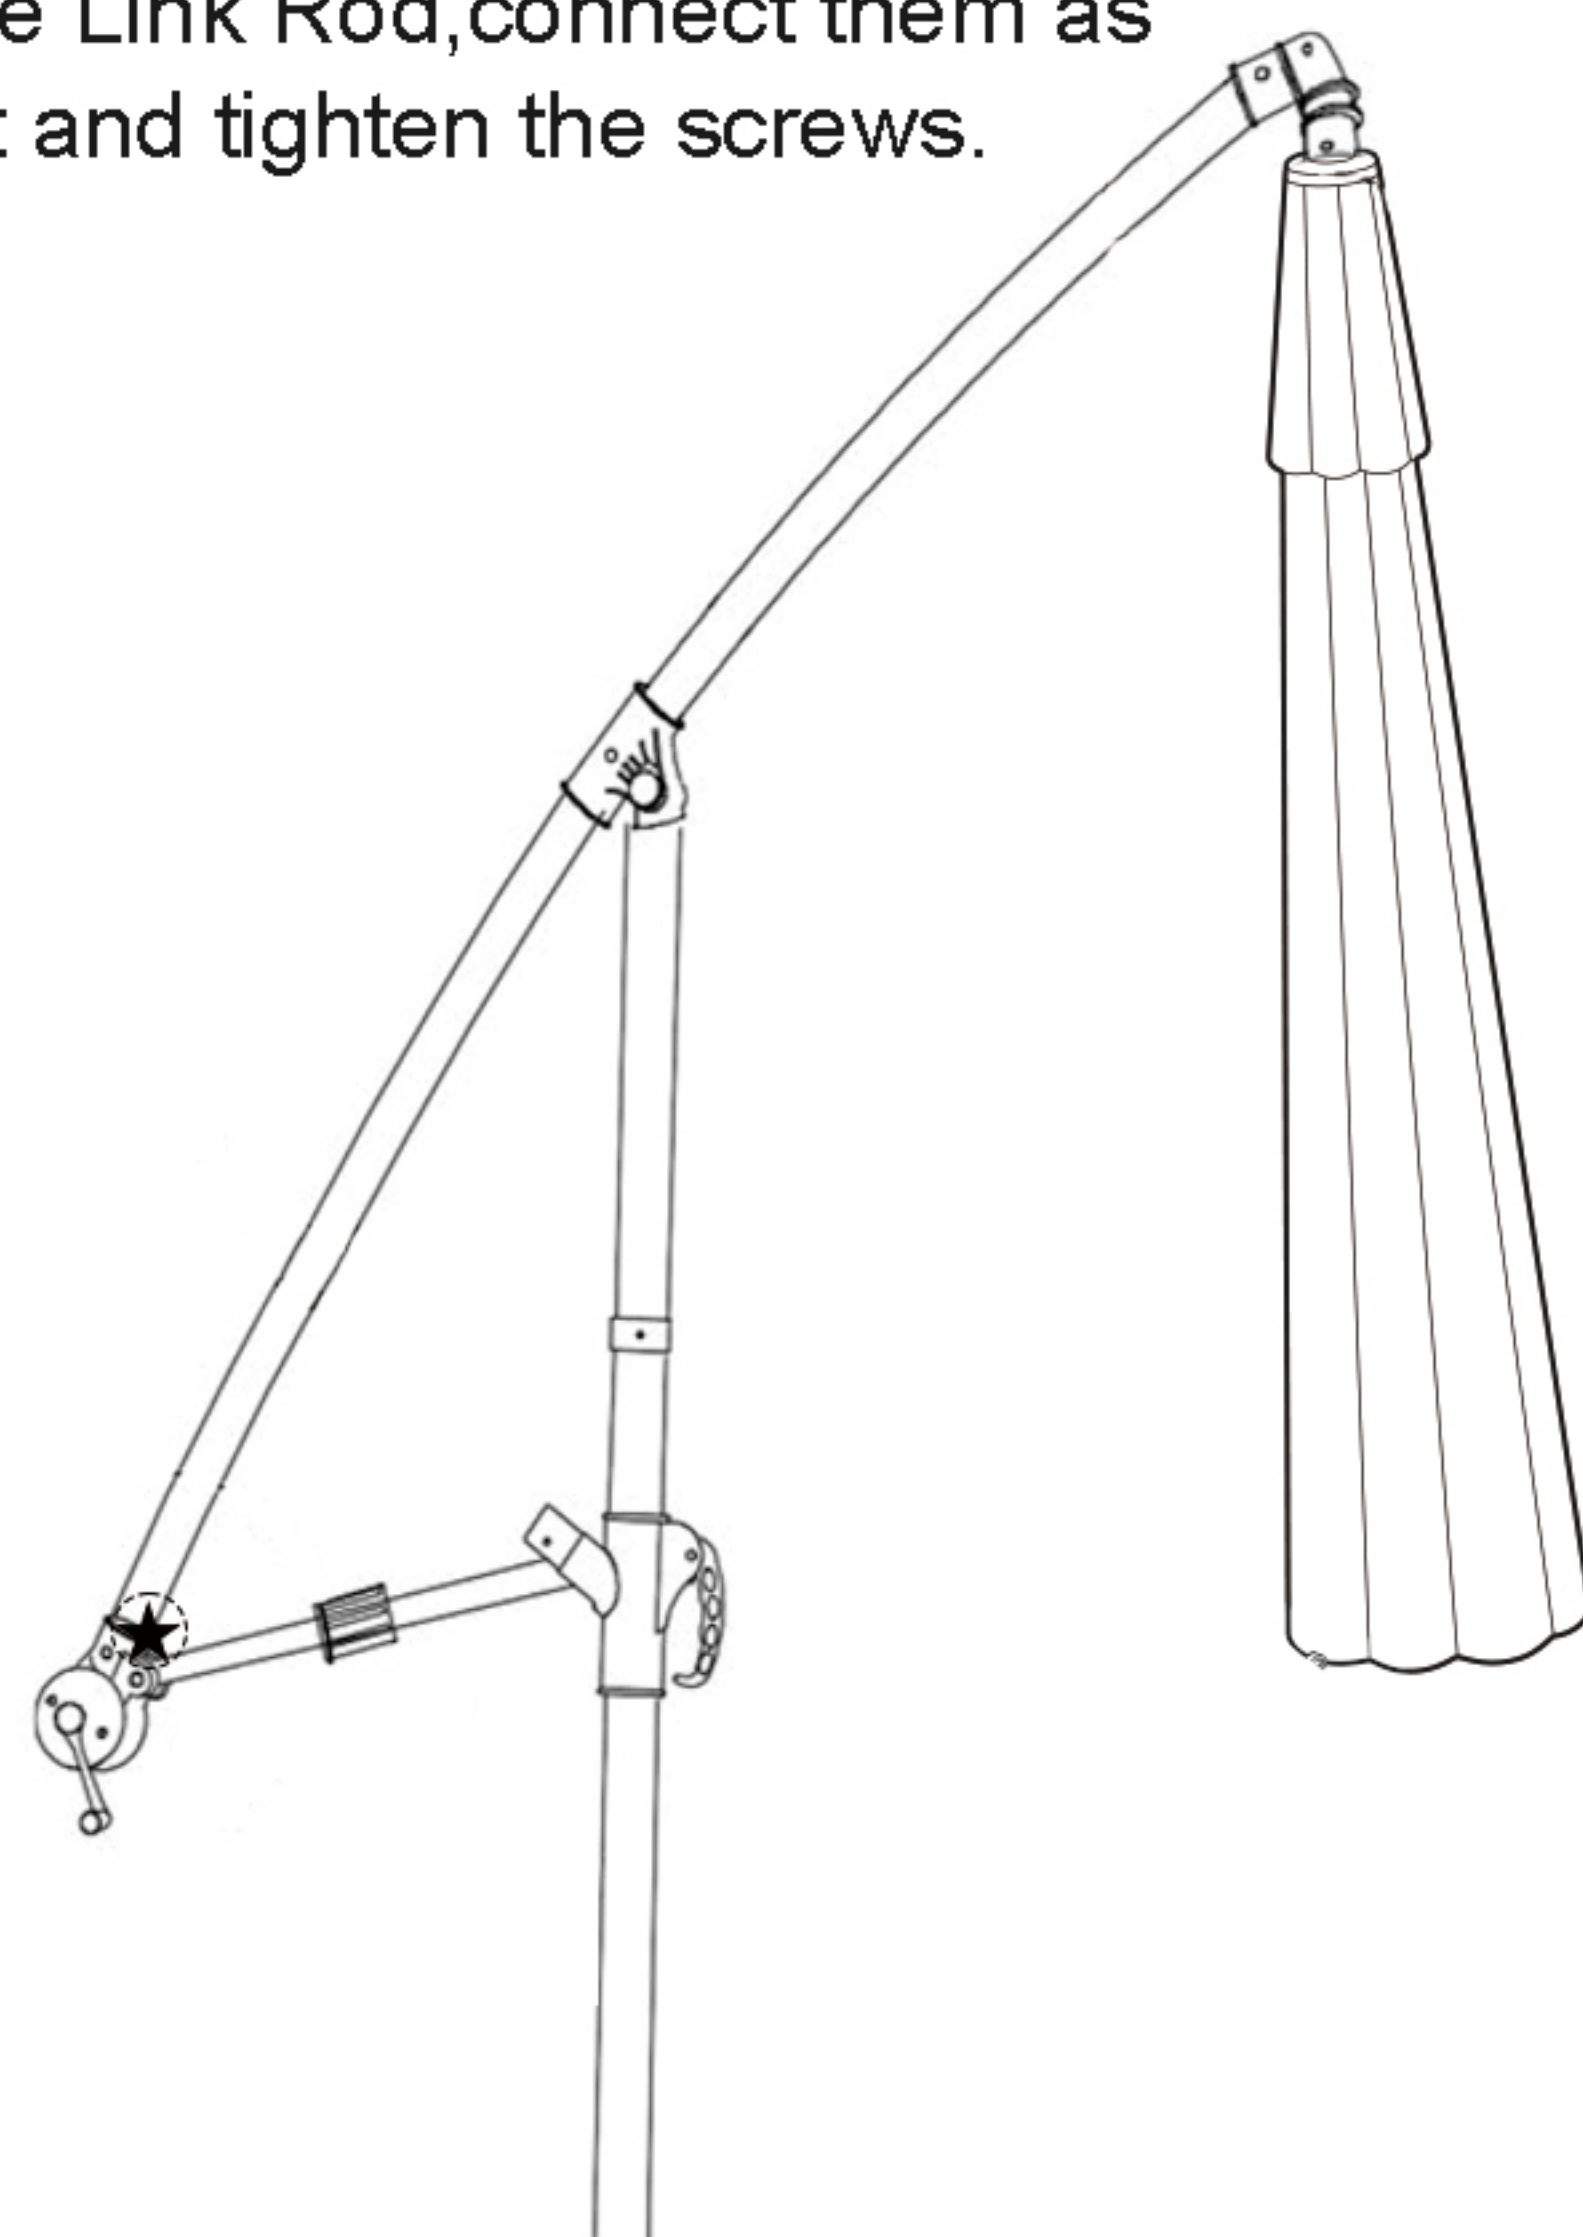

Tighten the rope and connect the umbrella to the cantilever bar as shown in the figure.

