

Etienne Sideboard

110122

The Etienne Sideboard boasts a linear profile with a warm design. Constructed from a rustic oak veneer with solid oak wood legs and a matching rope covering on the doors. Antique brass handles complement the piece. As wood is an organic, porous material, these pieces will contain natural variation of texture and may also exhibit fine indentations and cracks. Wood pieces will also display a disparity of colour and grain, and visible knots and burls that add to the character of each piece.
