Adult assembly required.

# Instructions for: 0652JC Table-Top Hardboard Easel

## Hardware Package **HABS**

| Qty             | Description              |
|-----------------|--------------------------|
| (4) <b>XCDR</b> | Red Plastic Paper Clip   |
| (2) <b>XBHD</b> | 1-9/16" Decorative Screw |
| (1) <b>XAUS</b> | 4mm Hex Wrench           |

## Assembly Instructions:

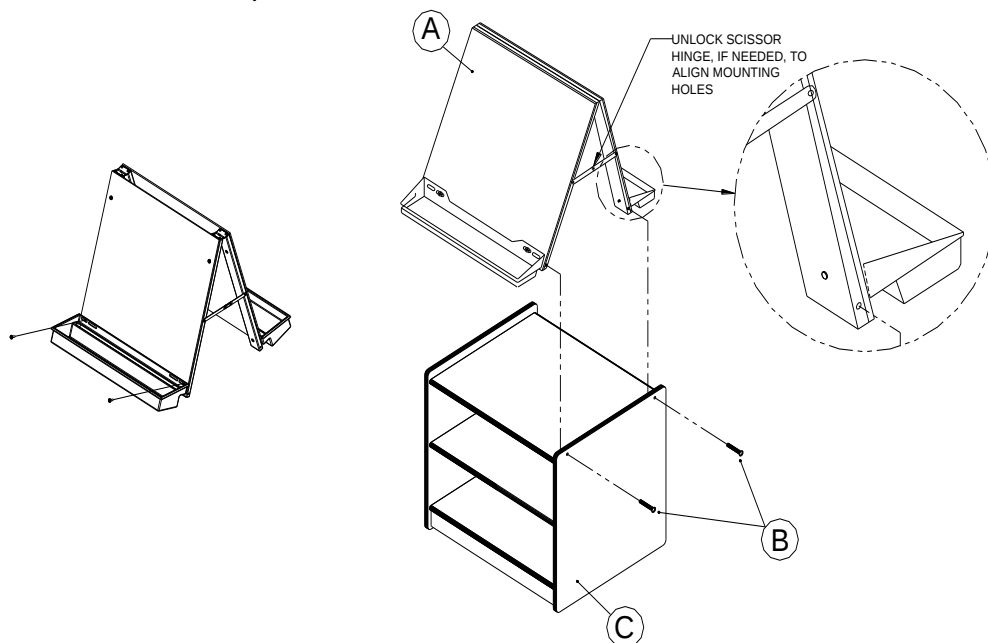

1. Open hinged legs so that the scissor hinges on both sides are locked.
2. Remove the two bottom bolts from the panels on both sides with the provided hex wrench. Attach the blue paint trays by reinstalling the bolts and tightening them with the provided hex wrench.
3. Clip the plastic clips at the top of the easel panel to use for holding paper.

**NOTE:** Your assembly is now completed if you are not using this in conjunction with a base unit. Also, the two 1-9/16" decorative screws provided in the hardware package will not be required if you are not using this in conjunction with a base unit.

4. Mount easel "A" to base "C" by placing the easel on the base by inserting two 1-9/16" decorative screws "B" through the base side and into the holes in the sides of the easel leg. Tighten the screws with the provided hex wrench.

**NOTE:** The scissor hinges may need to be unlocked to align the holes in the legs with the holes in the side of the base unit. If this is needed, lift up on the scissor hinge slightly to align the holes, install the screws, and then press down on the scissor hinge to lock it again.

5. If you experience any difficulties when assembling this product, please contact the Jonti-Craft Customer Relations Team at (800) 543-4149 or [sales@jonti-craft.com](mailto:sales@jonti-craft.com). All other requests for assistance must be directed to your Jonti-Craft Dealer.