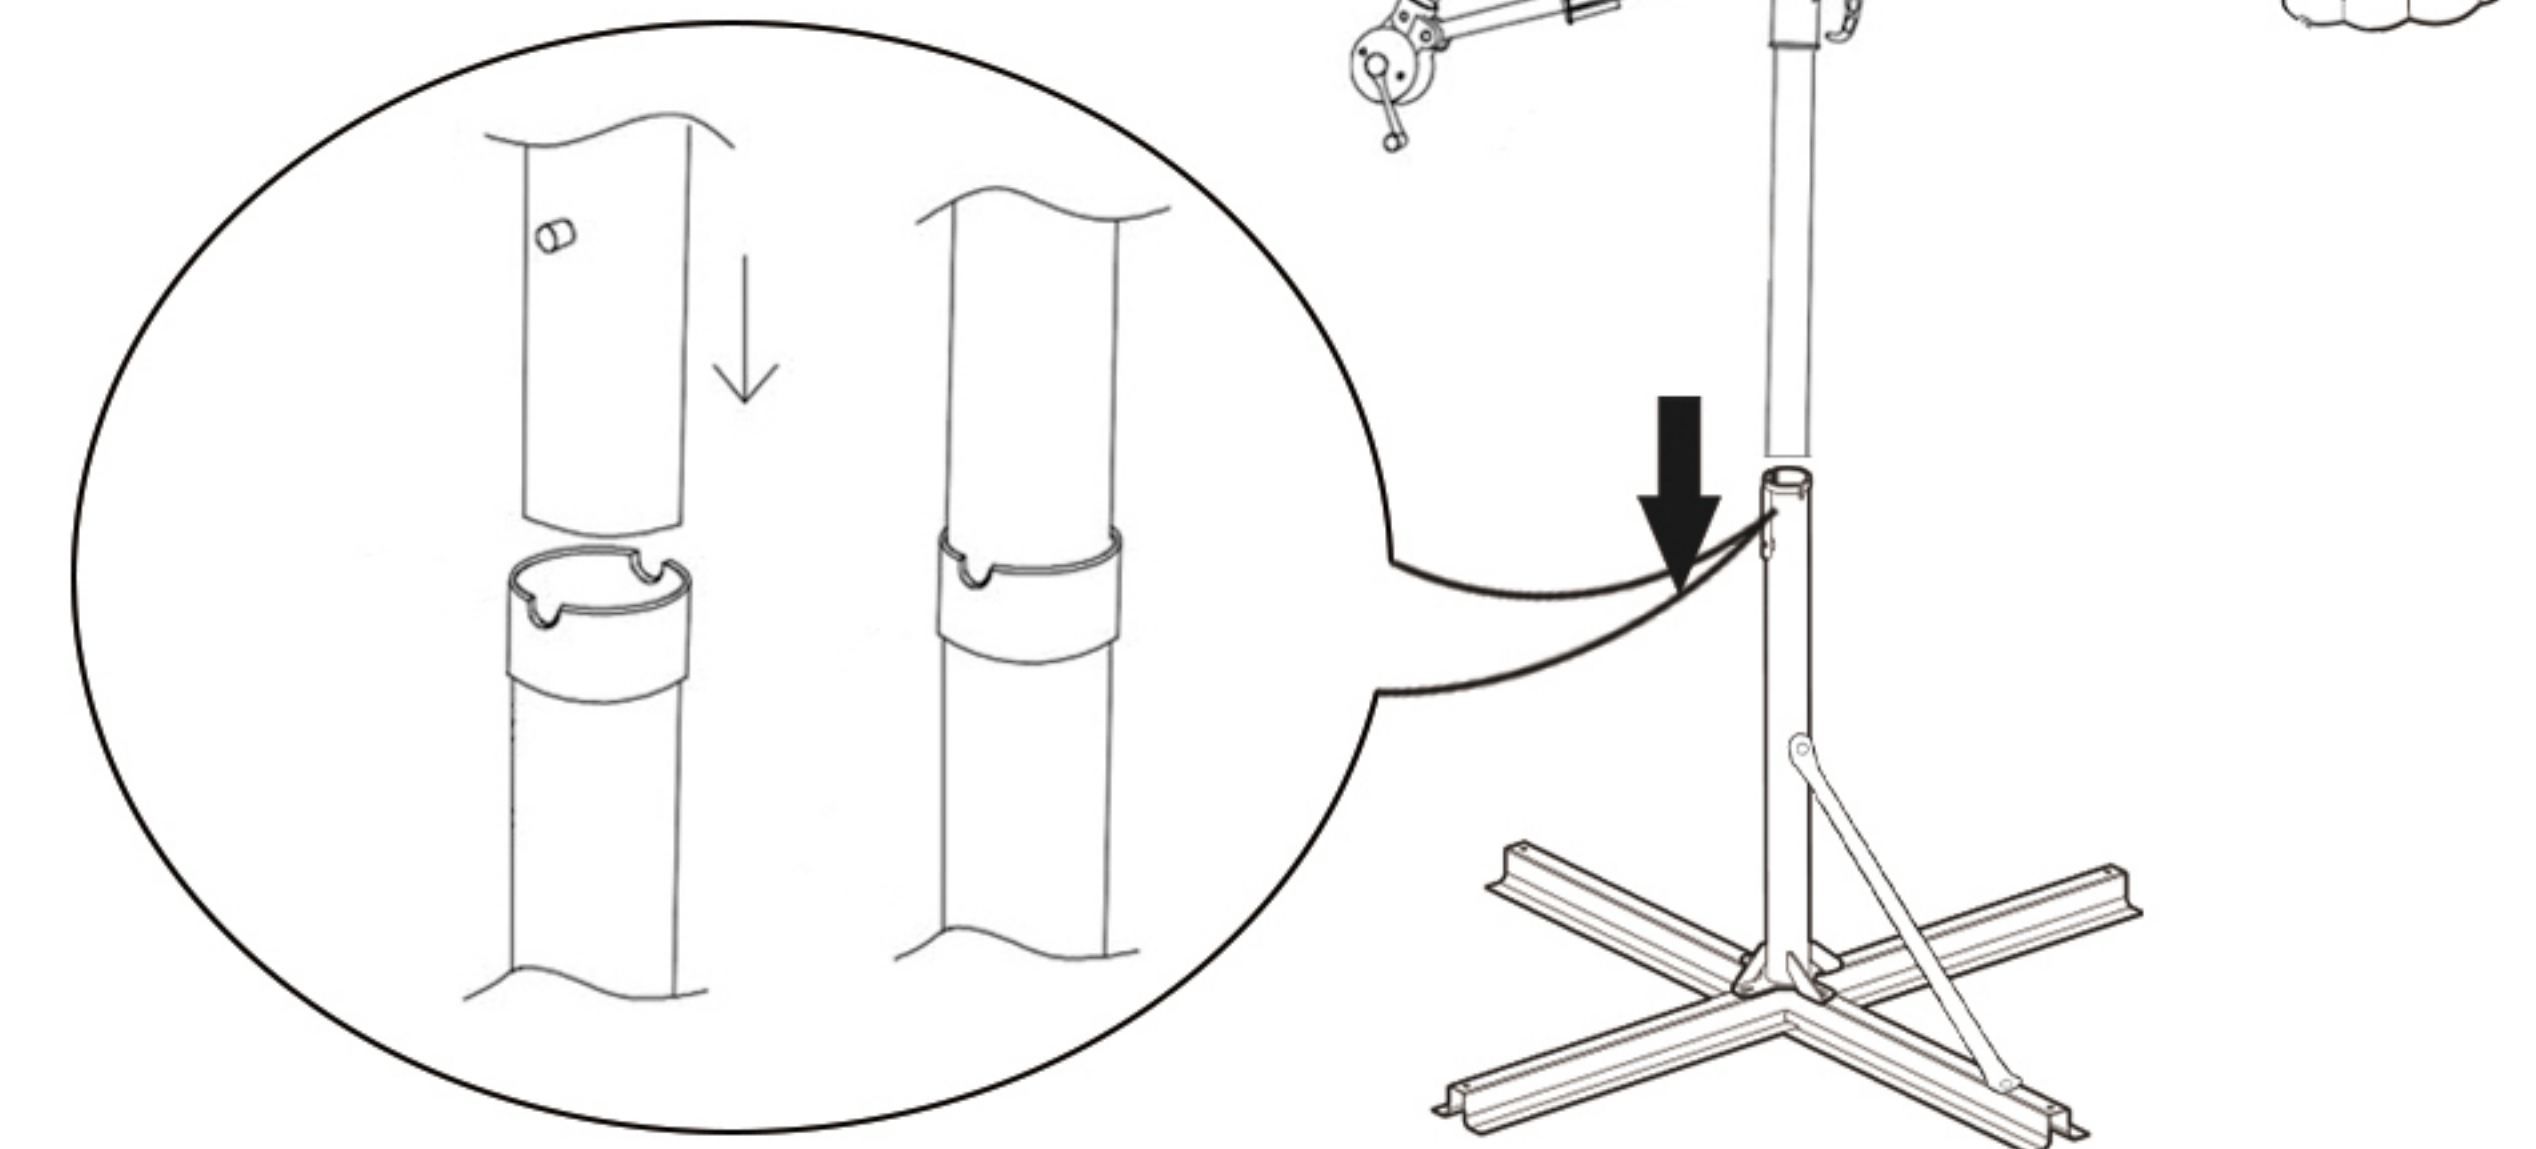

- 7** Connect the umbrella pole to the cantilever pole and confirm that the two poles are connected when you hear a “KA” sound.

