029

Materials: Metal, wire brushed white oak veneers

Finish: The collection features a wire brushed, weathered caramel finish on the wood coupled with a smoked charcoal hue on the metal.

Inspiration: This collection is a modern interpretation of Arts and Crafts, combining metal and wood to create an appealing new look and feel and a design that will highlight any interior décor

Description: This collection is comprised of five tables all having wood tops and wood shelves and metal legs. Each table features shelves for storage. Both cocktail tables have casters to provide easy mobility and movement.
