MANTEL CLOCK: The Redford Mantel Clock features a Windsor Cherry finish on select hardwoods and veneers to complement your home decor. Place it above your fireplace in the living room for a classic decorative piece with rosette supports on the base and polished brass-finished bun feet.

DURABLE: This clock has a sturdy frame to relieve stress in a busy household. It includes black traditional Roman numerals (IIII instead of IV), black hands, a polished brass-finished bezel, and convex glass to stand out over an aged dial.

CHIMES: Easily tell time with a single-chime movement that plays the Westminster chime to strike each hour. The convenient automatic nighttime chime shut off and volume control allows this clock to be set in any room.

MOVEMENT: It is powered by quartz, single-chime movement and requires three AA sized batteries.