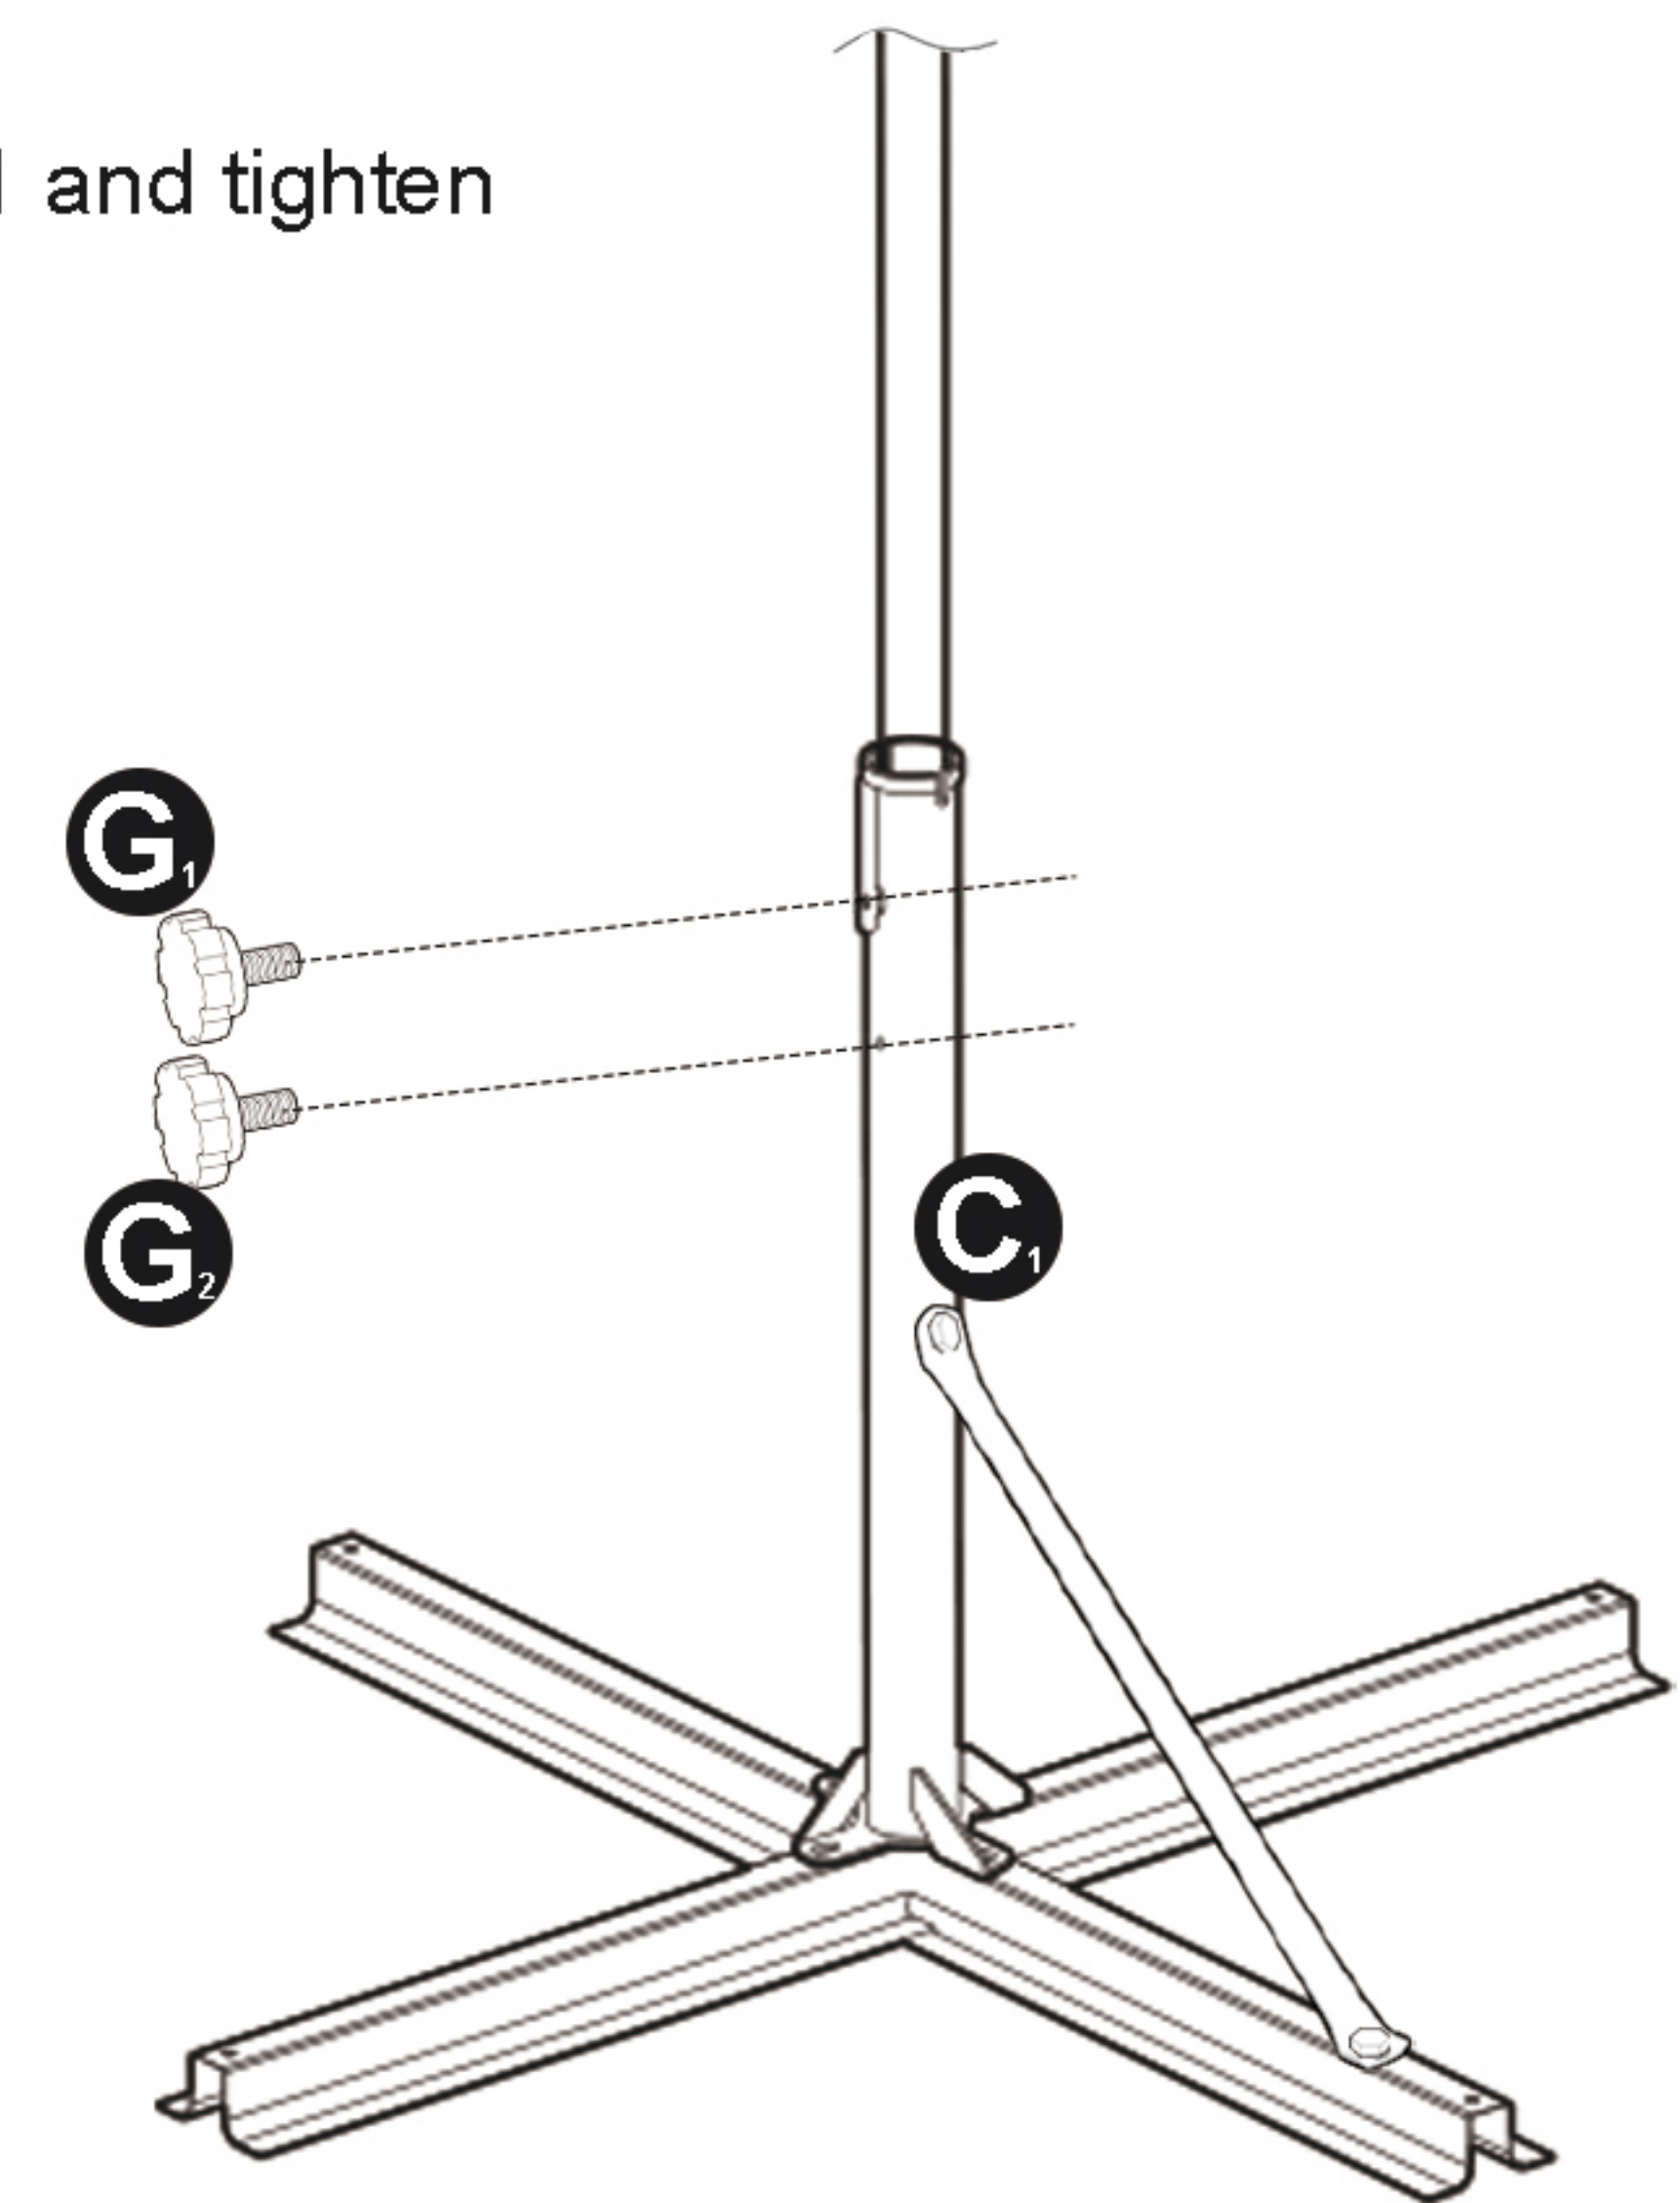

- 8** Remove parts M and J from the Link Rod, connect them as shown in the picture on the left and tighten the screws.

- 9** Attach and secure the umbrella to the cross base as shown in the illustration.

