

Sofa Assembly Picture	Assembly Instructions									
 The diagram illustrates the assembly of a sofa. The top portion shows the back cushion (C) being placed onto the seat base (D). The bottom portion shows the seat base (D) with four wood feet (A) and one plastic foot (B) being attached. A small icon of a shoe cover is also shown.	Carefully unpack all parts before attempting to assemble.									
	STEP 1. Insert the back cushion C on the seat base D STEP 2. Open the zipper under the seat base, put the feet on the base.
