

Toddler Tower

The Franklin+Emily Toddler Tower is designed to give your little one the boost they need to explore their creativity, engage in everyday activities + gain autonomy in their learning journey.

Built with clean lines and modern design, our Toddler Tower will fit seamlessly into your home. It has an easily adjustable platform designed to grow with your child, and is constructed of high grade Baltic Birch plywood and finished with environmentally and kid friendly finishes that can be easily cleaned with a damp cloth.

Now your kids can move their Toddler Tower beside you in the kitchen to help dip, mix, whisk, and roll at counter height, all while remaining safe and secure. The Toddler Tower can be used bathroom to help them brush their teeth, or in the laundry room to help sort and fold clothes – with it's wide array of uses it will elevate your little one so they can engage and learn through everyday activities.
