

## Incandescent

Decorate and add functional lighting to either side of a mirror or throughout the home with the timeless one-light bath. A single exposed bulb surrounded by a clear glass shade hangs from an antique-style socket. The faux cord extending from the Brushed Nickel backplate wraps around the miniature pulley wheel to create a one-of-a-kind arm to hold the fixture in place. With its tasteful industrial design, this piece is ideal as a bath vanity or wall sconce in industrial and farmhouse settings.