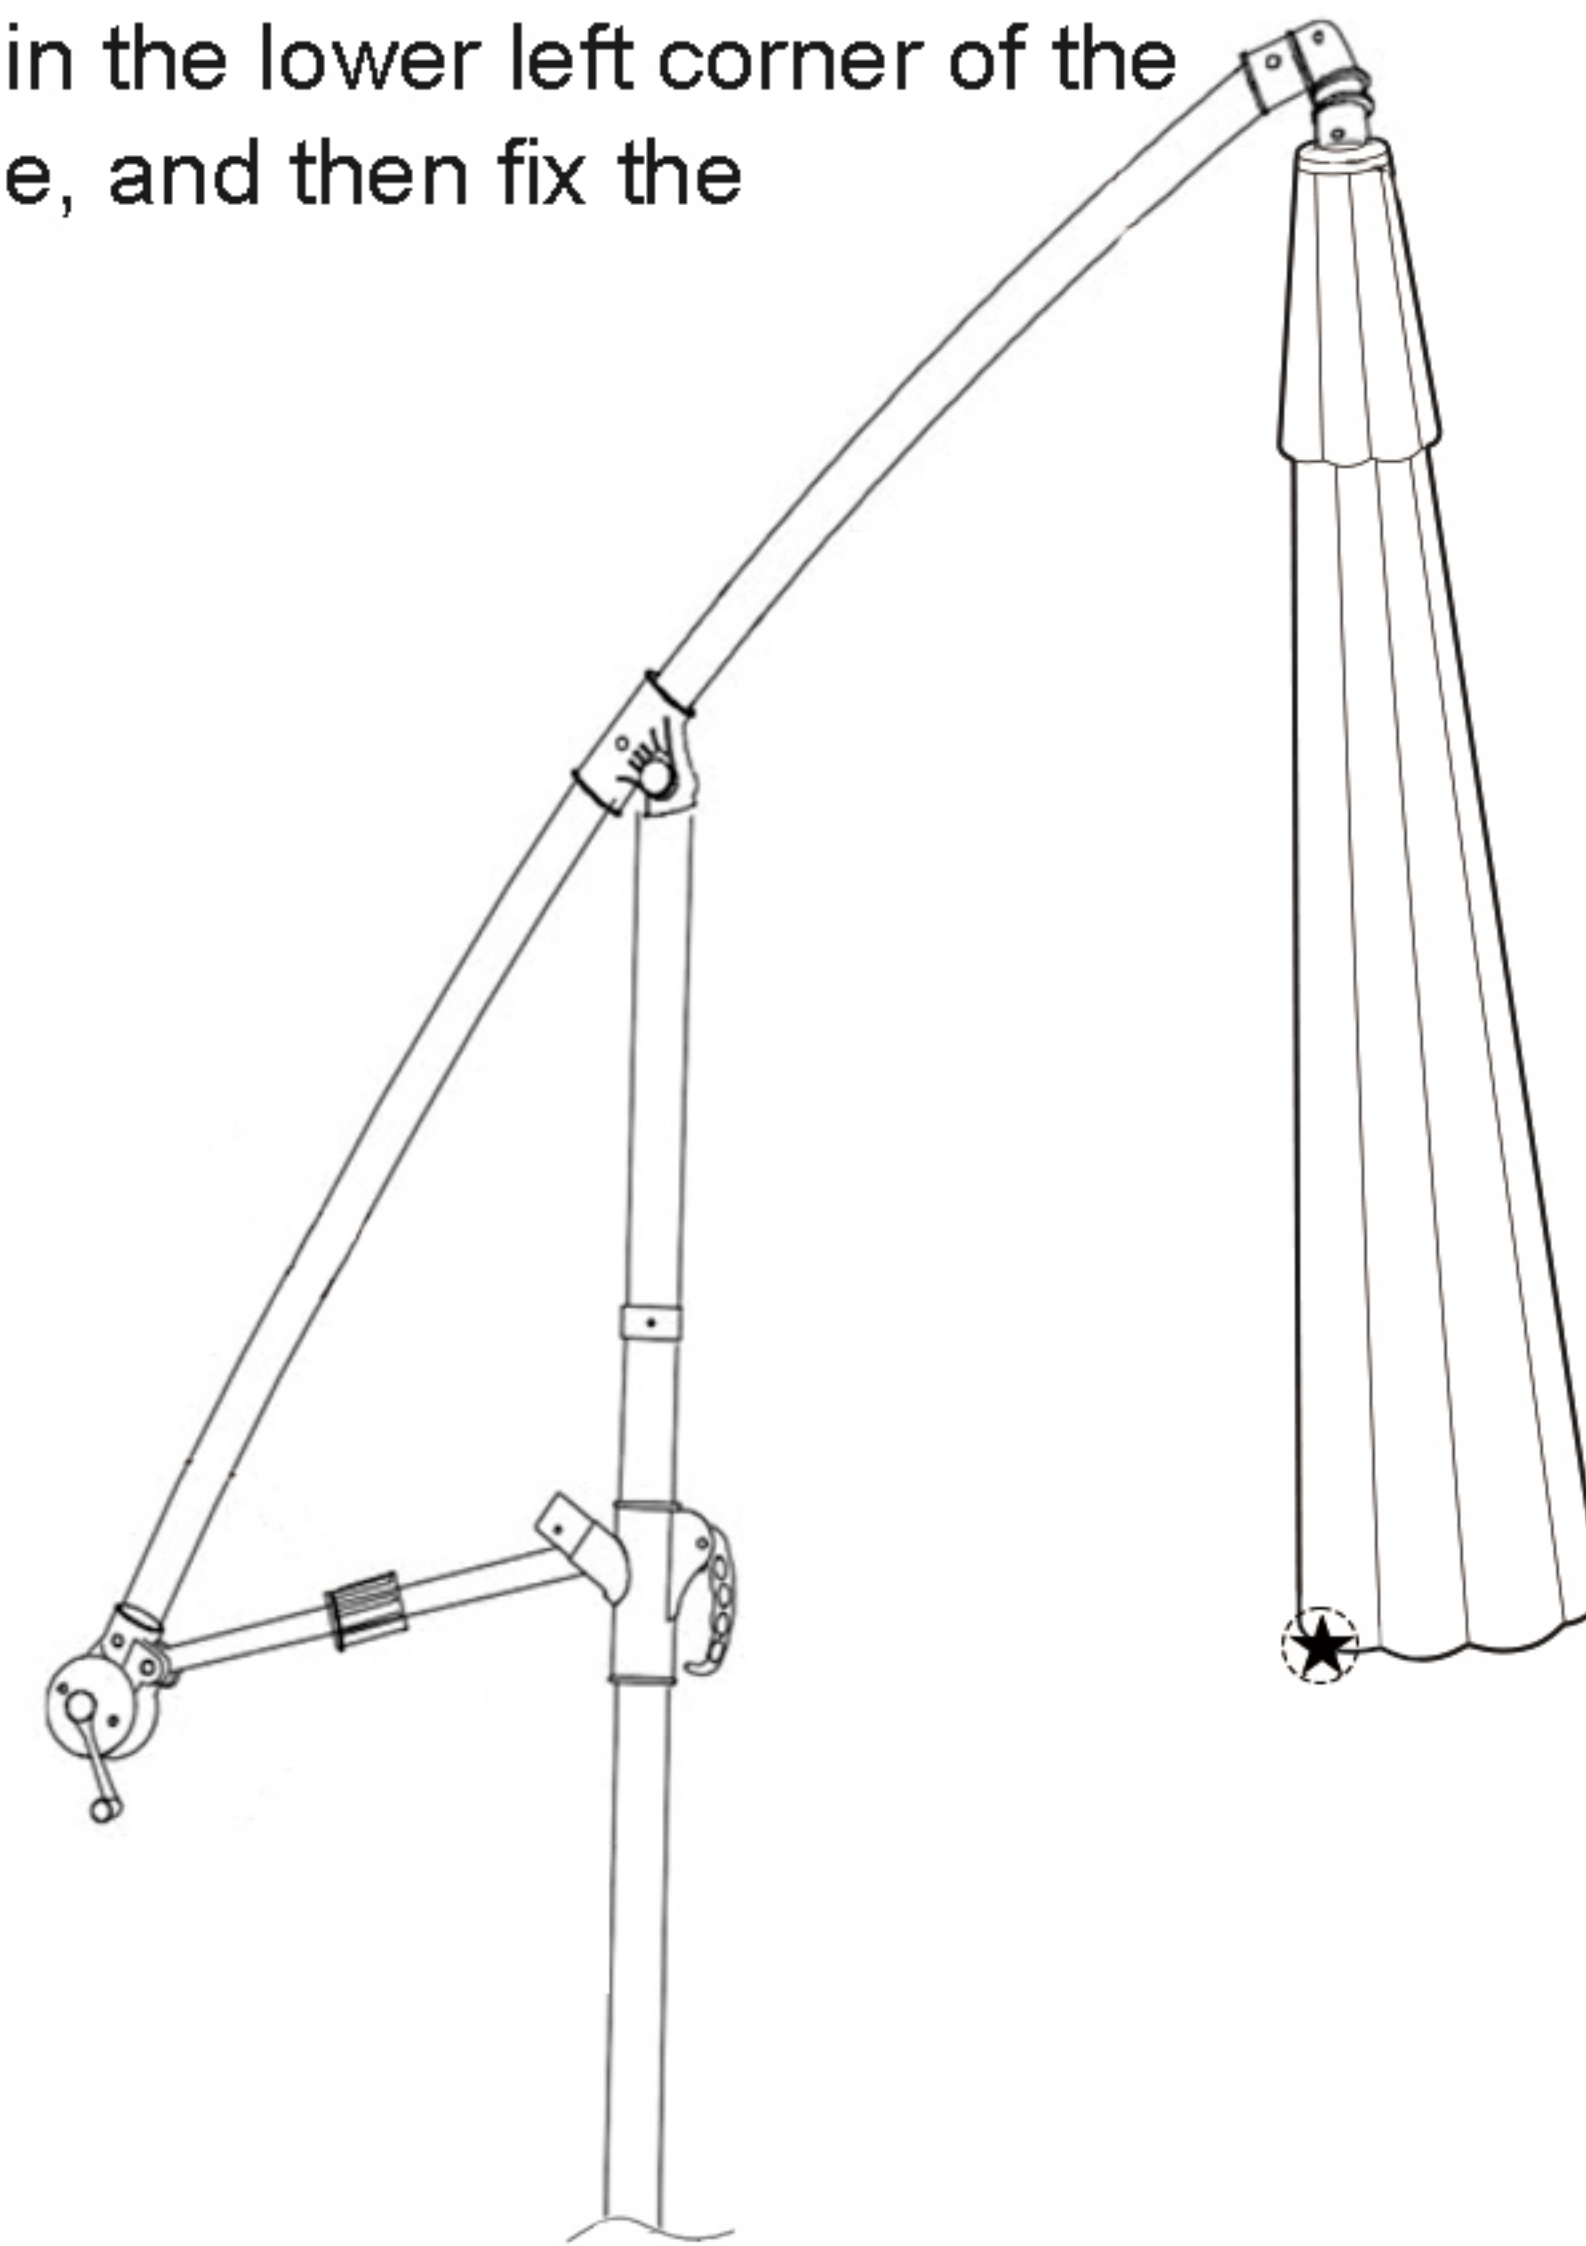

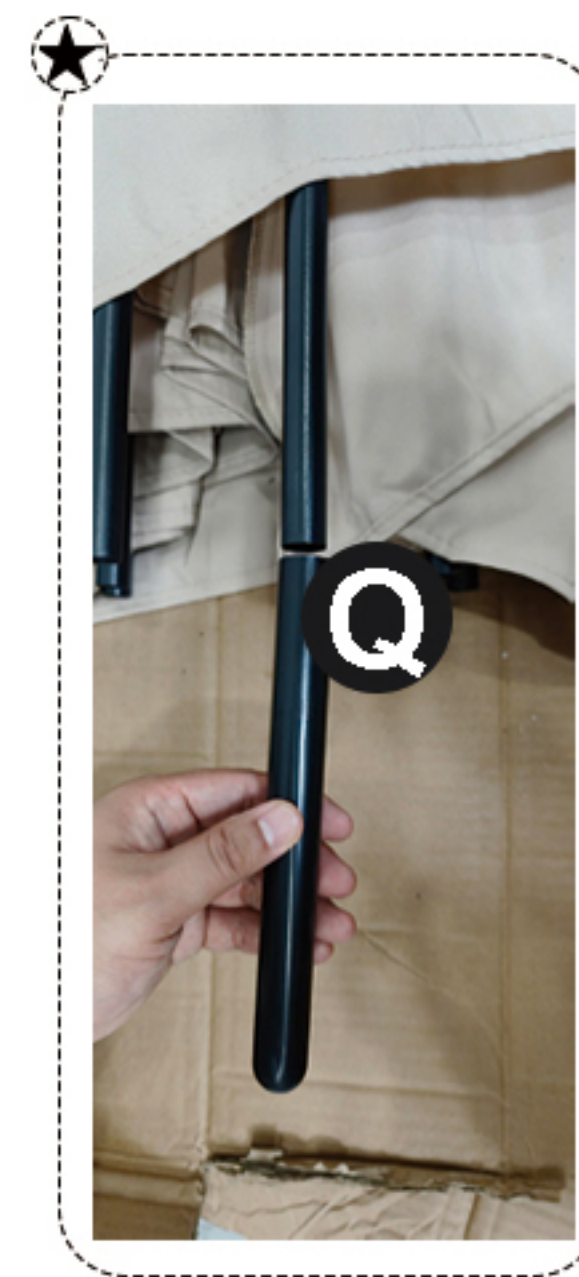

- 10** Align the round hole at part C1 and tighten parts G1 and G2 in turn.

11

Install the plastic parts shown in the lower left corner of the illustration to the umbrella bone, and then fix the bone to the umbrella cloth.

12

Lift the crank system to the highest point, open the tether and open the umbrella.

13

Tie one end of part N to the umbrella bone and the other end to the umbrella pole.
