

- | | | | |
|--|---------------------|--|----------------------|
| | Mounting Bracket | | Wire nut |
| | Screw nut | | Lock washer |
| | Ball nut | | Expansion screw pipe |
| | Mounting screw pipe | | Screw |

Installation Steps:

1. Mark the point on the ceiling according to the holes of the mounting bracket, and drill the holes on the ceiling.
2. Install the mounting bracket to the ceiling with the expansion screw pipe and screws.
3. Adjust the hanging buckle to your desired hanging length.
4. Connect the power cord to the lamp wires with the connecting terminal and lead wire. (U.S. -- black for "L", white for "N", copper wire for "Ground"; Europe --brown for "L", blue for "N", yellow and green for "Ground")
5. Get the canopy close to the ceiling, and let the mounting screw through the holes of the canopy.
6. Install the canopy to the mounting bracket with the ball nut (screwing the ball nut).
7. Install the bulb(not included).
- 8-9. Hang the crystal to the light fixture frame.

Attention:

1. Please make sure power-off before installation. (WE SUGGEST INSTALLATION BY A LICENSED ELECTRICIAN.)
2. Due to differences between monitor displays, actual color may vary slightly from image.
3. Because of the different measurement methods, please allow 0-1/2inch difference due to manual measurement.
4. If you have any questions or any missing parts, please do not hesitate to contact us, we will try our best to help.
